EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order, which comes into operation on 1st January 1984, replaces the Customs Duties (Greece) Order 1982, which is revoked. It implements obligations of the United Kingdom under the Treaty of Accession of Greece to the European Economic Communities by providing for the fourth stage of reductions in the customs duties between the United Kingdom and Greece applicable during 1984.

The reduction of duty is of a further 20 per cent. (making the total reduction 60 per cent.) in respect of all products listed in Schedule 1 and will apply from 1st January 1984 (Article 2). The further 20 per cent. reduction of duty (making the total reduction 80 per cent.) on products covered by the European Economic Community's common organisation of the market in beef and veal which are listed in Schedule 2 will apply from the start of the 1984/85 beef and veal marketing year (Article 4). From 1st January until that date the duties on these products will continue at the existing rates (Article 3). If, however, the European Economic Community reduces the duties to be charged by means of any directly applicable Community legislation such lower rates of duty will apply (Article 5).

The characteristics of goods which are entitled to benefit from the reduction (and eventual abolition) of duties between Greece and other Member States of the Communities are described in Commission Regulation (EEC) 49/81 (OJ No L4, 1.1.1981, p. 1) on methods of administrative cooperation to safeguard during the transitional period the free movement of goods in trade between Greece and the other Member States.

The beef and veal marketing year is determined in accordance with Article 4 of Council Regulation EEC No. 805/68 (OJ Special Edition 1968(I), p. 187) which provides that the marketing year shall begin on the first Monday in April of each year and end on the day preceding that day in the following year except where the Council acting by a qualified majority decide otherwise. The beef and veal marketing year for 1984/85 will, therefore, run from 4th April 1984 until 1st April 1985, unless the Council decide otherwise.
