(This Note is not part of the order.)

This order specifies, in respect of home-grown wheat and home-grown barley, the rates of levy to be raised in respect of the year beginning with 1st July 1968 to meet the amounts apportioned by the Ministers to these kinds of home-grown cereals to finance the Home-Grown Cereals Authority in the performance of their non-trading functions under Part I of the Cereals Marketing Act 1965. These functions include the implementation of bonus payment schemes for growers of wheat and barley.

The order also includes provisions as to the quantity of wheat or barley, and acreage of land used for growing barley, in respect of which the levy is to be imposed.

The levy will be recovered as mentioned in section 15 of the Act, which provides for recovery by deduction from cereals deficiency payments.
