ASSESSMENT OF EARNINGS-RELATED CONTRIBUTIONS

Earnings periods

2. The amount, if any, of earnings-related contributions payable in respect of earnings paid to or for the benefit of an earner in respect of an employed earner's employment shall, subject to the provisions of regulations 5 and 7 to 13 of these regulations, be assessed on the amount of such earnings paid, or treated as paid, in the earnings period specified in regulation 3 or, as the case may be, regulation 4 of these regulations.

Earnings period for earnings normally paid or treated as paid at regular intervals

3.—(1) Where any part of such earnings as are specified in the immediately preceding regulation is normally paid or treated under regulation 5 of these regulations as paid at regular intervals, the earnings period in respect of those earnings shall, subject to the provisions of paragraphs (2), (3) and (4) of this regulation, be the period—

- (a) the length of which is—
- (i) where the interval is 7 days or more, the length of the shortest interval at which any such part is paid or treated as paid;
 - (ii) where the interval is a period of less than 7 days, a week; and

(a) 1970 c. 10.

(b) 1889 c. 63.

- (b) which is one of a succession of periods of the same length beginning in the case of the first such period in any year on the first day of that year, and in the case of each subsequent period immediately upon the ending of the period which last precedes it.

(2) Without prejudice to the provisions of sub-paragraph (b) of the last preceding paragraph, if the Secretary of State is satisfied that the greatest part of the earnings specified in that paragraph is normally paid at intervals of greater length than the shortest and notifies the earner and the secondary contributor accordingly, the length of that longer interval shall thereafter be the length of the earnings period in place of that specified in sub-paragraph (a)(i) of that paragraph.

(3) Where in any year there is a period between the end of the last earnings period of normal length and the beginning of the next year, the period first mentioned in this paragraph shall itself be treated as an earnings period of normal length.

(4) Where—

(a) the employment in respect of which the earnings are paid—

(i) has ended, and

(ii) is one in which, during its continuance, earnings were paid or treated under regulation 5 of these regulations as paid at a regular interval, and

(b) after the end of the employment a payment of earnings is made by way of addition to a payment made before the end of the employment,

the earnings period in respect of that additional payment of earnings shall, unless the provisions of the said regulation 5 apply to that payment, be a period equal to the length of a week.

Earnings period for earnings normally paid otherwise than at regular intervals and not treated as paid at regular intervals

4. Subject to regulation 3(4) of these regulations (earnings period for additional payment of earnings after end of employment), where earnings are paid to or for the benefit of an earner in respect of an employed earner's employment, but no part of those earnings is normally paid or treated under the next succeeding regulation as paid at regular intervals, the earnings period in respect of those earnings shall, in respect of any particular payment thereof, be a period of one of the following lengths:—

(a) in the case of the employment being one in which—

(i) services are to be rendered on one or more occasions and on each occasion within a fixed period but, subject to that, in the earner's own time and at his convenience, and

(ii) the earnings to be paid are by reference to the services rendered on each occasion,

the length of the fixed period or a week, whichever is the longer;

(b) in any other case—

- (i) the length of the period of that part of the employment for which the earnings are paid or a week, whichever is the longer; or, where it is not reasonably practicable to determine that period,
- (ii) the length of the period from the date of the last preceding payment of earnings in respect of the employment (or, if there has been no such payment, from the date on which the employment began) to the date of the particular payment (or, where that date is after the end of the employment, the date on which the employment ended), so however that where the period so calculated would be of a length less than that of a week, the earnings period shall be of a length equal to that of a week.

Treatment of earnings paid otherwise than at regular intervals

5.—(1) Subject to the provisions of paragraphs (2) and (3) of this regulation, for the purposes of assessing earnings-related contributions—

- (a) if on any occasion a payment of earnings which would normally fall to be made at a regular interval is made otherwise than at that regular interval, it shall be treated as if it were a payment made at that regular interval;
- (b) where payments of earnings are made at irregular intervals which secure that one and only one payment is made in each of a succession of periods consisting of the same number of days, weeks or calendar months, those payments shall be treated as if they were payments made at the regular interval of one of those periods of days, weeks or as the case may be, calendar months;
- (c) where payments of earnings, other than such as are specified in the last preceding sub-paragraph, are made in respect of regular intervals, but otherwise than at regular intervals, each such payment shall be treated as made at the regular interval in respect of which it is due.

(2) Where under the foregoing provisions of this regulation a payment of earnings is treated as made at a regular interval, it shall for the purposes of assessment under these regulations of earnings-related contributions also be treated as paid—

- (a) in a case falling within the provisions of paragraph (1)(a) of this regulation, on the date on which it would normally have fallen to be made;
- (b) in any other case, on the last day of the regular interval at which it is treated as paid.

(3) Except only for the purposes of aggregation under paragraph 1 of Schedule I to the Act, the foregoing provisions of this regulation shall not apply where by virtue thereof a payment made in one year would be treated as made in another.

Equivalent amounts

6.—(1) The equivalent amounts for the purposes of section 4(2)(b) and (6) of the Act (prescribed equivalent amounts for lower and upper earnings limits in case of employed earners paid otherwise than weekly) shall be determined in accordance with the following provisions of this regulation.

(2) The respective equivalent amounts shall be—

- (a) where the earnings period is a multiple of a week, the amounts calculated by multiplying each of the said limits by the corresponding multiple;
- (b) where the earnings period is a month, the amounts calculated by multiplying each of the said limits by $4\frac{1}{3}$;
- (c) where the earnings period is a multiple of a month, the amounts calculated by applying sub-paragraph (b) of this paragraph and multiplying each product by the corresponding multiple;
- (d) in any other case, the amounts calculated by dividing each of the said limits by 7 and multiplying each quotient by the number of days in the earnings period concerned.

(3) Each of the calculations prescribed in sub-paragraphs (b) and (d) of the last foregoing paragraph shall be to the nearest £0·01, and any amount of £0·005 or less shall be disregarded.

Calculation of earnings-related contributions

7.—(1) Subject to the provisions of paragraphs (3) to (5) of this regulation, earnings-related contributions shall be calculated to the nearest £0·01, and any amount of £0·005 or less shall be disregarded.

(2) In the alternative, but subject to the provisions of paragraphs (4) to (6) of this regulation, where the earnings period is a week or a month, the contributions specified in the last foregoing paragraph may be calculated in accordance with the scale prescribed in Part I or, as the case may be, Part II of Schedule 1 to these regulations in accordance with the provisions of paragraph (3) of this regulation.

(3) As respects contributions payable under section 4 of the Act (Class 1 contributions), there shall be payable, in respect of any payment of an amount of earnings shown in column 1 of the said Schedule 1, the amounts shown opposite thereto—

- (a) in column 2 of the said Schedule 1, by way of primary Class 1 contributions, if those contributions are payable at the standard rate; or
- (b) in column 3, by way of such contributions, if those contributions are payable at the reduced rate; and
- (c) in column 4, by way of secondary Class 1 contributions.

(4) Where any payment of an amount of earnings is not shown in column 1 of the said Schedule 1 the amount of contributions payable shall be calculated by reference to the next smaller amount, if any, in column 1 of that Schedule.

(5) Where the earnings period is a multiple of a week or a month the last two preceding paragraphs of this regulation shall apply subject to the substitution for the references to the amounts in the respective columns in the said Schedule 1 of references to the corresponding multiple of those amounts.

(6) Subject to the agreement of the Secretary of State to the contrary, the provisions of the last three foregoing paragraphs of this regulation shall not apply except for the calculation of all the contributions payable in a year in respect of the earnings paid to or for the benefit of an earner in respect of the employed earner's employment concerned, or, where the earnings in respect of more than one employment are aggregated under paragraph 1(1) of Schedule 1 to the Act, in respect of the employed earner's employments concerned.

General provisions as to aggregation

8. Where on one or more occasions the whole or any part of a person's earnings in respect of employed earner's employment is not paid weekly (whether or not it is treated for the purpose of earnings-related contributions as paid weekly), paragraph 1 of Schedule 1 to the Act (determination of the earnings-related contributions payable in any income tax week by the aggregation of separate payments and the apportionment of single payments in certain cases) shall have effect as if for the references therein to "week" there were substituted references to "earnings period".

Aggregation of earnings paid in respect of separate employed earner's employments under the same employer

9. For the purposes of earnings-related contributions, where an earner is concurrently employed in more than one employed earner's employment under the same employer the earnings paid to or for the benefit of the earner in respect of those employments shall not be aggregated if such aggregation is not reasonably practicable because the earnings in the respective employments are separately calculated.

Aggregation of earnings paid in respect of different employed earner's employments by different persons and apportionment of contribution liability

10.—(1) For the purposes of determining whether earnings-related contributions are payable in respect of earnings paid to or for the benefit of an earner in a given earnings period and, if so, the amount of the contributions, where in that period earnings in respect of different employed earner's employments are paid to or for the benefit of the earner—

- (a) by different secondary contributors who in respect of those employments carry on business in association with each other and the amount of the earnings paid in respect of one or more of those employments is less than the current lower earnings limit (or its equivalent); or
- (b) by different employers, of whom one is by virtue of the provisions of Schedule 3 to the Social Security (Categorisation of Earners) Regulations 1974(a), as amended(b), treated as the secondary contributor in respect of each of those employments; or
- (c) by different persons, in respect of work performed for those persons by the earner in those employments and in respect of those earnings, some other person is by virtue of the provisions of the said Schedule 3 treated as the secondary contributor,

(a) S.I. 1974/1244 (1974 II, p. 4709).

(b) S.I. 1975/219 (1975 I, p. 567).

the earnings paid in respect of each of the employments referred to in this paragraph shall, unless in a case falling under head (a) of this paragraph it is not reasonably practicable to do so, be aggregated and treated as a single payment of earnings in respect of one such employment.

(2) Where, under the provisions of the last foregoing paragraph, earnings are aggregated, liability for the secondary contributions payable in respect of those earnings shall be apportioned between the secondary contributors in such proportions as they shall agree amongst themselves, or, in default of agreement, in the proportions which the earnings paid by each bear to the total amount of the aggregated earnings.

Apportionment of single payment of earnings in respect of different employed earner's employments by different secondary contributors

11. Where any single payment of earnings is made in respect of two or more employed earner's employments under different secondary contributors, liability for earnings-related contributions shall be determined by apportioning the payment as follows:—

- (a) where the secondary contributors are, in respect of those employments, carrying on business in association with each other, to the secondary contributor who makes the payment;
- (b) where the secondary contributors are not so carrying on business in association with each other, to each of those secondary contributors in the proportion which the earnings due in respect of that secondary contributor's employment bears to the total of the single payment.

Change of earnings period

12.—(1) The provisions of this regulation apply where, by reason of a change in the regular interval at which any part of an earner's earnings is paid or treated as paid in respect of employed earner's employment (hereinafter referred to as "the regular interval of payment"), that person's earnings period in any employment or employments under the same secondary contributor is, or is in the process of being changed.

(2) In this regulation—

- (a) the regular interval of payment which has been discontinued is referred to as "the old interval"; the interval which has, or is to, become the regular interval of payment is referred to as "the new interval";
- (b) the earnings period determined according to the old interval is referred to as "the old period"; that determined according to the new interval is referred to as "the new period";
- (c) reference to payment means payment of earnings actually made or, as the case may be, treated under regulation 5 of these regulations as made, at an interval or date; and
- (d) "date of change" means the date on which the first payment of earnings at the new interval is made.

(3) Subject to the provisions of paragraph (4) of this regulation, in relation to any payments made on or after the date of change the earnings period shall be determined in accordance with the new interval.

(4) Where the new period is longer than the old period during the first new period any payment has also been made at the old interval, the earnings-related contributions payable on any payment made on or after the date of change shall not exceed in amount the total which would have been payable if all the payments during the new period had been made at the new interval.

Holiday payments

13. Where as respects any employed earner's employment, a payment of earnings includes a payment in respect of a period of holiday of a week or a multiple of a week, for the purposes of calculating the earnings-related contributions payable in respect of that payment of earnings—

- (a) the earnings period may be determined in accordance with the length of the interval in respect of which such payment is made; and in that case,
- (b) the provisions of regulation 5 of these regulations shall not apply.

Joint employment of husband and wife

14. For the purposes of earnings-related contributions, where a husband and wife are jointly employed in employed earner's employment and earnings in respect of that employment are paid to them jointly the amount of the earnings of each shall be calculated upon the same basis as that upon which those earnings are calculated for the purposes of income tax and, in the absence of such calculation, upon such basis as may be approved by the Secretary of State.

Annual maximum

15.—(1) For the purposes of section 11(1) and (2) of the Act (power to prescribe maximum amounts of contributions and refund of excess), as respects earners specified in the following provisions of this paragraph but without prejudice to the earner's liability in the first instance for the full amounts payable apart from this regulation, liability in any year for primary Class 1 contributions, or, where both Class 1 and Class 2 contributions are payable by an earner in any year, for both primary Class 1 contributions and Class 2 contributions shall not exceed amounts equal to the following:—

- (a) in the case of an earner who in that year is employed in more than one employed earner's employment and is not liable to pay any Class 2 contributions for that year—
 - (i) if any primary Class 1 contributions are payable at the standard rate, 53 contributions at the maximum standard rate;
 - (ii) if primary Class 1 contributions are payable at the reduced rate only, 53 contributions at the maximum reduced rate;

- (b) in the case of an earner who in that year is employed in one or more employed earner's employments and is also liable to pay Class 2 contributions for that year—
- (i) if any primary Class 1 contributions are payable at the standard rate, 53 contributions at the maximum standard rate;
 - (ii) if no primary Class 1 contributions are payable at the standard rate, 53 Class 2 contributions.

(2) In this regulation the expression "contributions at the maximum standard rate" means primary Class 1 contributions payable at the standard rate within the meaning of section 4(6)(a) of the Act in respect of weekly earnings of an amount equal to the upper earnings limit for the time being; and the expression "contributions at the maximum reduced rate" shall be construed accordingly.

Calculation of earnings

16. For the purposes of earnings-related contributions the amount of a person's earnings shall, subject to the provisions of the next succeeding regulation, be calculated on the basis of that person's gross earnings from the employment, or, as the case may be, employments concerned.

Payments to be disregarded

17.—(1) For the purposes of earnings-related contributions, there shall be excluded from the computation of a person's earnings in respect of any employed earner's employment any payment in so far as is it—

- (a) a payment on account of a person's earnings in respect of such employment and comprises or represents, and does not exceed in amount, sums which have previously been included in his earnings for the purposes of his assessment of earnings-related contributions;
- (b) a payment in respect of a period of holiday, where the sum paid is derived directly or indirectly from a fund to which more than one secondary contributor contributes and the management and control of which are not vested in those secondary contributors, or where the person making the payment is entitled to be reimbursed from such a fund;
- (c) a payment of or in respect of a gratuity or offering—
 - (i) where the payment is not made directly or indirectly by the secondary contributor and the sum paid does not comprise or represent sums previously paid to the secondary contributor; or
 - (ii) where the payment is not directly or indirectly allocated by the secondary contributor to the earner;
- (d) any payment in kind or by way of the provision of board or lodging or of services or other facilities;
- (e) a payment made to or by trustees, where—
 - (i) in the case of a payment to trustees, the share thereof which that person is entitled to have paid to him; or

(ii) in the case of a payment made by trustees, the amount to be so paid;

is or may be dependent upon the exercise by the trustees of a discretion or the performance by them of a duty arising under the trust;

(f) any payment of earnings in respect of employed earner's employment which a secondary contributor is required to make under regulation 3(2)(e) of the Occupational Pension Schemes (Recognition of Schemes) (No. 2) Regulations 1973(a).

