EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations amend the Social Security (Attendance Allowance) (No. 2) Regulations 1975 so as to allow attendance allowance to be payable in respect of a child who is boarded out with foster parents by a local authority and so as to make certain other minor corrections and amendments to those regulations. The Regulations also amend the Social Security (Claims and Payments) Regulations 1975 so as to enable claims for benefit under the Supplementary Benefits Act 1976 to be treated also as claims for attendance allowance and to vary the special provisions relating to payment of attendance allowance for persons out of hospital for short periods.
