Any changes that have already been made by the team appear in the content and are referenced with annotations. (See end of Document for details)*

“normal working week” means—

- (a) in relation to an examiner, the times of the week which in the application of that examiner to the Secretary of State for an authorisation are specified as the times of the week during which that examiner will accept vehicles for examination or such other times of the week as may subsequently be substituted for times so specified by the examiner with the consent of the Secretary of State;
- (b) in relation to a designated council, the times of the week notified to the Secretary of State by that council as the times of the week during which they will accept vehicles for examination; and
- (c) in relation to the Secretary of State, the times of the week during which at any vehicle testing station of the Secretary of State he will accept vehicles for examination;

[<sup>F9</sup>“play bus” means a motor vehicle which was originally constructed to carry more than 12 passengers but which has been adapted primarily for the carriage of playthings for children (including articles required in connection with the use of those things);]

“public service vehicle” has the meaning given by section 1(1)(a) of the 1981 Act;

“the prescribed statutory requirements” has the meaning given by Regulation 4(2);

“serial number”, in relation to a vehicle the chassis of which has not been constructed separately from its superstructure, means the number given to, and for the purpose of identifying, the vehicle by its manufacturer;

“traffic area” means a traffic area constituted as mentioned in section 80(1) of the 1981 Act and “office” in relation to such an area means any office provided for the use of the traffic commissioners for that area; and

“vehicle testing station” means premises at which the Secretary of State has authorised an examiner to carry out examinations or premises provided by a designated council or the Secretary of State for carrying out examinations.

- (2) Unless the context otherwise requires, any reference in these Regulations to—
  - (a) a numbered section is a reference to the section bearing that number in the 1972 Act;
  - (b) a numbered Regulation or Schedule is a reference to the Regulation or Schedule bearing that number in these Regulations, and
  - (c) a numbered paragraph is a reference to the paragraph bearing that number in the Regulations in which the reference appears.

(3) For the purposes of these Regulations the unladen weight of a vehicle shall be computed in accordance with Schedule 6 to the Vehicles (Excise) Act 1971.

(4) In calculating for the purposes of the definition of “large passenger carrying vehicle” the number of seated passengers which the vehicle is constructed or adapted to carry a length of at least 400 millimetres measured horizontally along the front of each seat shall be allowed for the accommodation of each such passenger. Where a continuous seat is fitted with arms for the purpose of separating the seating spaces and the arms are so constructed that they can be folded back or otherwise put out of use, the seat shall be measured for the purposes of this paragraph as though it were not fitted with arms.

(5) For the purposes of these Regulations the provisions of [<sup>F10</sup>Regulation 3(3)] of the Construction and Use Regulations shall apply for determining when a motor vehicle is first used.