(2) Where goods or services are supplied by an earner in employed earner's employment and earnings paid to or for the benefit of that earner in respect of that employment include the remuneration for the supply of those goods or services, and on that supply value added tax is chargeable, there shall, for the purposes aforesaid, be excluded from the calculation of those earnings an amount equal to the value added tax so chargeable.

(3)(a) Subject to the provisions of sub-paragraph (b) of this paragraph, where, by an arrangement approved by the Secretary of State for the purposes of this provision and made between an employed earner and his secondary contributor, the earner draws pay unabated by any deduction as on account of a specified benefit for a period in respect of which under the arrangement he has undertaken not to claim such benefit, there shall, for the purposes of computing his and the secondary contributor's liability for earnings-related contributions, be excluded from the computation of earnings in each earnings period in which such deduction would have been made but for the arrangement a sum equal to the specified benefit which would have been payable if the employed earner had claimed it and in respect of which such deduction would have been made.

(b) In this paragraph—

(i) "earnings" means the earnings paid to or for the benefit of the earner in respect of employed earner's employment;

(ii) "specified benefit" means sickness benefit, invalidity benefit, maternity allowance or, as the case may be, injury benefit.

(4) For the avoidance of doubt, in the calculation of earnings paid to or for the benefit of an earner in employed earner's employment, there shall be disregarded—

(a) any payment by way of a redundancy payment;

(b) any specific and distinct payment of, or contribution towards, expenses actually incurred by an employed earner in carrying out his employment.

Abnormal pay practices

18.—(1) The provisions of this regulation shall not apply for the purpose of any decision of the Secretary of State in so far as that decision relates to contributions based on payments made more than one year before the beginning of the year in which that decision is given.

(2) With a view to securing that liability for the payment of earnings-related contributions is not avoided or reduced by a secondary contributor following in

(a) S.I. 1973/1854 (1973 III, p. 6391).

the payment of earnings any practice which is abnormal for the employment in respect of which the earnings are paid (hereinafter referred to as an "abnormal pay practice"), the Secretary of State may, if he thinks fit, determine any question relating to a person's earnings-related contributions where any such practice has been or is being followed, as if the secondary contributor concerned had not followed any abnormal pay practice, but had followed a practice or practices normal for the employment in question.

(3) With the view aforesaid the Secretary of State, in any case in which he has reason to believe that any abnormal pay practice has been or is being followed, may determine any such question, if he is satisfied that it ought properly to be so determined, as if application had been duly made to him for the determination thereof.

Practices avoiding or reducing liability

19. Without prejudice to the foregoing regulation, the Secretary of State may, where he is satisfied as to the existence of any practice in respect of the payment of earnings whereby the incidence of earnings-related contributions is avoided or reduced by means of irregular or unequal payments, give directions for securing that such contributions are payable as if that practice were not followed.

PART III

EXCEPTION FROM LIABILITY FOR CLASS 2 CONTRIBUTIONS, AND PROVISIONS RELATING TO CLASS 3 CONTRIBUTIONS, APPROPRIATION, REALLOCATION AND REFUND OF CONTRIBUTIONS (OTHER THAN CLASS 4 CONTRIBUTIONS)

Exception from liability for Class 2 contributions

20.—(1) Subject to the following provisions of this regulation, a self-employed earner shall be excepted from liability to pay a Class 2 contribution for any contribution week—

- (a) in respect of the whole of which the earner is in receipt of sickness benefit, invalidity benefit, injury benefit, or unemployment supplement;
- (b) throughout the whole of which the earner is incapable of work;
- (c) in respect of which the earner is in receipt of maternity allowance; or
- (d) throughout the whole of which he is undergoing imprisonment or detention in legal custody.

(2) For the purposes of the foregoing provision, in computing the period of a contribution week—

- (a) subject to the provisions of the next succeeding sub-paragraph, Sunday shall be disregarded;
- (b) in the case of a self-employed earner who objects on religious grounds to working on a specific day in each contribution week other than Sunday, and does not object to working on Sunday, that specific day shall be disregarded instead of Sunday.

(3) Where under the foregoing provisions of this regulation, a self-employed earner is excepted from liability to pay a Class 2 contribution for any contribution week, that earner shall, subject to the provisions of Part IV of these regulations (late paid and unpaid contributions), be entitled, if he so wishes, to pay a contribution for that week.

Applications for, and duration and cancellation of, certificates of exception

21.—(1) A self-employed earner who desires to be excepted from liability to pay Class 2 contributions by virtue of the provisions of section 7(5) of the Act (exception from such liability for class 2 contributions on grounds of small earnings) shall make an application for that purpose to the Secretary of State who, if he grants the application, shall issue to the applicant a certificate of exception.

(2) Any such application and certificate shall be in such form as may for the time being be approved by the Secretary of State.

(3) An applicant for, and a holder of, a certificate of exception shall furnish to the Secretary of State such information and evidence relating to his earnings as the Secretary of State may require on the making of the application and from time to time thereafter.

(4) Subject to the conditions specified in paragraph (5) of this regulation, a certificate of exception shall be in force for such period as may be specified therein.

(5) The conditions referred to in the preceding paragraph of this regulation are that:—

(a) if any condition attached to the issue or continuation in force of the certificate is not, or ceases to be, fulfilled, the certificate shall cease to be in force as from the date of such non-fulfilment or cessation, and the holder shall forthwith notify the Secretary of State to that effect;

(b) the period specified in the certificate may, at the discretion of the Secretary of State, commence on such date not earlier than 13 weeks before the date on which the application therefore was made as the Secretary of State may consider appropriate to the circumstances of the case.

(6) The holder of a certificate of exception—

(a) shall, when called upon to do so by an officer of the Department of Health and Social Security or an officer of the Commissioners of Inland Revenue acting on behalf of that Department, produce the certificate for the officer's inspection;

(b) shall, if at any time he desires the certificate to be cancelled, give notice in writing to the Secretary of State, whereupon the certificate shall cease to be in force from such date as the Secretary of State may determine.

Earnings for the purposes of certificates of exception

22.—(1) For the purposes of section 7(5) of the Act (exception from liability for Class 2 contributions on account of small earnings) the earnings of an applicant for a certificate of exception shall, in respect of any particular year, be

treated as less than the amount specified in that section, if it is shown to the satisfaction of the Secretary of State—

- (a) that in the year preceding the particular year, the earnings of the applicant were less than the amount so specified for the preceding year and that there has since been no material change of circumstances; or
- (b) that in the particular year the earnings of the applicant are expected to be less than the specified amount.

(2) For the purposes of this regulation, “earnings” means the applicant’s net earnings from employment as a self-employed earner.

Certificates of exception—exception from liability for, and entitlement to pay, Class 2 contributions

23. In respect of any contribution week during the whole of which there is in force a certificate of exception in relation to a self-employed earner, that earner—

- (a) shall be excepted from liability to pay a Class 2 contribution; but
- (b) shall, subject to the provisions of Part IV of these regulations (late paid and unpaid contributions), be entitled to pay such a contribution if he so wishes.

Class 3 contributions

24.—(1) Subject to the provisions of section 8(2) of the Act (Class 3 contributions only payable for purposes of satisfying certain contribution conditions) and the following provisions of this regulation, any person who is over school-leaving age and fulfils the conditions as to residence or presence in Great Britain prescribed in regulation 113 of these regulations, may, if he so wishes, pay Class 3 contributions.

(2) It shall be a condition of a person’s right to pay a Class 3 contribution that he—

- (a) complies with the provisions of Part V of these regulations in so far as they are applicable to persons paying such a contribution; and
- (b) complies with either of the two conditions specified in the next succeeding paragraph of this regulation.

(3) The conditions referred to in the last preceding paragraph of this regulation are that the person specified in paragraph (1) of this regulation shall either—

- (a) pay the contribution before the end of the year in respect of which it is paid; or
- (b) subject to the provisions of the next succeeding regulation and of Part IV of these regulations (late paid and unpaid contributions) pay the contribution—
 - (i) before the end of the 2nd year following the year in respect of which it is paid; or
 - (ii) where the year in respect of which it is paid includes a period of at least 6 months throughout which the contributor has been undergoing full-time education, or full-time apprenticeship or training for which, in either case, any earnings are less than the lower earnings limit, or has been undergoing imprisonment or

detention in legal custody, before the end of the 6th year following the year in which the education, or apprenticeship or training, or imprisonment or detention terminated.

Class 3 contributions not paid within prescribed periods

25. Where a person was entitled to pay a contribution under the provisions or regulation 24 of these regulations (Class 3 contributions) but he failed to pay that contribution in the period provided for payment in the said provision applicable and his failure is shown to the satisfaction of the Secretary of State to be attributable to ignorance or error on his part which was not due to any failure on his part to exercise due care and diligence, that contribution may be paid within such further period as the Secretary of State may direct.

Appropriation of Class 3 contributions

26. Any person paying Class 3 contributions in one year may appropriate such contributions to the earnings factor of another year if such contributions are payable in respect of that other year or in the absence of any such appropriation the Secretary of State may with the consent of the contributor and subject to the same condition make such appropriation.

Disposal of contributions not properly paid

27. Where contributions (other than Class 4 contributions) are paid which are of the wrong class, or at the wrong rate, or of the wrong amount, the Secretary of State may treat them as paid on account of contributions properly payable under the Act.

Return of contributions

28.—(1) Subject to the provisions of regulations 27 and 30 of these regulations and the following provisions of this regulation, where there have been paid in error by a person or a secondary contributor (if any) any contributions (other than Class 4 contributions), or there has been any payment of contributions in excess of the amount prescribed in regulation 15 of these regulations (annual maximum), such contributions shall, unless the net amount of the contributions (other than Class 3 contributions) to be returned does not exceed in value £0.50, be returned by the Secretary of State to that person or the secondary contributor, as the case may require, if application to that effect is made in writing to the Secretary of State within the time specified in paragraph (4) of this regulation.

(2) Where an application under this regulation has been made for the return of contributions paid in excess of the amount prescribed in the said regulation 15, any Class 2 contributions paid in that year shall be returned in priority to any primary Class 1 contributions which may have been paid at the standard rate, and any primary Class 1 contributions paid in that year at the reduced rate shall be returned in priority to any Class 2 contributions which may have been paid.

(3) Contributions paid in error by a secondary contributor on behalf of any person and not recovered from him may be returned to the secondary contributor instead of to that person, but if so recovered may be returned to that person, or, with his consent in writing, to the secondary contributor.

(4) A person desiring to apply for the return of any contribution paid in error shall make the application in such form and in such manner as the Secretary of State may from time to time determine, and within the period of 6 years from the end of the year in which the contribution was paid or, if the Secretary of State is satisfied that the person making the application had good cause for not making it within the said period, within such longer period as the Secretary of State may allow.

(5) In this regulation the word "error" means, and means only, an error which—

- (i) is made at the time of the payment, and
- (ii) relates to some present or past matter.

Special provisions for return of Class 3 contributions

29.—(1) Subject to the provisions of regulations 27 and 30 of these regulations and the following provisions of this regulation—

- (a) where after taking into account any Class 1, Class 2 and Class 3 contributions paid by, or credited to, a contributor in respect of any year the earnings factor derived from those contributions is less than 25 times that year's lower earnings limit, the Secretary of State—
 - (i) shall refund to the contributor the Class 3 contributions paid; but,
 - (ii) except on the application of the contributor, shall not make the refund before the expiry of the 2 year period specified in sub-paragraph (b)(i), or as the case may be, the 6 year period specified in sub-paragraph (b)(ii), of regulation 24(3) of these regulations;
- (b) in any other case, where Class 3 contributions paid by a contributor are insufficient to provide any entitlement or additional entitlement to benefit, the Secretary of State shall, on application of the contributor, return those contributions to the contributor.

(2) Any person wishing to claim a refund of contributions such as is referred to in sub-paragraph (a)(i) of the foregoing paragraph shall make written application therefor to the Secretary of State, and such application and any application such as is mentioned in sub-paragraphs (a)(ii) and (b) of that paragraph shall be made in such manner as the Secretary of State shall approve.

(3) For the purposes of section 8(3) of the Act (repayment of excess Class 3 contributions) a Class 3 contribution shall not be repaid if it causes a contributor's earnings factor to exceed the figure of 50 times that year's lower earnings limit for Class 1 contributions by an amount which is less than half that lower earnings limit.

Calculation of return of contributions

30. In calculating the amount of any return of contributions to be made under either regulation 28 or regulation 29 of these regulations, there shall be deducted—

- (a) the amount of any contributions which has under the provisions of regulation 27 of these regulations been treated as paid on account of other contributions; and
- (b) in the case of such contributions paid in error in respect of any person, the amount, if any, paid to that person (and to any other person on the basis of that error) by way of contributory benefit which would not

have been paid had the contributions (in respect of which an application for their return is duly made in accordance with paragraph (4) of regulation 28 of these regulations) not been paid in the first instance.

Crediting of Class 3 contributions

31. Where for any year a contributor's earnings factor derived from Class 1 contributions, Class 2 contributions or Class 3 contributions (or any or all of such contributions) paid by, or credited to him, falls short of a figure which is 50 times that year's lower earnings limit for Class 1 contributions by an amount which is equal to or less than half that year's lower earnings limit, that contributor shall be credited with a Class 3 contribution for that year, so however that such contribution shall not be taken into account for the purposes of regulation 29(3) of these regulations.

Reallocation of contributions for benefit purposes

32. Where any payment of earnings is made in one year which, but for the provisions of paragraph (3) of regulation 5 of these regulations, would by virtue of that regulation have been treated as paid at an interval falling within another year, the contributions paid in respect of those earnings shall, on the application of the employed earner, be treated, for the purposes of entitlement to benefit, as paid in respect of that other year.

PART IV

LATE PAID AND UNPAID CONTRIBUTIONS

Treatment for purpose of contributory benefit of late paid contributions under the Act

33.—(1) Subject to the provisions of regulations 34, 35 and 36 of these regulations, the following provisions of this regulation shall, for the purpose of entitlement to contributory benefit, apply to contributions (other than Class 4 contributions) paid after the due date.

(2) Subject to the provisions of the next succeeding paragraph, for the purpose of any entitlement to such benefit, any such contribution—

- (a) if paid after the end of the second year following the year in which liability for that contribution arises, or, in the case of a contribution which a person is entitled, but not liable, to pay, following the due date for that contribution, shall be treated as not paid;
- (b) if paid before the end of the said second year, shall, subject to paragraphs (5) and (6) of this regulation, be treated as paid on the date on which payment of the contribution is made.

