**8.** Any person appointed to any office under arrangements mentioned in Article 6 or 7 of this Order shall take office on a date specified in his appointment and the date so specified may be any date after the date of coming into operation of this Article.

**9.—(1)** Any expenditure incurred before 1st April 1974 in connection with any of the following matters, that is to say:—

(2) Any expenditure of the council of a non-metropolitan county or metropolitan district under paragraph (1) above shall, so far as it relates to any functions mentioned in section 27(2) of the Justices of the Peace Act 1949, be treated for the purposes of that section as having been incurred in connection with those functions.

**10.—(1)** Subject to Article 11 of this Order, anything done by or in relation to a justice, justices' clerk, magistrates' court or other body, not being a probation and after-care committee, exercising jurisdiction or functions in or for an existing petty sessions area shall be deemed to have been done by or in relation to a justice, justices' clerk, court or other body exercising jurisdiction or functions in or for the respective new petty sessions area (hereafter in this Article referred to as “the corresponding person or body”) and, in the case of a thing in the process of being done, may accordingly be continued by or in relation to the corresponding person or body.

(2) For the purposes of paragraph (1) above, any justice for an existing petty sessions area who does not hold office as a justice of the peace for the respective new petty sessions area or the commission of the peace area in which the respective new petty sessions area is comprised shall be deemed to hold office as such.

(3) For the purposes of paragraph (1) above any petty sessional court-house for an existing petty sessions area which is outside the respective new petty sessions area shall be deemed to be in that new petty sessions area.

**11.** Any order made, licence granted or other thing done under the Licensing Act 1964 by the licensing justices for an existing licensing district, being an order or licence in force or other thing having effect immediately before 1st April 1974 shall continue to have like effect on and after that date as if the Local Government Act 1972 had not been passed but shall be treated as if it had been made, granted or done by the licensing justices for the new petty sessions area in which the premises concerned are situated.

**12.** Any order made by a magistrates' court directing the payment of money to the clerk or any other officer of a magistrates' court acting for an existing petty sessions area shall have effect as if it had directed payment to be made to the clerk to the justices for the respective new petty sessions area.

**14.—(1)** Where an existing petty sessions area is named in a probation order, in a supervision order or in a community service order, the powers and functions of the justices for such area in relation to the order shall vest in and be discharged by the justices for the respective new petty

sessions area and such an order, unless amended in regard to the area named, shall have effect in all respects as if the respective new petty sessions area were named therein.

(2) Where on 1st April 1974 a probation order, a supervision order or a community service order is in force and the probationer, person under supervision or offender in respect of whom the community service order is in force, as the case may be, is residing outside the new petty sessions area which, by virtue of paragraph (1) above, is deemed to be named in the order, the justices for that new petty sessions area may amend the order in regard to the area named as if the probationer, person under supervision or offender in respect of whom the community service order is in force, as the case may be, had changed his residence.

**15.**—(1) Any process, record or other document in the custody, by virtue of his office as such, of the clerk to the justices for an existing petty sessions area shall be retained by that clerk in his capacity as clerk to the justices for the respective new petty sessions area or, if he does not hold that clerkship, be transferred to the custody of the clerk to the justices for the respective new petty sessions area.

(2) Copies of, and extracts from, any such record or other document as aforesaid made or certified by the clerk to the justices for the respective new petty sessions area shall be of the same effect as if they had been made or certified by the clerk to the justices for the existing petty sessions area.

## EXPLANATORY NOTE

Article 3 of this Order provides, with effect from 1st April 1974, for the division of non-metropolitan counties and metropolitan districts established by the Local Government Act 1972 into petty sessional divisions.

Article 4 creates, also with effect from 1st April 1974, a number of combined juvenile court panels for areas corresponding approximately to the areas for which there are existing combined panels.

Articles 5 to 16 make provision, with effect from 1st October 1973, for the extension until 1st April 1974 of existing terms of office of certain justices, for the justices for new petty sessions areas to take necessary steps for the operation of the courts and other bodies in that area after 1st April 1974 and for other transitional and incidental purposes.

Article 17 revokes, with effect from 1st April 1974, the orders made under section 18 of the Justices of the Peace Act 1949 which provide for the division of counties into petty sessional divisions and the orders made under Schedule 2 to the Children and Young Persons Act 1933 which establish combined juvenile court panels for two or more petty sessions areas.
