EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order provides for exemption from or reductions in import duty in the case of goods specified in the Schedule to the Order as from 1st November 1974 until 31st December 1974.

There is exemption from import duties in the case of all goods in the Schedule if the goods satisfy the requisite conditions to benefit from the eventual abolition of customs duties in trade between Member States of the European Communities.

In the case of other goods, where a rate of duty is specified in column 3 of the Schedule, duty is reduced to that rate instead of any higher rate which would otherwise apply and where "free" appears in column 3 in relation to the goods, they are exempt from duty whatever their origin.

If the goods originate in Cyprus or Egypt greater reductions in duty are available than those referred to above, such reductions being shown in column 4 (Cyprus) and column 5 (Egypt) of the Schedule.

In the case of goods in the Schedule originating in Morocco, Tunisia or Turkey there is exemption from duty unless their description in column 2 is followed by the letters "ECSC".

As regards the exemption for equipment for use in aircraft under heading 85.15, apparatus of a type approved by the Civil Aviation Authority is listed in Civil Aviation Publication CAP 208, Airborne Radio Apparatus Volume 2, published by Her Majesty's Stationery Office. This publication is subject to amendment, and confirmation that apparatus is of a type approved at the date of this Order should be obtained from the Civil Aviation Authority, Controllerate of National Air Traffic Services, Tels N2s(c), 19/29 Woburn Place, London, WC1H 0LX.