(3) For the purpose aforesaid, any such contribution, being a Class 3 contribution, which is payable by a person to whom regulation 24(3)(b)(ii) of these regulations applies in respect of a year which includes a period of education, apprenticeship, training, imprisonment or detention in legal custody such as is specified in that regulation—

- (a) if paid after the end of the 6th year specified in that regulation, shall be treated as not paid;
- (b) if paid before the end of the said 6th year shall, subject to the provisions of paragraphs (5) and (6) of this regulation, to be treated as paid on the date on which payment of the contribution is made.

(4) Notwithstanding the provisions of the last preceding paragraph, for the purpose of entitlement to any particular contributory benefit where a Class 3 contribution, which is payable in respect of a year specified in that paragraph, is paid after the due date and after the end of the second year following the year preceding that in which occurred the relevant time for the purposes of Schedule 3 to the Act (contribution conditions for entitlement to benefit) or, as the case may be, the date on which the person concerned attained pensionable age or died under that age or, in the case of entitlement to death grant, the death which gave rise to the claim for that grant, that contribution shall for the purpose of entitlement to the particular benefit be treated as not paid.

(5) Notwithstanding the provisions of paragraphs (2) and (3) of this regulation any such contribution as is specified in paragraph (1) of this regulation shall, in determining whether the relevant contribution conditions are satisfied in whole or in part for the purpose of entitlement to any benefit specified in that paragraph, be treated—

- (a) for the purpose of entitlement in respect of any period before the date on which the payment of the contribution is made—as not paid; and
- (b) subject to the provisions of the next succeeding paragraph, for the purpose of any entitlement to such benefit in respect of any other period—as paid on the date on which the payment of the contribution is made.

(6) For the purpose of entitlement to unemployment benefit, sickness benefit or maternity allowance, any such contribution as is specified in the said paragraph (1) shall, for the purpose of determining whether the second contribution condition for such benefit is satisfied in whole or in part, be treated—

- (a) if paid before the beginning of the relevant benefit year—as paid on the due date;
- (b) if paid after the end of the benefit year immediately preceding the said relevant benefit year—as not paid in relation to the benefit claimed in respect of any day before the expiry of a period of 42 days (including Sundays) from and including the date on which the payment of that contribution is made, and, subject to the provisions of paragraph (2)(a) of this regulation as paid at the expiry of that period in relation to entitlement to such benefit in respect of any other period.

Treatment for the purpose of any contributory benefit of late paid or unpaid primary Class 1 contributions where there was no consent, connivance or negligence by the primary contributor

34. Where a primary Class 1 contribution which is payable on a primary contributor's behalf by a secondary contributor is paid after the due date or is not paid, or in relation to any claim for unemployment benefit, sickness benefit, maternity grant or maternity allowance, is not paid before the relevant time for such benefit, and the delay or failure in making payment thereof is shown to the satisfaction of the Secretary of State not to have been with the consent or connivance of, or attributable to any negligence on the part of, the primary contributor, the primary contribution shall be treated—

- (a) for the purpose of the first contribution condition of entitlement to unemployment benefit, sickness benefit, maternity grant or maternity allowance—as paid on the day on which payment is made of the earnings in respect of which the contribution is payable; and
- (b) save as aforesaid, for the purpose of any entitlement to contributory benefit—as paid on the due date.

Voluntary Class 2 contributions not paid within permitted period

35. Where a person who is entitled, but not liable, to pay a Class 2 contribution fails to pay that contribution within the period within which it may be paid, and his failure is shown to the satisfaction of the Secretary of State to be attributable to ignorance or error on the part of that person which was not due to any failure on his part to exercise due care and diligence, that contribution may be paid within such further period as the Secretary of State may direct.

Treatment for the purpose of any contributory benefit of contributions under the Act paid late through ignorance or error

36. In the case of a contribution (other than a Class 4 contribution) paid by or in respect of a person after the due date, where—

- (a) the contribution is paid after the time when it would, under the preceding provisions of this Part of these regulations, have been treated as paid for the purpose of entitlement to contributory benefit, and
- (b) it is shown to the satisfaction of the Secretary of State that the failure to pay the contribution before that time is attributable to ignorance or error on the part of that person or the person making the payment and that that ignorance or error was not due to any failure on the part of such person to exercise due care and diligence,

the Secretary of State may direct that for the purposes of the preceding provisions of this Part of these regulations the contribution shall be treated as paid on such earlier day as the Secretary of State may consider appropriate in the circumstances, and those provisions shall have effect subject to any such direction.

Payment of contributions after death of contributor

37. If a person dies, any contributions which, immediately before his death he was entitled, but not liable, to pay, may be paid, notwithstanding his death, subject, however, to the same provisions with respect to the time for payment as were applicable to that person.

PART V

COLLECTION OF CONTRIBUTIONS (OTHER THAN CLASS 4
CONTRIBUTIONS) AND RELATED MATTERS*Application for allocation of national insurance number*

38.—(1) Subject to the provisions of paragraph (2) of this regulation, every person, who is over school-leaving age and satisfies the conditions prescribed in regulations 78 or 113 of these regulations (conditions as to residence or presence in Great Britain), shall, unless he has already been allocated a national insurance number under the Act or under the former principal Act, apply to the Secretary of State for the allocation of a national insurance number and shall make such application at such time and in such manner as the Secretary of State shall direct.

(2) As respects any person who is neither an employed earner nor a self-employed earner the provisions of paragraph (1) of this regulation shall not apply unless and until that person wishes to pay a Class 3 contribution.

(3) The Secretary of State may authorise arrangements for the allocation of a national insurance number to any person within 12 calendar months before that person reaches school-leaving age, and in particular may direct that a person who will attain school-leaving age within 12 calendar months after such direction shall apply for the allocation of a national insurance number before attaining school-leaving age, and any such person shall accordingly comply with such direction.

Notification of national insurance numbers to secondary contributors

39. Every employed earner, in respect of whom any person is liable to pay an earnings-related contribution, shall, on request, supply his national insurance number to that person.

Collection and recovery of earnings-related contributions

40. Subject to the provisions of the next succeeding regulation earnings-related contributions shall be paid, accounted for and recovered in like manner as income tax deducted from the emoluments of an office or employment by virtue of regulations under section 204 (pay as you earn) of the Income and Corporation Taxes Act 1970(a); and in such case the provisions contained in Schedule 2 to these regulations, (which, with extensions and modifications, are provisions of the Income Tax (Employments) Regulations 1973(b)) shall apply to and for the purpose of earnings-related contributions.

Direct collection and recovery of earnings-related contributions

41. The Secretary of State may, if he thinks fit, and subject to such terms and conditions as he may impose, authorise any arrangements whereby earnings-related contributions are paid at times, or in a manner, other than those prescribed in the last preceding regulation; and the provisions of that regulation shall be without prejudice to any remedy otherwise available for the recovery of earnings-related contributions.

Special provisions relating to culpable primary contributors and to secondary contributors or, as the case may be, employers exempted by treaty etc., from enforcement of the Act or from liability under it

42.—(1) As respects any employed earner's employment—

- (a) where there has been a failure to pay any primary contribution which a secondary contributor is, or but for the provisions of this regulation would be, liable to pay on behalf of the earner and the failure was due to an act or default of the earner and not to any negligence on the part of the secondary contributor, or
- (b) where the secondary contributor is a person against whom, by reason of any international treaty or convention such as is specified in Regulation 50(1) of Schedule 2 to these regulations (provisions for direct payment), the provisions of the Act are not enforceable and who is willing to pay on behalf of the earner any contribution due in respect of earnings paid to or for the benefit of the earner in respect of that employment,

the provisions of paragraph 3(1) of Schedule 1 to the Act, (method of paying Class 1 contributions) shall not apply in relation to that contribution.

(a) 1970 c. 10.

(b) S.I. 1973/334 (1973 I, p. 1147).

(2) Where as respects any employed earner's employment the employer is a person who by reason of any such international treaty or convention as aforesaid is exempt from the provisions of the Act, he may, if he so wishes, pay contributions in respect of any earnings paid to or for the benefit of the earner in respect of the employment to the same extent to which he could have paid such contributions if he had not been so exempt.

(3) In this regulation the word "employer" has the same meaning as it has in the said Regulation 50(1).

Provisions as to application for, and custody of, contribution cards etc.

43.—(1) Every person to whom this regulation applies—

- (a) shall apply to the Secretary of State for a contribution card, and shall obtain such card on such occasions and in such manner as the Secretary of State shall direct;
- (b) on his obtaining or on the return to him of a contribution card in accordance with these regulations shall be responsible for its custody until it is delivered or redelivered to a local office or retained by an inspector in accordance with the provisions of these regulations;
- (c) while responsible for the custody of the contribution card in accordance with these regulations, shall produce it for inspection at any reasonable time when requested to do so by an inspector, who may, if he thinks fit, retain it;
- (d) shall, before the return of his contribution card in pursuance of regulation 44(2) or 45(2) of these regulations, insert thereon his then present address in the place indicated for that purpose on the contribution card;
- (e) shall, if his contribution card is destroyed or lost, or is defaced in any material particular, apply to the Secretary of State for a new contribution card, and shall obtain such card, in such manner as the Secretary of State shall direct.

(2) When, pursuant to paragraph (1)(c) of this regulation, the inspector retains any stamped contribution card, he shall give a receipt for it.

(3) This regulation applies to any person, other than a person for whom arrangements have been approved under the provisions of regulation 46(3)(a) of these regulations, who is liable to pay a Class 2 contribution or who, being entitled, although not liable, to pay a Class 2 contribution, or who being entitled to pay a Class 3 contribution, wishes in either of the last two cases to do so.

Issue and currency of contribution cards

44.—(1) A contribution card shall be issued without charge to a person properly applying therefor and, when issued, shall remain the property of the Secretary of State.

PART VII

CLASS 4 CONTRIBUTIONS

Exception from Class 4 liability of persons more than 5 years over pensionable age and persons not resident in the United Kingdom

50. Any earner, who—

- (a) at the beginning of a year of assessment is more than 5 years over pensionable age; or
- (b) for the purposes of income tax is not resident in the United Kingdom in the year of assessment,

shall be excepted from liability for contributions under section 9(1) of the Act (Class 4 contributions).

Exception of persons under the age of 16 and of certain persons over pensionable age but under the age of 65 (women) and 70 (men) from liability for Class 4 contributions

51.—(1) Where as respects any year of assessment a person to whom this regulation applies wishes to be excepted from liability to pay contributions under section 9(1) of the Act (Class 4 contributions) for that year, the following provisions of this regulation shall apply, subject to the provisions of regulations 55 and 56 of these regulations (certificates of exception from, and deferment of, Class 4 liability and revocation of such certificates).

(2) Any such person shall make application to the Secretary of State for a certificate of exception for that year.

(3) If it is shown to the satisfaction of the Secretary of State that the applicant is a person to whom this regulation applies and the application is made before

(a) 1891 c. 38.

(b) 1953 c. 36.

the beginning of the year of assessment to which it relates, the Secretary of State shall issue in respect of the applicant such a certificate of exception for that year.

(4) If the application is not made until after the beginning of the year of assessment to which it relates, but is made before contributions under the said section 9(1) for that year become due and payable and it is shown to the satisfaction of the Secretary of State that the applicant is a person to whom this regulation applies, the Secretary of State may, with the agreement of the Inland Revenue (whether given generally or in the individual case), issue in respect of the applicant a certificate of exception for that year.

(5) Where under the foregoing provisions of this regulation a certificate of exception has been issued in respect of an applicant for any year of assessment, the Inland Revenue shall not collect any contributions under the said section 9(1) from the applicant for that year.

(6) This regulation applies to any person who at the beginning of the year of assessment—

- (a) is under the age of 16; or
- (b) is over pensionable age but under the age of 65 (in the case of a woman) or 70 (in the case of a man) and either
 - (i) has retired from regular employment; or
 - (ii) has not retired from regular employment but does not satisfy the contribution conditions for a category A retirement pension or as to whom the requirements of neither (a) nor (b) of section 28(2) of the Act (special retirement pension conditions for married women) are satisfied.

Exception from Class 4 liability by reference to Class 1 contributions paid on earnings chargeable to income tax under Schedule D

52.—(1) Subject to the provisions of paragraph (2) of this regulation, where in respect of earnings paid in any year of assessment an earner has paid Class 1 contributions and those earnings are chargeable to income tax under Schedule D, he shall be excepted from liability to pay contributions under section 9(1) of the Act (Class 4 contributions) on so much of his profits or gains for that year of assessment as exceed the smaller of the two money sums specified in section 9(2) of the Act and do not exceed the greater of those two money sums and equal—

- (a) in the case of an earner who has paid such Class 1 contributions at the standard rate, the value of the Class 1 contributions so paid, multiplied by 100 and divided by the higher of the two figures specified in section 4(6)(a) of the Act;
- (b) in the case of an earner who has paid such Class 1 contributions at the reduced rate, the value of the Class 1 contributions so paid, multiplied by 100 and divided by the lower of the two figures specified in the said section 4(6)(a).

(2) It shall be a condition of such exception from liability that the earner makes application therefor to the Secretary of State before the beginning of the year of assessment to which the application relates, or before such later date as the Secretary of State, with the agreement of the Inland Revenue (whether given generally or in the individual case), may allow.

(3) Any such application shall be made in such manner as the Secretary of State may direct and, for the purpose of enabling the Secretary of State to determine whether the earner is entitled to the said exception, the earner shall furnish the Secretary of State with such information and evidence as the Secretary of State may, at the time of the application or thereafter, require.

(4) Without prejudice to the earner's right to any such exception, nothing in the foregoing provisions of this regulation shall prejudice the Secretary of State's powers under the next succeeding regulation to defer, pending the determination of the application, the earner's said liability under section 9(2) of the Act.

Deferment of Class 4 liability where such liability is in doubt

53. Where as respects any year of assessment it appears to the Secretary of State that, by virtue of the provisions of this Part of these regulations, there is doubt as to the extent, if any, of an earner's liability to pay contributions under section 9(1) of the Act (Class 4 contributions) for that year or that at the date on which any application under the next succeeding regulation (application for deferment of Class 4 liability) is made it is not possible to determine whether having regard to the provisions of these regulations the earner is or will be liable to pay such contributions for that year, the Secretary of State may issue in respect of the earner a certificate of deferment deferring that earner's liability for such contributions until such later date as the Secretary of State may direct.

Application for deferment of Class 4 liability

54.—(1) If a person wishes his liability to pay contributions under section 9(1) of the Act (Class 4 contributions) for any year of assessment to be deferred, he shall make application therefor to the Secretary of State.

(2) Any such application shall—

(a) be made before the beginning of that year or before such later date as the Secretary of State, with the agreement of the Inland Revenue (whether given generally or in the individual case), may allow; and

(b) be subject to the provisions of the next two succeeding regulations.

