## The Importation of Embryos, Ova and Semen Order 1980

### **Indictable offences**

**9.** Section 3 of the Diseases of Animals Act 1975 (prosecution on indictment of certain offences connected with importation) shall apply to an offence which consists of—

- (a) the landing in Great Britain of any embryos, ova or semen in contravention of the provisions of article 4(1) above with intent to evade those provisions, or
- (b) the failure by any person to observe any condition of a licence with intent to evade such condition.
