EXPLANATORY NOTE

(This Note is not part of the Scheme.)

This Scheme enables the Secretary of State to make grants to crofters and certain other occupiers of land in the seven crofting counties in supplement of the subsidy payments made under the Hill and Upland Sheep (Scotland) Scheme 1967. The scheme provides for differing rates of supplement according to the type of flock in which the sheep are comprised and according to whether or not grant under the Crofting Counties Agricultural Grants (Scotland) Scheme 1965 for the cropping of marginal land in the relevant year has been paid or in the opinion of the Secretary of State is payable in respect of the croft, holding or grazings on which the sheep are maintained.