General conditions for application for, and issue of, certificates of exception and deferment

55.—(1) Any application made under any of the foregoing provisions of this Part of these regulations for a certificate of exception from, or deferment of, liability to pay contributions under section 9(1) of the Act (Class 4 contributions) for any particular year of assessment shall be made in such form and in such manner as the Secretary of State may approve.

(2) Any such certificate shall be in such form as may for the time being be approved by the Secretary of State with the agreement of the Inland Revenue.

(3) Any person making such application shall furnish, or cause to be furnished, to the Secretary of State such information or evidence as the Secretary of State may require for the purpose of enabling him to determine whether such a certificate should be issued in respect of that person.

(4) On the issue of such a certificate the person in respect of whom the certificate is issued shall, subject to the provisions of the next succeeding paragraph of this regulation, be excepted from liability to pay the contributions to which the certificate relates or, as the case may be, his liability for such payment shall, subject as aforesaid, be deferred.

(5) If for the purpose of obtaining a certificate of exception or deferment the person making the application furnishes or causes to be furnished to the Secretary of State information which is erroneous, or fails to furnish or cause to be furnished to the Secretary of State information which is relevant, and but for such furnishing or failure the certificate would not have been issued for any particular year of assessment—

- (a) the Secretary of State may revoke the certificate in so far as it relates to that year, and
- (b) the person who made the application shall be liable to pay contributions under the said section 9(1) for that year to the extent to which he would have been so liable if the certificate had not been issued.

Revocation of certificates of exception and deferment

56. Where under the provisions of paragraph (5)(a) of the last preceding regulation the Secretary of State revokes a certificate of exception or deferment—

- (a) the Secretary of State and not the Inland Revenue shall be responsible for calculating the contributions due under section 9(1) of the Act for the year specified in paragraph (5)(b) of that regulation (being the current or a past year) and for the collection of those contributions;
- (b) the applicant shall—
 - (i) furnish, or cause to be furnished, to the Secretary of State all such information or evidence as the Secretary of State may require for the purpose of calculating the said contributions, and,
 - (ii) within such period as the Secretary of State may direct, pay to the Secretary of State the contributions so calculated.

Calculation of liability for, and recovery of, Class 4 contributions after issue of certificate of deferment

57.—(1) Where a certificate of deferment has been issued in respect of any earner under the foregoing provisions of this Part of these regulations—

- (a) the profits or gains of that earner in respect of which contributions would be payable under section 9(1) of the Act (Class 4 contributions) but for the issue of the certificate of deferment shall be assessed under the Income Tax Acts for each year to which the certificate relates in all respects as if no such certificate had been issued, provided that (without prejudice to the validity of the assessment of the amount of the earner's profits or gains and his right of appeal against that assessment) no figure representing contributions payable shall be shown in any such assessment or on any notice of such assessment nor shall any of the provisions of the Income Tax Acts (as applied or modified by section 9(3) of and Schedule 2 to the Act) as to collection, repayment or recovery apply to any such assessment;

(b) the Secretary of State shall be responsible for the calculation, administration and recovery of Class 4 contributions ultimately payable in respect of the profits or gains so assessed for any year of assessment to which the certificate of deferment relates.

(2) Any such calculation shall be subject to the provisions of regulation 52 of these regulations (exception from Class 4 liability by reference to Class 1 contributions paid on earnings chargeable to income tax under Schedule D) and of regulation 58 thereof (annual maximum of Class 4 contributions) and for the purpose of the said calculation where the total amount of the profits or gains for any year of assessment to which the said certificate relates includes a fraction of £1·00, that fraction shall be disregarded.

(3) For the purpose of enabling the Secretary of State to make the said calculation, the Inland Revenue shall, subject to the limitation imposed by the provisions of section 9(9) of the Act (certification by the Inland Revenue of a person's profits or gains, but no such certificate to relate to a person's profits or gains so far as they exceed the higher of the two money sums specified in section 9(2) of the Act) and to the provisions of the next succeeding paragraph, at the request of the Secretary of State certify to the Secretary of State and the earner the amount of that earner's profits or gains (as computed under Schedule 2 to the Act) for each such year.

(4) Notwithstanding the provisions of the last preceding paragraph, the Inland Revenue shall not be required to certify the said amount unless the assessment made under this regulation has become final and conclusive or, if an appeal is pending against the said assessment—

- (a) the Inland Revenue and the earner have come to an agreement, whether in writing or otherwise; or
- (b) it appears to the General Commissioners or the Special Commissioners within the meaning of the Income Tax Acts, as the case may be,

that the amount of the earner's profits or gains so computed is not less than the higher of the two money sums specified in section 9(2) of the Act.

(5) The Secretary of State on making the said calculation shall give notice to the earner of the amount of the contributions due from him under section 9(1) of the Act for each year to which the certificate of deferment relates.

(6) The earner shall thereupon pay to the Secretary of State those contributions within the period of 28 days from the receipt of the notice from the Secretary of State, unless before the expiry of that period the earner—

- (a) has appealed out of time or made a claim or appealed against the decision on a claim made under the Income Tax Acts on any matter concerning the amount of the profits or gains certified as aforesaid and has notified the Secretary of State accordingly; or
- (b) has raised a question under section 93(1)(b) of the Act (Secretary of State's questions) relating to those contributions.

(7) If the amount of any assessment made under this regulation for any year is altered for any reason, or if a further assessment is made in respect of that year, subsequently to the certification by the Inland Revenue of the amount of an earner's profits or gains computed in accordance with the provisions of this regulation and that alteration or further assessment affects the amount of

the earner's profits or gains so computed the Inland Revenue shall forthwith, or in the case of a further assessment when that further assessment has become final and conclusive, certify to the Secretary of State and the earner the altered amount of the earner's profits or gains.

Annual maximum of Class 4 contributions due under section 9(1) of the Act

58. Where for any year there are payable by or in respect of an earner Class 4 contributions under section 9(1) of the Act and also primary Class 1 or Class 2 contributions or both primary Class 1 and Class 2 contributions, the liability of that earner for such Class 4 contributions for that year shall (without prejudice to his liability in the first instance for the full amount payable apart from this regulation) not exceed such amount as, when added to the amount of such other of the said contributions as are ultimately payable by or in respect of him for that year, equals in value the sum of the amount which, but for the provisions of this regulation, would be payable by that earner on profits or gains equal to the higher of the two money sums specified in section 9(2) of the Act and 53 times the amount of a Class 2 contribution payable for that year.

Disposal of Class 4 contributions under section 9(1) of the Act which are not due

59. Where for any year of assessment any payment is made by an earner as on account of contributions under section 9(1) of the Act (Class 4 contributions) and

- (a) a certificate of exception is issued for that year, or would have been so issued if application had been made therefor before the beginning of that year; or
- (b) that payment is made in error in circumstances in which the contributions so paid do not fall to be refunded by the Inland Revenue; or
- (c) the payment is in excess of the amount which, subject to any exception under regulation 52 of these regulations, is due from that earner for that year or would have been so due if application for exception had been made under that regulation before the beginning of that year; or
- (d) the payment is in excess of the amount calculated in accordance with the last preceding regulation (annual maximum);

the Secretary of State may treat that payment as made on account of other contributions properly payable by that person under the Act.

Repayment of Class 4 contributions under section 9(1) of the Act which are not due

60.—(1) Subject to the following provisions of this regulation, any payment such as is specified in the last foregoing regulation shall, except in so far as it is, under that regulation, treated by the Secretary of State as made on account of contributions under the Act, be repaid by the Secretary of State to the earner, unless the net amount of such repayment would not exceed in value £0.50.

(2) It shall be a condition of the said repayment that—

- (a) the earner makes application for the said repayment in such form and in such manner as the Secretary of State may determine, and
- (b) the said application is made within a period of 6 years from the end of the year of assessment in respect of which the payment was made or within a period of 2 years from the end of the year in which the payment was made.

Class 4 liability of earners treated as self-employed earners who, but for such treatment, would be employed earners

61.—(1) Subject to the following provisions of this regulation and to the provisions of regulation 66 of these regulations (annual maximum of special Class 4 contributions), where—

- (a) an earner, in respect of any one or more employments of his, is treated by regulations under section 2(2)(b) of the Act (treatment of a person in employment of any prescribed description as falling in one or other of the categories of earner) as being self-employed; and
- (b) in any year he has earnings from any such employment (one or more) which fall within section 7(4)(b)(i) of the Act (higher weekly rate of Class 2 contributions), but is not liable for a higher weekly rate of Class 2 contributions by virtue of regulations under subsection (4) of the said section 7; and
- (c) those earnings are chargeable to income tax under Schedule E; and
- (d) the total of those earnings exceeds the sum specified in section 10(1)(c) of the Act,

he shall be liable, in respect of those earnings, to pay a Class 4 contribution (hereinafter in this Part of these regulations referred to as a special Class 4 contribution) of an amount equal to the percentage specified in subsection (1) of section 10 of the Act of so much of the total as exceeds the lower, and does not exceed the higher, of the money sums specified from time to time in that subsection.

(2) Any earner shall be excepted from liability for a special Class 4 contribution for any year at the beginning of which he is over pensionable age and either—

- (a) has retired from regular employment; or
- (b) has not retired from regular employment, but does not satisfy the contribution conditions for a category A retirement pension or as to whom the requirements of neither paragraph (a) nor (b) of section 28 (2) of the Act (special retirement pension conditions for married woman) are satisfied.

Notification of insurance number and recording of category letter on deduction card

62.—(1) Any earner to whom the last foregoing regulation applies shall, on request, notify his national insurance number to the person who pays him the earnings referred to in that regulation.

(2) The person who pays the said earnings shall record on the earner's deduction card the earner's national insurance number, and the appropriate category letter as indicated by the Secretary of State.

(3) In this regulation "deduction card" has the same meaning as in Schedule 2 to these regulations.

Calculation of earnings for the purposes of special Class 4 contributions

63. For the purpose of the calculation of an earner's liability for a special Class 4 contribution for any year—

- (a) the earnings of that earner for that year shall, subject to the provisions of paragraph (b) of this regulation, be calculated by the Secretary of

State on the basis that they are earnings to which regulations 16 and 17 of these regulations (calculation of earnings for the purposes of earnings-related contributions and payments to be disregarded) apply;

- (b) in the calculation of the earnings as aforesaid, if the total amount of the earnings for the year includes a fraction of £1·00, that fraction shall be disregarded.

Notification and payment of special Class 4 contributions due

64. The Secretary of State shall, subject to any other arrangements notified by him to the earner specified in the last preceding regulation, give notice to the earner of the special Class 4 contribution due from him for any year, and the earner shall pay that contribution to the Secretary of State within the period of 28 days from the receipt of the notice unless before the expiry of that period the earner has raised a question under section 93(1)(b) of the Act (Secretary of State's questions) relating to that contribution.

Recovery of deferred Class 4 and special Class 4 contributions after appeal, claim or further assessment under the Income Tax Acts or after the raising of a Secretary of State's question

65.—(1) Where the Secretary of State has been notified that there has been such a claim or appeal as is specified in regulation 57(6)(a) of these regulations (recovery of Class 4 contributions after deferment) or there has been raised such a question as is specified in regulation 57(6)(b) or in the last foregoing regulation or the Inland Revenue has certified in accordance with regulation 57(7) an altered amount of an earner's profits or gains—

- (a) the Secretary of State shall, as soon as may be after the prescribed time, give to the earner notice or, as the case may be, revised notice of such contributions as might, having regard to the final decision on the claim or appeal or, as the case may be, the final decision of the Secretary of State's question or the said altered amount of profits or gains, be due from the earner—
- (i) under section 9(1) of the Act (Class 4 contributions) for the year or years to which the certificate referred to in the said regulation 57 relates; or, as the case may be,
- (ii) by way of a special Class 4 contribution for the year to which the notice specified in the last foregoing regulation relates; and
- (b) the earner shall within 28 days of receipt of that notice pay to the Secretary of State the contribution or contributions specified in that notice.

(2) In this regulation the expression "prescribed time" means—

- (i) in the case of an appeal out of time, the date of the determination of the appeal;
- (ii) in the case of a claim or appeal against a decision on a claim made under the Income Tax Acts, the date on which the time for appealing against the decision on the claim expires, or the date of the determination of the appeal, whichever is the later;

- (b) in the case of a question being raised for decision by the Secretary of State, the date on which the time for appealing against that decision expires or the date of the determination of the appeal, whichever is the later;
- (c) in the case of an altered amount of profits or gains being certified by the Inland Revenue, the date on which they are so certified.

Annual maximum of special Class 4 contributions

66. Where for any year there are payable (or, but for the provisions of this regulation, there would be payable) by or in respect of an earner a special Class 4 contribution and also any contribution under section 9(1) of the Act (in this regulation referred to as "Class 4 contribution") or any primary Class 1 contribution or any Class 2 contribution, or any combination of such contributions, the maximum amount of the special Class 4 contributions payable for that year shall (without prejudice to the earner's liability in the first instance for the full amount payable apart from this regulation) not exceed in value—

- (a) in the case of a special Class 4 contribution and a Class 4 contribution, the amount (if any) equal to the difference between the maximum amount of a special Class 4 contribution for which provision is made in section 10(1) of the Act and the amount of the Class 4 contributions ultimately payable for that year; or, subject as aforesaid,
- (b) in any other case specified in this regulation (whether or not a Class 4 contribution is also payable), the amount (if any) equal to the difference between the maximum amount prescribed in regulation 58 of these regulations (annual maximum of Class 4 contributions) and the amount of such Class 4, primary Class 1 and Class 2 contributions as are ultimately payable for that year.

Disposal of special Class 4 contributions paid in excess or error

67. Where any payment has been made by a person as on account of a special Class 4 contribution and that payment has been made in excess of the amount prescribed under the last preceding regulation, or has been made in error, the Secretary of State may treat that payment as made on account of other contributions properly payable by that person under the Act.

Return of special Class 4 contributions paid in excess or error

68.—(1) Subject to the provisions of the last foregoing regulation and to the following provisions of this regulation, where any payment has been made by a person as on account of a special Class 4 contribution and that payment has been made in excess of the amount prescribed in regulation 66 of these regulations (annual maximum for special Class 4 contributions) or in error, that payment shall be returned by the Secretary of State to that person, unless the net amount to be returned does not exceed in value £0.50, if application is made in writing to the Secretary of State within the time specified in paragraph(3) of this regulation.

(2) In calculating the amount of any return of special Class 4 contributions to be made under the last preceding paragraph of this regulation there shall be deducted the amount (if any) treated under the last foregoing regulation as paid on account of other contributions.

(3) Any person desiring to apply for the return of a special Class 4 contribution shall make the application in such form and in such manner as the Secretary of State may from time to time determine, and within the period of 6 years from the end of the year in which the contribution was paid or, if the Secretary of State is satisfied that the person making the application had good cause for not making it within the said period, within such longer period as the Secretary of State may allow.

