PART 1

RULES

1. In these rules, unless the context otherwise requires—

“assessment” means either a consultation between a patient and a doctor which takes place in person or by telephone or a consideration by a doctor of a written report by another doctor or other health care professional;

“condition” means a specific disease or bodily or mental disability;

“doctor” means a registered medical practitioner, not being the patient;

“other health care professional” means a person (other than a registered medical practitioner and not being the patient) who is a registered nurse, a registered midwife, an occupational therapist or physiotherapist registered with a regulatory body established by an Order in Council under section 60 of the Health Act 1999, or a member of any profession regulated by a body mentioned in section 25(3) of the National Health Service Reform and Health Care Professions Act 2002;

“patient” means the person in respect of whom a statement is given in accordance with these rules.

2. Where a doctor issues a statement to a patient in accordance with an obligation arising under a contract, agreement or arrangement under Part 4 of the National Health Service Act 2006 or Part 4 of the National Health Service (Wales) Act 2006 or Part 1 of the National Health Service (Scotland) Act 1978 the doctor’s statement shall be in a form set out at Part 2 of this Schedule and shall be signed by that doctor.

3. Where a doctor issues a statement in any case other than in accordance with rule 2, the doctor’s statement shall be in the form set out in Part 2 of this Schedule or in a form to like effect and shall be signed by the doctor attending the patient.

4. A doctor’s statement must be based on an assessment made by that doctor.

5. A doctor’s statement shall be completed in ink or other indelible substance and shall contain the following particulars—

- (a) the patient’s name;

and shall bear, opposite the words “Doctor’s signature”, the signature in ink of the doctor making the statement.

6. Subject to rule 8, the condition in respect of which the doctor is advising the patient is not fit for work or, as the case may be, which has caused the patient’s absence from work shall be specified as precisely as the doctor’s knowledge of the patient’s condition at the time of the assessment permits.

7. Where a doctor considers that a patient may be fit for work the doctor shall state the reasons for that advice and where this is considered appropriate, the arrangements which the patient might make, with their employer’s agreement, to return to work.

8. The condition may be specified less precisely where, in the doctor’s opinion, disclosure of the precise condition would be prejudicial to the patient’s well-being, or to the patient’s position with their employer.

9. A doctor’s statement may be given on a date after the date of the assessment on which it is based, however no further statement shall be furnished in respect of that assessment other than a doctor’s statement by way of replacement of an original which has been lost, in which case it shall be clearly marked “duplicate”.

10. Where, in the doctor’s opinion, the patient will become fit for work on a day not later than 14 days after the date of the assessment on which the doctor’s statement is based, the doctor’s statement shall specify that day.

11. Subject to rules 12 and 13, the doctor’s statement shall specify the minimum period for which, in the doctor’s opinion, the patient will not be fit for work or, as the case may be, for which they may be fit for work.

12. The period specified shall begin on the date of the assessment on which the doctor’s statement is based and shall not exceed 3 months unless the patient has, on the advice of a doctor, refrained from work for at least 6 months immediately preceding that date.

13. Where—

- (a) the patient has been advised by a doctor that they are not fit for work and, in consequence, has refrained from work for at least 6 months immediately preceding the date of the assessment on which the doctor’s statement is based; and
- (b) in the doctor’s opinion, the patient will not be fit for work for the foreseeable future,

instead of specifying a period, the doctor may, having regard to the circumstances of the particular case, enter, after the words “case for”, the words “an indefinite period”.

EXPLANATORY NOTE

The Regulations provide for the manner in which evidence of incapacity for work or of expected confinement or confinement is to be given for the purposes of a claim for benefit under the Social Security Act 1975 for which evidence is required. The Regulations replace the Social Security (Medical Certification) Regulations 1975 (“the 1975 Regulations”) which are revoked.

The Regulations and Rules in Schedule 1 prescribe a certificate in the form of a doctor's statement in which the issuing doctor advises the claimant that he need not refrain from work or, as the case may be, that he should refrain from work for a period of up to 6 months, or longer in certain circumstances. Certificates for the purposes of maternity benefit are prescribed in Schedule 2 and correspond to those in the 1975 Regulations. The Regulations amend the Social Security (Claims and Payments)
