EXPLANATORY NOTE

(This Note is not part of the Regulations).

These Regulations lay down the procedure to be followed by local authorities in Scotland in connection with the making by them of the main types of traffic and parking place orders under the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968. The Regulations replace the Traffic Regulation Orders (Procedure) (Scotland) Regulations 1961 (S.I. No. 669), the Parking Places Orders (Procedure) (Scotland) Regulations 1961 (S.I. No. 505) and the Street Playgrounds Orders (Procedure) (Scotland) Regulations 1961 (S.I. No. 1322), all of which are revoked.

Regulation 3 specifies the orders to which the Regulations apply. These include traffic regulation orders, experimental traffic orders, orders relating to the use of roads by public service vehicles, street playgrounds orders, orders relating to parking places both on and off the highway (including bus station and parking meter orders) and orders relating to speed limits.

Regulations 4 to 13 lay down the procedure to be followed before the order is made. They provide for preliminary consultations (Regulation 4), publication of proposals (Regulation 5), objections to the order (Regulations 6 and 11), public hearings (Regulations 7 to 9), the modifications of proposals (Regulation 12) and for certain cases where the appropriate Minister's consent is required or where the Secretary of State has to be notified of the local authority's proposals (Regulations 10 and 13).

Regulations 14 and 15 contain certain requirements about the order itself, in particular about the use of a map to illustrate the order and about the operative date of the order.

Provisions as to the manner of making the order and as to the giving notice of its making are contained in Regulations 16 and 17.

Certain of the above requirements are modified in relation to consolidation orders and some experimental traffic orders by Regulations 18 and 19.

Schedules 1 to 3 contain particulars of the details to be included in the press notices of an order, of the requirements as to display of notices of an order in the road itself, and of the requirements about making documents relating to an order available for public inspection. Schedule 4 lists the documents which must accompany an application for the appropriate Minister's consent.