Husband and wife

69. Where by virtue of paragraph 4 of Schedule 2 to the Act (husband's liability for wife's Class 4 contributions) a husband is liable to pay a Class 4 contribution in respect of the profits or gains of his wife, the foregoing provisions of this Part of these regulations, except in so far as they relate to assessment, appeals or claims under the Income Tax Acts or certification by the Inland Revenue, shall apply as if the wife were separately assessed within the meaning of that paragraph.

Modification of employed earner's employment

73.—(1) Subject to the following provisions of this regulation, where an airman is employed as such on board any aircraft, and the employer of that airman or the person paying the airman his earnings in respect of the employment (whether or not the person making the payment is acting as agent for the employer) or the person under whose directions the terms of the airman's employment and the amount of the earnings to be paid in respect thereof are determined has—

- (a) in the case of the aircraft being a British aircraft, a place of business in Great Britain; or
(b) in any other case, his principal place of business in Great Britain;

then, notwithstanding that the airman does not fulfil the conditions of section 2(1)(a) of the Act (definition of employed earner), he shall be treated as employed in employed earner's employment and, for the purposes of regulation 113(1)(a) of these regulations (conditions as to residence or presence in Great Britain), in respect of that employment, as present in Great Britain.

(2) Subject to the provisions of the next succeeding paragraph, notwithstanding that an airman is employed in an employment to which the provisions of the last foregoing paragraph apply, if that airman is neither domiciled nor has a place of residence in Great Britain no contributions shall be payable by or in respect of him as an employed earner.

(3) The provisions of the last foregoing paragraph shall have effect subject to any Order in Council giving effect to any reciprocal agreement made under section 143 of the Act (reciprocity with other countries).

Special transitional provision

75. For the purpose of facilitating the winding up of the system of insurance contained in the former principal Act and the disposal of matters connected with that system the following provisions of the National Insurance (Airmen) Regulations 1948(a), as amended(b), shall continue to have effect, that is to say regulation 3 (return of contributions in respect of non-domiciled airmen employed as aircrew), regulation 8 (breach of regulations) and, in so far as it relates to contributions under the former principal Act, regulation 9 (application of former principal Act and regulations).

(2) Where a person is employed in any employment specified in paragraph (1) of this regulation, the provisions of Part I of the Act and so much of Part IV thereof as relates to contributions shall, subject to the provisions of the next succeeding paragraph, apply as though the area so designated as aforesaid were in Great Britain, and notwithstanding that he does not satisfy the conditions as to residence or presence in Great Britain prescribed in regulation 113(1)(a) of these regulations (conditions as to residence or presence in Great Britain).

(2) Where such voyage period—

- (a) is less than a week, that period shall for the said purpose be treated as a week;
- (b) exceeds a week or a whole multiple of a week by a part of a week,

 - (ii) if that part of a week is a period of 3 days or less, that part of the week shall be disregarded (and the mariner's earnings in respect of his employment as such during that part of a week shall, for the said purpose, be treated as paid for employment in the week immediately preceding that part of a week).

Calculation of earnings-related contributions for mariners

82.—(1) For the purpose of the calculation of earnings-related contributions payable in respect of earnings paid to or for the benefit of a person in respect of that person's employment as a mariner—

- (a) the provisions of regulation 7(1) of these regulations (calculation of earnings-related contributions) shall apply;
- (b) in the alternative, paragraphs (2), (3), (4), (5) and (6) of that regulation and Schedule 1 to these regulations shall, except in relation to secondary contributions payable at a rate reduced in accordance with the provisions of regulation 80 of these regulations, apply as if the references in the said paragraphs (2) and (5) to a week and in the said Schedule to weekly scale were reference to a week or, as the case may be, to a weekly scale within the meaning of this Case.

(2) Subject to the provisions of the said paragraph (6), where the secondary contribution is payable at a rate reduced in accordance with the provisions of the said regulation 80, that contribution may be calculated in accordance with the scale prescribed in Part I or, as the case may be, Part II of Schedule 4 to these regulations in accordance with the following provisions of this regulation:—

- (a) in respect of any amount shown in column 1 of the said Schedule 4 there shall be payable the amount shown opposite thereto—
 - (i) in column 2 of the said Schedule, in the case of a contribution payable at the rate reduced under the provisions of paragraph (1)(a) of the said regulation 80;
 - (ii) in column 3 of the said Schedule, in the case of a contribution payable at the rate reduced under the provisions of paragraph (1)(b) of the said regulation 80;
 - (iii) in column 4 of the said Schedule, in the case of a contribution payable at the rate reduced under the provisions of paragraph (1)(a) and (b) of the said regulation 80;

- (b) where any payment of an amount of earnings is not shown in the said column 1, the amount of contributions payable shall be calculated by reference to the next smaller amount, if any, in that column.

Change of circumstances etc. affecting calculation of mariner's earnings for contributions purposes

83. In any case where, as respects earnings paid to or for the benefit of a mariner in respect of his employment as such, earnings-related contributions are collected in accordance with the provisions of Part V of Schedule 2 to these regulations, for the purpose of calculating the amount of those earnings in respect of that employment during any pay period to which the provisions of regulation 81 of these regulations apply and the amount (if any) of earnings-related contributions payable in respect of those earnings, where during that period there occurs a change of circumstance (other than a change of the amount of the mariner's earnings) or the happening of an event under the Act which, in either case, affects such calculation, such change or happening shall, for the said purpose, notwithstanding that that mariner's earnings period is not a period of a week, have effect from the date from which it would have had effect if that period had been a week.

Prescribed secondary contributors

84. In relation to any payment of earnings to or for the benefit of a mariner in respect of employment to which the provisions of regulation 79 of these regulations apply, where the person employing the mariner does not satisfy the conditions specified in regulation 78(1)(c) of these regulations, but the person who pays the mariner those earnings does satisfy either of those conditions, that person shall be treated as the secondary contributor, whether or not he makes the payment as agent for the employer.

Payments to be disregarded

85.—(1) Without prejudice to the generality of the provisions of regulation 17 of these regulations and subject to the provisions of the next succeeding paragraph, for the purposes of earnings-related contributions, there shall be excluded from the computation of a person's earnings any payment in so far as it is—

- (a) in the case of the payment being in respect of employment as a seaman within the meaning of Part V of Schedule 2 to these regulations, either—
- (i) an interim payment of earnings by way of an advance, or
 - (ii) a payment to some other person of any part of such a seaman's earnings allotted by him to that person;
- (b) in the case of the payment being in respect of employment as a mariner—
- (i) a payment of a special payment while sick abroad (as defined by the National Maritime Board);
 - (ii) a payment to him by the Department of Trade with the consent of his employer in accordance with the provisions of the Merchant Shipping Act 1906(a) (wages and effects of a seaman who is left behind) in respect of wages deposited owing to a mariner's failure to rejoin his ship.

(a) 1906 c. 48.

(2) Nothing in sub-paragraph (a) of the last foregoing paragraph shall be construed as preventing any sum deducted on account of any such payment as is specified in that sub-paragraph from another payment of earnings being treated as comprised in those earnings.

Special payments to mariners after terminal payment

86.—(1) This regulation shall relate only to earnings-related contributions collected in accordance with the provisions of Part V of Schedule 2 to these regulations and in this regulation—

- (a) “terminal payment” means a payment of earnings to a mariner in respect of his employment as such at or following the end of a voyage by way of general settlement of the mariner’s earnings for that voyage (or, where the voyage includes more than one pay period, for the last of those pay periods);
- (b) “quarterly calculated payment” means a payment for a pay period of 3 calendar months or a payment of earnings of which the whole or the greater part is calculated by reference to one or more periods of 3 calendar months;
- (c) “monthly calculated payment” means a payment for a pay period of a calendar month or a payment of earnings, not being a quarterly calculated payment, of which the whole or the greater part is calculated by reference to a calendar month or calendar months;
- (d) “weekly calculated payment” means a payment of remuneration which is not a quarterly or monthly calculated payment.

(2) Where earnings for overtime work as a mariner earned in any of the last 6 days of a voyage are not included in the terminal payment, then, in respect of any subsequent payment on account of those earnings (not being a payment of less than £1.00) and subject to regulations 85 and 88 of these regulations, the secondary contributor and the mariner shall each be liable to pay an earnings-related contribution of the difference (if any) between the following amounts, that is to say—

- (a) the amount which he would, in accordance with the provisions of regulation 7 or, as the case may be, regulation 80 of these regulations but disregarding the provisions of this regulation, have been liable to pay in respect of the terminal payment if it had included the earnings for the said overtime work; and
- (b) the amount which he is or was liable to pay in accordance with the said regulation 7 or the said regulation 80 in respect of the terminal payment.

(3) Except for payments to which the provisions of the foregoing paragraph apply and subject to the provisions of regulations 85 and 88 of these regulations an earnings-related contribution shall be payable in accordance with the provisions of the succeeding paragraphs of this regulation in respect of any payment of earnings made to a mariner in respect of his employment as such which either—

- (a) is not made before or included in the terminal payment, or
- (b) is made before the terminal payment otherwise than through the master of the ship or vessel or other person from whom the mariner is to receive the terminal payment,

(which payment of earnings is hereinafter in this regulation referred to as an “employer’s payment”).

(4) Notwithstanding the provisions of the foregoing paragraph, any payment which is made at the same time as a payment of earnings to which the said regulation 7 or, as the case may be, the said regulation 80 applies shall not be treated as an employer's payment, but shall be treated for the purposes of the said regulation 7 or, as the case may be, the said regulation 80 as if it were earnings for the pay period in respect of which that other payment is made.

(5) Subject to the provisions of the next succeeding paragraph, in respect of any employer's payment an employer shall be liable to pay earnings-related contributions as modified by the said regulation 80—

- (a) if the terminal payment is or is to be a weekly calculated payment, as if the employer's payment were for a pay period of one week;
- (b) if the terminal payment is or is to be a monthly calculated payment, as if the employer's payment were for a pay period of one calendar month; and
- (c) if the terminal payment is or is to be a quarterly calculated payment, as if the employer's payment were for a pay period of 3 calendar months.

(6) The earnings-related contributions payable in a case to which the foregoing paragraph applies shall be determined—

- (a) if the mariner is still in the employment of the employer making the employer's payment at the time that payment is made, as if, in respect of the pay period of one week or one calendar month or 3 calendar months, as the case may be, the employer in addition had paid his basic wage to the mariner and appropriate earnings-related contributions on behalf and in respect of him in respect of that basic wage; or
- (b) if the mariner is not still employed by the employer making the employer's payment at the time that payment is made, as if the employer had paid the mariner no other earnings in respect of that pay period.

Application of the Act and regulations

87.—(1) The provisions of Part I of the Act and so much of Part IV thereof as relates to contributions and the regulations made under those provisions shall, so far as they are not inconsistent with the provisions of this Case, apply to mariners with this modification, that, where a mariner is, on account of his being at sea or outside Great Britain by reason of his employment as a mariner, unable to perform an act required to be done either forthwith or on the happening of a certain event or within a specified time, he shall be deemed to have complied therewith if he performs the act as soon as is reasonably practicable, although after the happening of the event or the expiration of the specified time.

(2) In relation only to earnings-related contributions collected in accordance with the provisions of Part V of Schedule 2 to these regulations, regulation 15 of these regulations (annual maximum) shall apply to earnings paid to or for the benefit of a mariner for his employment as such, subject to the condition that any payment of earnings for any voyage period, which falls partly in two or more years, shall be apportioned between those years proportionately to the length of the part of the voyage period occurring in each such year.

Special transitional provisions

88.—(1) In any case where earnings-related contributions payable in respect of a mariner's earnings are or, but for the provisions of this regulation, would be collected under the provisions of Part V of Schedule 2 to these regulations and the voyage period begins before the appointed day and ends on or after that day, the following provisions of this regulation shall apply and the provisions if regulation 119 of these regulations shall not apply.

(2) Notwithstanding when payment of earnings is made to or for the benefit of the mariner for his employment during the voyage period, contributions under the former principal Act or, as the case may be, under the Act shall be payable as follows:—

- (a) where the voyage period begins before 6th March 1975 and ends—
 - (i) before 6th May 1975—under the former principal Act;
 - (ii) on or after 6th May 1975—under the former principal Act in respect of so much of the employment as precedes the appointed day and of the earnings paid for the employment before that day, and under the Act on so much of the earnings paid for the employment on and after that day;

(and for the purposes of the provisions of the last two foregoing heads the provisions of the former principal Act and the regulations made thereunder relating to liability for, assessment, payment, collection and recovery of, mariners' and seamen's graduated and flat-rate contributions shall continue in force):

- (b) where the voyage period begins on or after 6th March 1975 and ends on or after the appointed day—contributions under the Act.

(3) Subject to the provisions of regulation 86 of these regulations and notwithstanding the provisions of Part IX thereof, where under the provisions of head (ii) of the last foregoing paragraph contributions are payable in respect of earnings paid to or for the benefit of a mariner in respect of his employment as such during a voyage period to which the provisions of that head apply, for the purposes of liability for, and calculation of, graduated contributions under the former principal Act and earnings-related contributions under the Act—

- (a) the voyage period shall be treated as comprising two separate pay periods, the one ending immediately before the appointed day and the other beginning on that day;
- (b) any payment of earnings in respect of that employment shall, when made, be treated—
 - (i) in so far as it relates to the employment before the appointed day, as a payment of remuneration made at the end of the first of the two pay periods;
 - (ii) in so far as it relates to the employment during the second of those two periods, as a payment of earnings made at the end of the second period;
- (c) no payment so treated as made shall be treated as made at an interval which is not a regular interval;
- (d) the total payment of earnings for the two periods shall be apportioned between them according to the amount earned in each period.

(4) Where in accordance with the provisions of paragraph (2)(b) of this regulation a contribution is payable under the Act in respect of earnings for employment before the appointed day—

- (a) the provisions of regulation 81 shall apply to those earnings as if the employment before that day had been employment on or after that day;
- (b) the provisions of regulation 121 of these regulations (contributions treated as paid under the former principal Act) shall apply to that mariner as if the contribution had been paid by virtue of regulation 119(2) of these regulations (treatment of remuneration received on or after the appointed day in respect of employment before that day).

(5) Where, as respects any employment before the appointed day of a person as a mariner (other than a person to whom the foregoing provisions of this regulation apply), a flat-rate contribution under the former principal Act is payable, but under that Act and the regulations made thereunder there was no requirement to pay that contribution until after the appointed day, the provisions of that Act and of those regulations relating to the collection and recovery of such contribution shall continue to apply.

(6) In paragraphs (2) and (5) of this regulation references to the former principal Act shall include references to the former Industrial Injuries Act, the National Health Service Contributions Act 1965(a) and the Redundancy Payments Act 1965(b).

