EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order specifies the representative borrowing rates for the year 1971-72 applicable to the several bodies who receive housing subsidies under section 2 of the Housing (Financial Provisions) (Scotland) Act 1968. The subsidy meets the difference between the loan charges on the aggregate approved cost of houses completed in that year at the borrowing rate specified in the Order and the loan charges which would have been incurred at a fixed borrowing rate of 4 per cent.
