EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order specifies cases in which an estimated basis may be used for ascertaining the amount of any adjustment falling to be made between the National Insurance Fund or the Industrial Injuries Fund and money provided by Parliament. The adjustments specified are in respect of the payment of benefit which falls to be paid out of either of those Funds and benefit which falls to be paid out of money provided by Parliament under the National Insurance (Old persons' and widows' pensions and attendance allowance) Act 1970. These cases are additional to those specified in the Social Security (Financial Adjustments) Order 1967 (S.I. 1967/466).