Modification in relation to share fisherman of Part I of the Act and so much of Part IV thereof as relates to contributions

89. Part I of the Act and so much of Part IV thereof as relates to contributions shall apply to share fisherman with the modification that—

- (a) employment as a share fisherman shall be employment as a self-employed earner notwithstanding that it is not employment in Great Britain;
- (b) as respects liability of a share fisherman to pay Class 2 contributions in respect of his employment as a share fisherman, the provisions of regulation 78(1)(a) and (b) and (2) of these regulations (conditions of domicile or residence for contribution liability for mariners) shall apply as if the share fisherman were a mariner and as if the reference in the said regulation 78(1) to an employed earner were a reference to a self-employed earner and as if the words “or on behalf, or in respect, of” were omitted;
- (c) for the purposes of entitlement to unemployment benefit, the weekly rate of any Class 2 contributions payable by a share fisherman for any contribution week while he is ordinarily employed as a share fisherman shall, notwithstanding the provisions of section 7(1) of the Act (Class 2 contributions) or, as the case may be, any order made under section 7(3) thereof (lower rate of Class 2 contributions for women), be £3·01, or such other sum as may from time to time be prescribed;
- (d) regulations 15(1)(b), 58 and 66 of these regulations (annual maximum) shall apply to contributions payable at the weekly rate specified in the

(a) 1965 c. 54.

(b) 1965 c. 62.

last preceding paragraph as if references in those regulations to Class 2 contributions included, as may be appropriate, references, to Class 2 contributions at that rate;

- (e) regulation 20 of these regulations (exception from liability for Class 2 contributions) shall apply to a share fisherman as if there were included at the end of paragraph (1)(a) of that regulation the words "or is entitled to unemployment benefit or, but for a failure to satisfy the contribution conditions for that benefit, he would be so entitled";
- (f) regulation 43(1) of these regulations (application for contribution cards) shall apply to a share fisherman with the modification that every person in employment as a share fisherman shall apply to a local office designated by the Secretary of State for a special contribution card, unless there is already current in respect of him such a card;
- (g) in so far as Class 4 contributions in respect of the profits or gains of a share fisherman in respect of his employment as such are not collected by the Inland Revenue under section 9(3) of the Act (assessment and collection etc. of Class 4 contributions) the provisions of regulations 61 to 68 of these regulations (special Class 4 contributions) shall apply as if the share fisherman were a person to whom section 10(1)(a) and (b) of the Act applies (Class 4 contributions for persons treated under section 2(2)(b) of the Act as self-employed earners).

Scope of elections

95. Every election made by a married woman or a widow in respect of any year to be liable to pay primary Class 1 contributions at the reduced rate shall be deemed also to be an election not to pay Class 2 contributions, and any election so made not to pay Class 2 contributions shall be deemed also to be an election to pay primary Class 1 contributions at the reduced rate and likewise a revocation made for either one of those purposes shall be deemed to be made also for the other.

Class 3 contributions

96. No married woman or widow who has made an election in accordance with regulation 91 of these regulations in respect of any year shall, while that election has effect in respect of that year, be entitled to pay any Class 3 contributions.

(5) When a woman who has made an election has more than one employed earner's employment the Secretary of State shall issue to her without charge a number of certificates equal to the number of such employments, and the previous provisions of this regulation shall apply in relation to each certificate, save that for the purposes of the last preceding paragraph she shall be liable to deliver only one certificate to each secondary contributor.

(6) Where a certificate has been lost or destroyed the person responsible for its custody shall inform the Secretary of State of that loss or destruction, and apply to him for a further certificate, and the Secretary of State shall, if he is satisfied that the certificate has been lost or destroyed, issue to the person a further certificate in the same terms as the former certificate.

99.—(1) It shall be the duty of every woman who marries, and who is or has been an employed earner or is a self-employed earner, to give notice to the Secretary of State in writing of her marriage not later than 5 weeks thereafter or, if she claims benefit before the expiration of that period, at the time of making such a claim, and to furnish such evidence of her marriage as may be required by the Secretary of State.

(2) Where under the foregoing provisions of this Case an election has been made by a woman to pay primary Class 1 contributions at the reduced rate and that election ceases to have effect, it shall be the duty of that woman to inform the secondary contributor accordingly.

100. Where as respects a woman immediately before the appointed day there is, or is deemed to be, in issue a current certificate of exception under regulation 9(3) or (4A) of the National Insurance (Contributions) Regulations 1969(a), as amended (b) (exception for certain widows) or there is current an election under regulation 2(1)(a) of the National Insurance (Married Women) Regulations 1973(c) (married women who are employed persons), or a woman then is, or but for any exception under or by virtue of another provision of the former principal Act (d) would be, excepted under regulation 3(1)(a) of those regulations (married women who are self-employed persons) from liability for contributions as a self-employed person under that Act and in any of those cases on that day the woman is a widow or, as the case may be, a married woman, that woman shall be deemed to have made an election under regulation 91 of these regulations.

Newly widowed women on the appointed day

101. Where on the appointed day a woman is a widow, and either—

- (a) her husband had died on or after 7th October 1974; or
- (b) she had within 182 days (including Sundays) of her husband's death claimed or applied for a benefit specified in regulation 91(5) of these regulations and the claim or application has not been determined by that day;

the provisions of regulation 94 of these regulations shall apply to that woman as if her husband had died on the appointed day.

Special transitional provisions regarding deemed elections

102.—(1) Where by virtue of regulation 100 of these regulations a woman is deemed to have made an election under regulation 91 of these regulations, the following provisions of this regulation shall apply.

(2) Before the woman first becomes liable to pay a primary Class 1 contribution she may revoke any such election in accordance with the provisions of regulation 93 of these regulations by notice in writing given to the Secretary of State and, if she so specifies in the said notice, the revocation shall have effect from and including the beginning of the year in which the notice is given.

(3) If no notice of revocation is given—

- (a) in the first year in which the woman becomes liable to pay primary Class 1 contributions—
 - (i) she shall be entitled in respect of that year to choose whether to pay such contributions at the standard rate or at the reduced rate; and
 - (ii) she shall notify any secondary contributor at which rate to pay such contributions on her behalf; and

(a) S.I. 1969/1696 (1969 III, p. 5323).

(b) The relevant amending instrument is S.I. 1970/1580 (1970 III, p. 5325).

(c) S.I. 1973/693 (1973 I, p. 2301).

- (iii) such secondary contributor shall pay those contributions at that rate until the woman notifies him to the contrary in accordance with the provisions of regulation 99(2) of these regulations;
 - (b) if in any year any primary Class 1 contribution at the standard rate is paid by or on behalf of the woman, unless it is shown to the satisfaction of the Secretary of State that the woman did not intend thereby to revoke the election—
 - (i) she shall be deemed to have revoked the election; and
 - (ii) the revocation shall, subject to the provisions of the next succeeding sub-paragraph, have effect from and including the beginning of the year next following the year in which the payment is made or, if the woman so wishes, from and including the beginning of the last-mentioned year;
 - (c) notwithstanding the provisions of the last foregoing sub-paragraph, if in the said first year a Class 1 contribution at the standard rate is paid by or on behalf of the woman, she will nevertheless be deemed to have made an election under regulation 91 of these regulations in respect of the next following year if, having regard to the contributions paid by her or on her behalf in that year and to all other relevant circumstances, the Secretary of State is satisfied that her failure to make such an election in accordance with the said regulation 91 was due solely to an erroneous belief on her part that primary Class 1 contributions in that year were payable by her or on her behalf only at the reduced rate.
- (4) Where under the provisions of paragraph (2) or (3)(b)(ii) of this regulation a revocation has effect from the beginning of the year in which the notice of revocation is given or, as the case may be, the payment is made, the woman shall be liable to the exclusion of any secondary contributor to pay to the Secretary of State the sum (if any) equal to the difference between the following amounts, that is to say—
- (a) the amount of the contributions paid by or on behalf of the woman in respect of the earnings paid to her or for her benefit in that year; and

(2) Where a woman who under regulation 100 of these regulations is not liable for a primary Class 1 contribution otherwise than at the reduced rate and to whom no certificate of election under the Act has been issued becomes employed in employed earner's employment, she shall make application

in writing to the Secretary of State for such a certificate and, notwithstanding the provisions of the last preceding paragraph, the Secretary of State shall issue such a certificate to her.

Special transitional provisions relating to married women and certain widows to whom regulation 100 does not apply

104.—(1) Any woman to whom this regulation applies may, subject to the provisions of regulation 95 of these regulations, and notwithstanding the provisions of regulation 91(4) thereof—

- (a) during the first year in which she becomes liable to pay a primary Class 1 contribution under the Act, make an election under regulation 91 of these regulations in respect of that same year;
- (b) if she has never become liable to pay such contribution nor has paid any Class 2 or Class 3 contribution under the Act and makes an election under the said regulation 91 within the period of 3 years from and including the appointed day, make that election in respect of each year in the period of 3 years until and including the year in which she makes the election.

(2) The woman to whom this regulation applies is any woman who immediately before the appointed day is a married woman to whom regulation 100 of these regulations does not apply or a widow to whom regulation 9(3) or (4A) of the National Insurance (Contributions) Regulations 1969(a), as amended(b) (exception for certain widows) applies but to whom no certificate of exception is or is deemed to be issued, or to whom regulation 9(2) of those regulations applies and who in each case at the time of the election has not ceased to be married or, as the case may be, a widow.

Reduction of rate of Class 1 contributions

109.—(1) Where, as respects a person who is a serving member of the forces, any Class 1 contribution is payable in respect of that person's earnings as such a member and the amount of the contribution would, but for the provisions of this regulation, be a percentage of those earnings in accordance with the provisions from time to time being of section 4(6) of the Act (percentage rates of Class 1 contributions), the percentage rate of that contribution shall be reduced—

- (a) in the case of a primary contribution, where the percentage would be
 - (i) at the standard rate, by 0·8;
 - (ii) at the reduced rate, by 0·2;

- (c) a payment of liability bounty in recognition of liability for immediate call-up in times of emergency.

(2) The earnings period for a person who is a serving member of the forces shall be as follows—

CASE F—RESIDENCE AND PERSONS ABROAD

Conditions as to residence or presence in Great Britain

113.—(1) Subject to the following provisions of this regulation, for the purposes of section 1(6) of the Act (conditions as to residence or presence in Great Britain for liability or entitlement to pay Class 1 or Class 2 contributions or entitlement to pay Class 3 contributions) the conditions as to residence or presence in Great Britain shall be—

- (a) as respects liability of an employed earner to pay primary Class 1 contributions in respect of earnings for an employed earner's employment, that the employed earner is resident or present in Great Britain (or but for any temporary absence therefrom would be present therein) at the time of that employment or is then ordinarily resident in Great Britain;
- (b) as respects liability for secondary Class 1 contributions, that the person who, but for any conditions as to residence or presence in Great Britain (including the having of a place of business therein), would be the secondary contributor (in the following provisions of this Case referred to as "the employer") is resident or present in Great Britain when such contributions become payable or then has a place of business in Great Britain, so however that nothing in this provision shall prevent the employer paying the said contributions if he so wishes;
- (c) as respects entitlement of a self-employed earner to pay Class 2 contributions, that that earner is present in Great Britain in the contribution week for which the contribution is to be paid;

- (d) as respects liability of a self-employed earner to pay Class 2 contributions, that the self-employed earner is ordinarily resident in Great Britain or, if he is not so ordinarily resident, that before the period in respect of which any such contributions are to be paid he has been resident in Great Britain for a period of at least 26 out of the immediately preceding 52 contribution weeks under the Act or the former principal Act or partly under the one and partly under the other;
- (e) as respects entitlement of a person to pay Class 3 contributions for any year, that that person is resident in Great Britain during the course of that year.

(2) Where a person is ordinarily neither resident nor employed in the United Kingdom and, in pursuance of employment which is mainly employment outside the United Kingdom by an employer whose place of business is outside the United Kingdom (whether or not he also has a place of business therein) that person is employed for a time in Great Britain as an employed earner and but for the provisions of this paragraph the provisions of sub-paragraph (a) of the last preceding paragraph would apply, the conditions prescribed in that sub-paragraph and in sub-paragraph (b) of that paragraph shall apply subject to the proviso that no primary or secondary Class 1 contribution shall be payable in respect of the earnings of the employed earner for such employment after the date of the earner's last entry into Great Britain and before he has been resident in Great Britain for a continuous period of 52 contribution weeks from the beginning of the contribution week following that in which that date falls.

(3) Where a person to whom the said sub-paragraph (a) would otherwise apply is not ordinarily resident in the United Kingdom and is not a person to whom the provisions of the last preceding paragraph apply, the proviso specified in that paragraph shall nevertheless apply if either—

- (a) during a vacation occurring in a course of full-time studies which that person is pursuing outside the United Kingdom, that person is gainfully employed under a contract of service in Great Britain in temporary employment of a nature similar or related to that course of studies; or
- (b) there exists between him and some other person outside the United Kingdom a relationship comparable with the relationship between an apprentice and his master in Great Britain and that person is gainfully employed under a contract of service in Great Britain in employment which began before he attained the age of 25 and which is of a nature similar or related to the employment under the said relationship outside the United Kingdom.

Payment of contributions for periods abroad

114.—(1) Where an earner is gainfully employed outside Great Britain, and that employment, if it had been in Great Britain, would have been employed earner's employment, that employment outside Great Britain shall be treated as employed earner's employment for the period for which under paragraph (2)(a) of this regulation contributions are payable in respect of the earnings paid to the earner in respect of that employment, provided that—

- (a) the employer has a place of business in Great Britain, and
- (b) the earner is ordinarily resident therein, and
- (c) immediately before the commencement of the employment the earner was resident in Great Britain.

(2) Where under the last preceding paragraph the employment outside Great Britain is treated as an employed earner's employment, the following provisions shall apply in respect of the payment of contributions—

- (a) primary and secondary Class 1 contributions shall be payable in respect of any payment of earnings for the employment outside Great Britain during the period of 52 contribution weeks from the beginning of the contribution week in which that employment begins to the same extent as that to which such contributions would have been payable if the employment had been in Great Britain;
- (b) subject to the provisions of regulation 116 of these regulations, any earner by or in respect of whom contributions are or have been payable under the last preceding sub-paragraph shall be entitled to pay Class 3 contributions in respect of any year during which the earner is outside Great Britain from and including that in which the employment outside Great Britain begins until that in which he next returns there.

