## EXPLANATORY NOTE

*(This Note is not part of the Order.)*

This Order, which is made in consequence of the approval of the structure plans for those parts of the Counties of Staffordshire and West Midlands described in the Schedule to the order (formerly the county boroughs of Stoke-on-Trent and Burton upon Trent and part of the administrative county of Staffordshire), repeals for the areas covered by those structure plans the provisions of the Town and Country Planning Act 1971 relating to development plans which are contained in Part I of Schedule 5 and in Schedule 6 to that Act. Those provisions which substantially re-enacted the provisions of the former Town and Country Planning Act 1962 (c. 38) relating to development plans, are now superseded, in the area to which this order relates, by the provisions relating to structure and local plans contained in Part II of the Act of 1971.

Following this repeal, the development plans for the area to which this order relates are, by virtue of the provisions of paragraph 2 of Schedule 7 to the Act, the above mentioned structure plans read together with the development plans (within the meaning of Schedule 5) which are in force in that area at the date when this order comes into operation. The structure plans prevail in any case of conflict between the provisions of the structure plans and the old development plans.