Class 2 and Class 3 contributions for periods abroad

115.—(1) Subject to the provisions of regulation 116 of these regulations, a person (other than a person to whom paragraph (2)(a) of the last preceding regulation applies) may, notwithstanding the provisions of regulation 113(1)(c) and (e) of these regulations, if he so wishes and if he satisfies the conditions specified in the next succeeding paragraph, pay contributions in respect of periods during which he is outside Great Britain as follows—

- (a) in respect of any contribution week throughout which he is gainfully employed outside Great Britain otherwise than as an employed earner, he may, if immediately before he last left Great Britain he was ordinarily an employed earner or a self-employed earner, pay a contribution as a self-employed earner;
 - (b) in respect of any year which includes a period during which he is outside Great Britain he may pay Class 3 contributions.
- (2) The conditions referred to in the last preceding paragraph shall subject to the provisions of paragraph (3) of this regulation be either—
- (a) that the person has been resident in Great Britain for a continuous period of not less than 3 years at any time before the period for which the contributions are to be paid; or
 - (b) that there have been paid by or on behalf of that person contributions of the appropriate amount—
 - (i) for each of 3 years ending at any time before the relevant period: or
 - (ii) for each of 2 years so ending and, in addition, 52 contributions under the former principal Act; or
 - (iii) for any one year ending before the relevant period and, in addition, 104 contributions under the former principal Act; or
 - (c) that there have been paid by or on behalf of that person 156 contributions under the former principal Act.
- (3) In the last preceding paragraph—
- (a) the expression “contributions of the appropriate amount” means contributions under the Act equal to 50 times the amount of the value of a primary Class 1 contribution payable at the standard rate (or

that rate as reduced in accordance with the provisions of regulation 109 of these regulations (rate of contributions reduced for members of the forces)) in respect of earnings equal to the lower earnings limit for the time being;

- (b) the expression “the relevant period” means the period for which it is desired to pay the Class 2 contribution or, as the case may be, the Class 3 contributions specified in paragraph (1) of this regulation;
- (c) the expression “contributions under the former principal Act” means contributions of any Class under section 3 of the former principal Act in respect of any period.

Conditions of payment of Class 2 or Class 3 contributions for periods abroad

116. Entitlement to pay Class 2 or Class 3 contributions under the last two preceding regulations shall be subject to the following two conditions—

- (a) that the payment is made within the period specified in regulation 24(3)(b)(i) of these regulations; and
- (b) that the payment is made only to the extent to which it could have been made if the contributor had been present in Great Britain and otherwise entitled to make it.

Persons outside Great Britain on the appointed day

117.—(1) Where on the appointed day a person is gainfully employed outside Great Britain in employment which began before that day, the following provisions of this regulation shall apply.

(2) Where the employment outside Great Britain on that day, if it had been in Great Britain, would have been employed earner’s employment, the provisions of regulation 114 of these regulations shall apply subject to the modification that in paragraph (2)(a) of that regulation for the period specified therein there shall be substituted the period of 12 calendar months from the beginning of the employment.

(3) Notwithstanding the provisions of regulation 114 of these regulations, where a person is on the appointed day gainfully employed outside Great Britain in continuation of employment outside thereof before that day and in respect of that employment before that day no contributions were payable by or in respect of him as an employed person under the former principal Act, that employment outside Great Britain on and after that day shall not be treated as employed earner’s employment under the Act for any period before the date on which he next returns to Great Britain.

(4) Where before the appointed day a person was, during any contribution week within the meaning of the former principal Act, outside Great Britain and under that Act entitled to pay a contribution in respect of that week the provisions of the former principal Act in respect of each payment shall continue to apply with the modification that the period within which such contribution may be paid shall be the period specified in head (i) or, as the case may be, head (ii) of regulation 5(2)(bb) of the National Insurance (Residence and Persons Abroad) Regulations 1948(a), as amended(b), or before 6th April 1978, whichever is the shorter.

(a) S.I. 1948/1275 (Rev. XVI, p. 88: 1948 I, p. 2864).

(b) The relevant amending instruments are S.I. 1950/1946, 1956/2021 (1950 II, p. 27; 1956 I, p. 1688).

PART IX

GENERAL (CONTRIBUTIONS) TRANSITIONAL PROVISIONS

Contribution week immediately preceding the appointed day

118. For the purposes of the former principal Act the period of 6 days which begins on 31st March 1975 and ends on 5th April 1975 shall be a contribution week.

Provisions relating to remuneration received on or after the appointed day in respect of employment before that day

119.—(1) Where a payment of remuneration is made on or after the appointed day, other than a payment to which regulation 11 of the National Insurance (Assessment of Graduated Contributions) Regulations 1973(a) (abnormal pay practices) applies, in respect of employment during a period before that day the following provisions of this regulation shall apply.

(2) Subject to the provisions of paragraph (3) of this regulation, if the employment during the period before the appointed day would, if the Act had then been in force, have been employed earner's employment, and either—

(a) the employment has ended before that day, but there was no requirement under the former principal Act or the regulations made thereunder to pay contributions under section 3 of that Act (flat-rate contributions) before that day in respect of the person employed in the employment, or, as the case may be, that part of that employment, for which the payment of remuneration is made, or

(b) the employment has not ended before that day,

the payment specified in paragraph (1) of this regulation shall be treated as earnings in respect of employed earner's employment, and, except in so far as provided in the next succeeding regulation, the provisions of the Act and regulations made thereunder relating to liability for, assessment (including earnings periods), payment, collection and recovery of contributions under the Act shall apply to the said payment and employment in respect of which the payment is made as if the employment has occurred on or after the appointed day.

(3) Where the payment specified in paragraph (1) of this regulation is made to the person employed in an employment specified in paragraph (2)(a) of this regulation (other than an employment as a self-employed person within the meaning of the former principal Act) and that payment is by way of addition to a payment made to him before the appointed day in respect of the same employment during the same period, that payment shall (whether or not there was any requirement such as is specified in the said paragraph (2)(a) with regard to the payment of contributions before the appointed day) also be treated as a payment of earnings in respect of an employed earner's employment and the provisions of the Act and regulations made thereunder as specified in the last foregoing paragraph shall apply in respect of that payment.

(4) Subject to the provisions of regulation 121 of these regulations, where in respect of remuneration specified in paragraph (1) of this regulation contributions under the Act are payable by virtue of the foregoing provisions of this regulation in respect of any employment during a period before the appointed day no contribution in respect of that employment shall be payable under section 3 of the former principal Act (flat-rate contributions) or, as the case

(a) S.I. 1973/1013 (1973 II, p. 3054).

may be, under the former Industrial Injuries Act for the period in respect of which the payment of remuneration is made, unless it is a contribution which under the provisions of the former principal Act or, as the case may be, the former Industrial Injuries Act, was required to be paid before the appointed day.

(5) For the avoidance of doubt, the reference in paragraphs (2)(a) and (4) of this regulation to contributions payable under section 3 of the former principal Act shall include any contributions payable under section 1 of the National Health Service Contributions Act 1965(a) and section 27 of the Redundancy Payments Act 1965(b).

Earnings period for contributions payable under regulation 119(2) of these regulations in respect of employment which ended before the appointed day

120. For the purposes of contributions payable under paragraph (2) of the last preceding regulation, where the employment has ended before the appointed day and—

- (a) was employed contributor's employment within the meaning of the former principal Act; and
- (b) the payment of remuneration made on or after that day for that employment is not made at the shortest interval at which payment of remuneration for that employment would normally be made and does not fall to be aggregated under or by virtue of the provisions of the Act with a payment made at the shortest regular interval of payment, the earnings period shall, in relation to that payment, be treated as one week.

Contributions treated as paid under the former principal Act

121.—(1) Subject to the provisions of paragraphs (2) and (3) of this regulation, where by virtue of paragraph (2) of regulation 119 of these regulations, in so far as that paragraph relates to employment which under the former principal Act was employed contributor's employment, contributions are payable in accordance with the provisions of the Act, a contribution under section 3(a) of the former principal Act (flat-rate contributions), at the rate appropriate to a person who is not in a non-participating employment, shall also be treated as paid by the person employed in the employment, or, as the case may be, that part of that employment, for which payment of the remuneration is made, for each week beginning before the appointed day in the period of the employment for which that payment is made, other than a week for which a contribution under section 3 of the former principal Act is payable by or on behalf of the earner, or has been credited to him as an employed or self-employed person under the former principal Act.

(2) Where under the foregoing provisions of this regulation more than one contribution is treated as paid by any person for any week, not more than one such contribution shall be taken into account for any purpose, and where under those provisions a contribution is treated as paid by any person for a week in respect of which a contribution as a non-employed person has been credited to him under the former principal Act the contribution as a non-employed person shall be disregarded.

(3) Subject to the provisions of regulation 118 of these regulations, in this regulation the expression "week" means a contribution week within the meaning of the former principal Act.

Return of insurance cards and emergency cards

122. Any insurance card issued under the former principal Act in respect of any period ending immediately before the appointed day and any emergency card issued under that Act shall within 6 days or such longer time as the Secretary of State may in any special case allow, after the appointed day, be returned to a local office of the Department of Health and Social Security by the person who immediately before the appointed day was, under the provisions of the National Insurance and Industrial Injuries (Collection of Contributions) Regulations 1948(a), as amended(b), responsible for the custody of that card or who thereafter has that card in his possession or under his control.

Recovery of unpaid contributions

123.—(1) For the purposes of enabling unpaid contributions under the former legislation to be recovered, where a person is convicted of an offence mentioned in section 150(1) or (2) of the Act (recovery on prosecution), subject to the provisions of the next succeeding paragraph of this regulation, the provisions of sections 151 and 152(1) to (5) of the Act (proof of previous offences and supplementary provisions) shall apply as if the references therein to contributions under the Act, or to reserve scheme contributions or premiums under the 1973 Act, were references to contributions under the former legislation.

(2) For the purposes specified in the foregoing provisions of this regulation—

- (a) subsection (3) of the said section 151 shall apply with the modification that for the words “such contributions, or reserve scheme contributions or premiums” there shall be substituted the words “contributions in respect of an employed person under the former legislation”; and
- (b) subsection (4) of the said section 151 shall apply with the modification that for the words “such contributions” there shall be substituted the words “contributions as a self-employed or non-employed person within the meaning of the former principal Act”.

(3) In this regulation—

- (a) “the former legislation” means the former principal Act, section 1 of the National Health Service Contributions Act 1965(c), section 2(1)(a) of the former Industrial Injuries Act and section 27 of the Redundancy Payments Act 1965(d); and
- (b) “contributions” includes payments in lieu of contributions for the purposes of Part III of the former principal Act.

Appropriation and savings

124.—(1) Any payment made by a person after the appointed day in respect of any contributions payable under the Act and the former principal Act may, if not expressly or impliedly appropriated by that person to contributions under those Acts and if such appropriation cannot reasonably be obtained, be appropriated under either or both of those Acts by the Secretary of State in such manner as the Secretary of State may direct having regard to the best interests of the person or persons in respect of whom the payments are made.

(a) S.I. 1948/1274 (Rev. XVI, p. 148: 1948 I, p. 3037).

(b) The amending regulations are not relevant to the subject matter of this regulation.

(c) 1965 c. 54.

(d) 1965 c. 62.

(2) Without prejudice to the provisions of regulations 75, 88 and 117 of these regulations (special transitional provisions) for the purposes of facilitating the winding up of the system of insurance under the former principal Act and the disposal of matters connected with that system there shall continue in force the enactments specified in the first column of Part I of Schedule 7 to these regulations, save that, in so far as such enactments, other than section 117(1) of the former principal Act (general savings etc.), are also specified in column 1 of Part II of that Schedule, they shall continue in force only to the extent necessary to preserve in force the regulations specified in column 2 of that Part.

PART X

125. For the purposes of Class 2 contributions where a contribution week falls partly in one year and partly in another, it shall be treated as falling wholly within the year in which it begins.

- (a) in the case of contributions paid at the rate reduced or further reduced in accordance with regulation 80(1)(b) of these regulations (modification of section 4(6)(b) of the Act in relation to mariners) the said subsection (4) shall apply as if, instead of the percentage figure specified in paragraph (b) thereof there were the percentage figure, “0·3”;
- (b) in the case of contributions paid at the percentage rate reduced in accordance with regulation 80(1)(a) or, as the case may be, regulation 109(1)(b) of these regulations (reduction of rate of secondary Class 1 contributions in respect of mariners and members of the forces), the said subsection (4) shall apply as if, instead of the words following the words “secondary Class 1 contributions, means” there were the words “no sum as on account of contributions to the Redundancy Fund”.

Northern Ireland

128. The provisions of Case E of Part VIII of these regulations (members of the forces) shall apply to Northern Ireland, but, except for the purposes of those provisions, these regulations shall not so apply.

PARTS II AND III

DEDUCTION OF EARNINGS-RELATED CONTRIBUTIONS

Deduction of earnings-related contributions

6.—(1) Every employer, on making any payment of emoluments during any year to an employee in respect of whom he holds a deduction card for that year, may deduct earnings-related contributions in accordance with these Regulations.

(2) An employer shall not be entitled to recover any earnings-related contributions paid or to be paid by him on behalf of any employee otherwise than by deduction in accordance with these Regulations.

Calculation of deduction

13.—(1) Subject to the provisions of paragraph (1A) of this Regulation, on making any payment of emoluments to the employee, the employer may deduct from those emoluments the amount of the earnings-related contributions based thereon which the employee is liable to pay under section 4(3) of the Act.

(1A) Where two or more payments of emoluments fall to be aggregated the employer may deduct the amount of the earnings-related contributions based thereon which are payable by the employee either wholly from one such payment or partly from one and partly from the other or any one or more of the others.

(2A) If by reason of an error made in good faith the employer on making any payment of emoluments to an employee fails to deduct therefrom the full amount of earnings-related contributions which by virtue of these Regulations he is entitled to deduct, he may, subject to the provisions of the next succeeding paragraph of this Regulation, recover the amount so underdeducted by deduction from any subsequent payment of emoluments to that employee during the same year.

(3A) For the purposes of the provisions of the preceding paragraph of this Regulation—

- (a) the amount which by virtue of the provisions of that paragraph may be deducted from any payment, or from any payments which fall to be aggregated, shall be in addition to but shall not exceed the amount deductible therefrom under the other provisions of these Regulations; and
- (b) for the purposes of Part IV of these Regulations an additional amount which may be deducted by virtue of the provisions of that paragraph shall be treated as an amount deductible under these Regulations only in so far as the amount of the corresponding underdeduction has not been so treated.

(6) The employer shall, subject to the provisions of paragraphs (6A) and (6B) of this Regulation, record, either on the deduction card or in such other form as may be authorised by the Commissioners of Inland Revenue or, as the case may be, the Secretary of State, the name and national insurance number of the employee, the appropriate category letter from time to time being in relation to the employee, being the appropriate category letter indicated by the Secretary of State and the following particulars regarding every payment of emoluments which he makes to the employee namely—

- (a) the date of payment;
- (b) the amount of—
 - (i) the emoluments (excluding any allowable superannuation contributions);
 - (ii) all the earnings-related contributions payable on the emoluments otherwise than under paragraph (2A) of this Regulation;
 - (iii) the primary Class 1 contributions under the Act included in the amount recorded under head (ii).

(6A) Where allowable superannuation contributions are paid by or on behalf of the employee, such contributions shall be separately recorded by the employer.

(6B) Where 2 or more payments of emoluments fall to be aggregated, the employer, instead of recording under heads (ii) and (iii) of paragraph (6) (b) of this Regulation separate amounts in respect of each such payment, shall under each head record a single amount, being the total of the contributions appropriate to the description specified in that head, in respect of the aggregated payments.

(6C) Where the employer does not record on a deduction card the information specified in the last 3 preceding paragraphs of this Regulation, he shall retain the information in the form authorised by the Commissioners of Inland Revenue or, as the case may be, the Secretary of State for a period of 3 years after the end of the income tax year in which the emoluments were paid.

Employee for whom deduction card not held

20.—(1) If the employer makes any payment of emoluments to an employee in respect of whom he does not hold a deduction card and that payment is a payment of emoluments in respect of which earnings-related contributions are payable, he may deduct the amount of the earnings-related contributions based thereon which are payable by the employee and shall keep records on a deduction card which he shall prepare for the purpose and shall do likewise on making any subsequent payment of emoluments to the employee.

PART IV

PAYMENT AND RECOVERY OF EARNINGS-RELATED CONTRIBUTIONS, ETC.

Payment of earnings-related contributions by employer

26.—(1) Within 14 days of the end of every income tax month the employer shall pay to the Collector all amounts of earnings-related contributions due in respect of emoluments paid by him during that income tax month, other than amounts deductible by virtue of Regulation 13(1A) which he did not deduct:

Provided that—

- (a) the employer shall for the purposes of this paragraph be deemed to have deducted from the last of any number of payments of emoluments which fall to be aggregated the amount of earnings-related contributions deductible from those payments which he did not deduct from the earlier payments; and
- (b) where the Inspector has authorised the employer to deduct income tax from each payment of emoluments which he makes to an employee who is in receipt of a fixed salary or wage by reference only to the amount of that payment, payment to the Collector under this paragraph shall be made quarterly, that is to say, the earnings-related contributions deductible during the first 3 income tax months in any year shall be paid together with the corresponding employer's contributions not later than 19th July in that year, the earnings-related contributions deductible during the second 3 income tax months shall be paid together with the corresponding employer's contributions not later than 19th October, and so on.

(2) The Collector shall if so requested give the employer a receipt for the total amount so paid, provided that no separate receipt need be given for earnings-related contributions only if a receipt is given for the total amount of earnings-related contributions and any tax paid at the same time.

(3) If the employer, by reason of an error made in good faith, has paid to the Collector on account of earnings-related contributions under this Regulation an amount which he was not liable so to pay, the amounts which he is liable so to pay subsequently, in respect of other payments of emoluments made by him during the same year, shall be reduced by the amount so overpaid, so however that if there was a corresponding overdeduction from any payment of emoluments to an employee the provisions of this paragraph shall apply only in so far as the employer has accounted to the Collector therefor.

Employer failing to pay earnings-related contributions

27.—(1) If within 14 days of the end of any income tax month the employer has paid no amount of earnings-related contributions to the Collector under Regulation 26 for that income tax month and the Collector is unaware of the amount, if any, which the employer is liable so to pay, the Collector may give notice to the employer requiring him to render, within the time limited in the notice, a return showing the name and category letter of every employee to whom he made any payment of emoluments in the period from the preceding 6th April to the day (being the last day of an income tax month) specified by the notice, together with such particulars with regard to each such employee as the notice may require, being particulars of—

- (b) the payments of emoluments made to him during that period; and
- (c) the total amount of the earnings-related contributions which the employer was liable to pay in respect of those emoluments during that period, and any matter affecting the calculation of that amount.

(2) The Collector shall ascertain and certify the amount of earnings-related contributions which the employer is liable to pay to him in respect of the income tax month in question.

(3) The production of the certificate of the Collector under paragraph (2) of this Regulation shall, unless the contrary is proved, be sufficient evidence that the amount shown in the said certificate is the amount of earnings-related contributions which the employer is liable to pay to the Collector in respect of the income tax month in question; and any document purporting to be such a certificate as aforesaid shall be deemed to be such a certificate until the contrary is proved.

(4) Where a notice given by the Collector under paragraph (1) of this Regulation extends to two or more consecutive income tax months, the provisions of these Regulations shall have effect as if the said consecutive income tax months were one income tax month.

(5) A notice may be given by the Collector under paragraph (1) of this Regulation notwithstanding that an amount of earnings-related contributions has been paid to him by the employer under Regulation 26 for any income tax month, if the Collector is not satisfied that the amount so paid is the full amount which the employer is liable to pay to him for that month, and the provisions of this Regulation shall have effect accordingly.

Recovery of earnings-related contributions

28.—(1) The provisions of the Income Tax Acts and of any Regulations under section 204 (pay as you earn) of the Income and Corporation Taxes Act 1970(a) relating to the recovery of tax shall apply to the recovery of any amount of earnings-related contributions which an employer is liable to pay to the Collector for any income tax month under Regulation 26 as if the said amount had been tax which the employer was liable to pay to the Collector for that month under that section or under any such Regulations:

Provided that, in the application to any proceedings taken by virtue of this Regulation of any such provisions limiting the amount which is recoverable therein, there shall be disregarded any amount of tax which may by virtue of the following paragraph be included as part of the cause of action or matter of complaint in those proceedings.

(2) Proceedings may be brought for the recovery of the total amount of earnings-related contributions or of earnings-related contributions and of tax which, in either such case, the employer is liable to pay as aforesaid for any income tax month, without specifying the respective amounts of earnings-related contributions and of tax or distinguishing the amounts which he is liable to pay in respect of each employee and

without specifying the employees in question, and for the purposes of proceedings under section 66 of the Taxes Management Act 1970(a) (including proceedings under that section as applied by the provisions of this Regulation), and for the purposes of summary proceedings (including in Scotland proceeding in the sheriff court or in the sheriff's small debt court), the said total amount shall, subject to the provisions of the proviso to paragraph (1) of this Regulation, be one cause of action or one matter of complaint; but nothing in this paragraph shall prevent the bringing of separate proceedings for the recovery of each of the several amounts of earnings-related contributions and of tax which the employer is liable to pay as aforesaid for any income tax month in respect of his several employees.

Return by employer at end of year

30.—(1) Not later than 14 days after the end of the year the employer shall render to the Collector in such form as the Commissioners of Inland Revenue may approve or prescribe, a return in respect of each employee containing such particulars as the said Commissioners may require for the identification of the employee and showing in respect of each and under each of the category letters the total amounts for the year shown under each of the heads (ii) and (iii) severally of Regulation 13(6)(b) of these Regulations.

(2) The said returns shall be accompanied by a statement and declaration in the form approved or prescribed by the Commissioners of Inland Revenue containing a list of all deduction cards issued by the Inspector to the employer or prepared by the employer in accordance with Regulations in respect of that year, together with a certificate showing—

- (a) the total amount of earnings-related contributions payable by him in respect of each employee during that year; and
- (b) the total amount of earnings-related contributions payable by him in respect of all his employees during that year.

(3) Where the employer is a body corporate, the declaration and the certificate referred to in paragraph (2) shall be signed by the secretary or by a director of the body corporate.

(5) A return shall be made under this Regulation in respect of every employee in respect of whom a deduction card has been either issued to the employer by the Inspector or prepared by the employer in accordance with Regulations, or to whom the employer has at any time during the year made a payment of emoluments in respect of which earnings-related contributions were payable.

(6) If within 14 days of the end of any year an employer has failed to pay to the Collector the total amount of earnings-related contributions which he is liable so to pay, the Collector may prepare a certificate showing the amount of earnings-related contributions remaining unpaid for that year. To the amount shown in the said certificate the provisions of paragraphs (1) and (2) of Regulation 28 shall with any necessary modifications apply.

(6A) Notwithstanding the foregoing provisions of this Regulation, the return referred to in paragraph (1) of this Regulation may be made in such other form as the Secretary of State may, with the agreement of the Commissioners of Inland Revenue and the employer, approve, and in that case—

- (a) the foregoing provisions of this Regulation shall not apply;
- (b) the making of the return shall be subject to such conditions as the Secretary of State may direct as to the method of making it; and
- (c) the return shall be made to the Secretary of State and not to the Collector.

Inspection of employer's records

32.—(1) Every employer, whenever called upon to do so by an officer authorised by the Secretary of State or by the Commissioners of Inland Revenue, shall produce to that officer for inspection, at the employer's premises—

- (a) all wages sheets, deduction cards, and other documents and records whatsoever relating to the calculation of payment of the emoluments of his employees in respect of the years or income tax months specified by such officer or to the amount of the earnings-related contributions payable in respect of those emoluments; or
- (b) such of those wages sheets, deduction cards or other documents and records as may be specified by the authorised officer.

(2) The Collector by reference to the information obtained from an inspection of the documents and records produced under paragraph (1) may on the occasion of each inspection prepare a certificate showing—

- (a) the amount of earnings-related contributions which it appears from the documents and records so produced that the employer is liable to pay to the Collector for the years or income tax months covered by the inspection; and
- (b) any amount of such earnings-related contributions which has not been paid to him or, to the best of his knowledge and belief, to any other person to whom it might lawfully be paid.

(3) The production of a certificate such as is mentioned in paragraph (2) shall, unless the contrary is proved, be sufficient evidence that the employer is liable to pay to the Collector in respect of the years or, as the case may be, income tax months mentioned in the certificate the amount shown therein pursuant to paragraph (2)(b); and any document purporting to be such a certificate as aforesaid shall be deemed to be such a certificate until the contrary is proved.

(4) The provisions of paragraphs (1) and (2) of Regulation 28 shall with any necessary modifications apply to the amount shown in such a certificate.

Death of employer

33. If an employer dies, anything which he would have been liable to do under these Regulations shall be done by his personal representatives, or, in the case of an employer who paid emoluments on behalf of another person, by the person succeeding him or, if no person succeeds him, the person on whose behalf he paid emoluments.

Succession to a business, etc.

34.—(1) This Regulation applies where there has been a change in the employer from whom an employee receives emoluments in respect of his employment in any trade, business, concern or undertaking, or in connection with any property, or from whom an employee receives any annuity other than a pension.

(2) Where this Regulation applies, in relation to any matter arising after the change, the employer after the change shall be liable to do anything which the employer before the change would have been liable to do under these Regulations if the change had not taken place:

Provided that the employer after the change shall not be liable for the payment of any earnings-related contributions which were deductible from emoluments paid to the employee before, unless they are also deductible from emoluments paid to the employee after, the change took place or of any corresponding employer's earnings-related contributions.

PART V

SPECIAL PROVISIONS APPLICABLE TO SEAMEN

Interpretation of Part V

35. In this Part of these Regulations, except where the context otherwise requires—

“employer” includes the master of a ship;

“seaman” means any person—

- (a) who has signed an agreement with the crew of a ship to which any determination of the National Maritime Board relating to remuneration applies, not being a member of the naval, military or air forces of the Crown or of any service administered by the Defence Council or a person in the employment of the British Railways Board; or
- (b) who, being employed on a ship, is a person to whom there has been issued a British Seaman’s Card of which he has not ceased to be regarded as the holder;

and for the purpose of this definition—

- (i) where a seaman becomes employed under an agreement with the crew at a place outside the United Kingdom on terms which adopt any determination of the National Maritime Board relating to remuneration, that ship shall be deemed to be a ship to which that determination applies if the determination would have applied to the ship if the seaman had become so employed in the United Kingdom;
- (ii) where an arrangement has been made for the purposes of deduction of tax from the emoluments of persons resident in the United Kingdom who are employed or engaged in sea-going service in any foreign ship, those persons shall be deemed to be seamen.

Deduction of earnings-related contributions from seamen’s emoluments

37.—(1A) Subject to the provisions of Regulation 43 of these Regulations, Parts II and III of these Regulations shall not apply in the case of a seaman and every employer, on making any payment of a seaman’s emoluments, may deduct earnings-related contributions therefrom in accordance with the provisions of this Part of these Regulations.

(2A) An employer shall not be entitled to recover any earnings-related contributions paid or to be paid by him on behalf of any seaman otherwise than by deduction in accordance with the provisions of this Part of these Regulations.

(3A) On the occasion of the payment of any seaman’s emoluments there may be deducted therefrom the amount, if any, of the earnings-related contributions based thereon which the seaman is liable to pay under those provisions of the Act which relate to earnings-related contributions or under those provisions as modified by any regulations made under section 129 of the Act modifying the statutory provisions in relation to earnings-related contributions for a seaman.

(4A) If by reason of an error made in good faith the employer, on making any payment of emoluments to a seaman, fails to deduct therefrom the full amount of earnings-related contributions which by virtue of these Regulations he is entitled to deduct, he may, subject to the provisions of the next succeeding paragraph of these Regulations, recover the amount so underdeducted by deduction from any subsequent payment of emoluments to that employee during the same year.

(5A) The provisions of the last foregoing paragraph shall be subject to the following conditions:—

- (a) the amount which may be deducted by virtue of the provisions of that paragraph from any payment shall be in addition to but shall not exceed the amount deductible therefrom under the other provisions of these Regulations; and

- (b) for the purposes of Part IV of these Regulations and of Regulations 39 and 41 an additional amount which may be deducted by virtue of the provisions of this paragraph shall be treated as an amount deductible under the provisions of these Regulations only in so far as the amount of the corresponding underdeduction has not been so treated.

Payment of earnings-related contributions to Collector

39. All amounts of earnings-related contributions which are payable in respect of any payment of emoluments under the provisions of these Regulations shall be paid to the Collector within the time limited for the payment of income tax, if any, deductible from that payment of emoluments or, if income tax is not so deductible, the time which would be so limited if income tax were so deductible.

Return to be rendered by employer

40. Every employer who makes any payment of emoluments to a seaman shall, within the time specified in Regulation 39 for the payment of the earnings-related contributions, if any, payable in respect of those emoluments, render a return to the Collector in such form as may be authorised by the Commissioners of Inland Revenue showing as regards every payment of emoluments which he makes to the seaman—

- (a) the seaman's name;
- (b) the seaman's rank or rating and discharge book number;
- (c) the seaman's national insurance number;
- (d) the appropriate category letter of the seaman as indicated by the Secretary of State; and
- (e) subject to the provisions of Regulation 13(6A) and (6B) the amounts specified in Regulation 13(6)(b).

Application of Part IV

EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations are made for the purpose only of consolidating the Regulations hereby revoked and accordingly, by virtue of section 139(2) of, and paragraph 20 of Part II of Schedule 15 to, the Social Security Act 1975, no reference of them has been made to the National Insurance Advisory Committee.

The Regulations consolidate under the Social Security Act 1975 and the Social Security (Consequential Provisions) Act 1975 the regulations hitherto in force relating to contributions under the Social Security Act 1973. They make provision for the assessment and collection of contributions, for exception from, and, in the case of Class 4 contributions, deferment of, liability for contributions and for the appropriation, reallocation and refund of contributions. They also apply with necessary adaptations the provisions of the Stamp Duties Management Act 1891 and section 63 of the Post Office Act 1953 to stamps prepared and issued for the purposes of the Social Security Act 1975. They also make provision for the treatment of late paid and unpaid contributions.

Further, the Regulations (in Part VIII) make, in relation to contributions, provision for special classes of earners, namely, airmen (Case A), persons employed in connection with the continental shelf (Case B), mariners (Case C), married women and widows (Case D), members of the forces (Case E) and persons outside Great Britain (Case F). In that Case also provision is made prescribing the conditions of residence or presence in Great Britain for liability or entitlement to pay contributions.

The Regulations also prescribe the transitional provisions for contributions.
