The Control of Movement of Goods Regulations 1984

Completion of removals, time limits and accidents

16.—(1) Save as the Commissioners otherwise allow, the person in charge of goods proceeding under a removal shall complete the removal by producing the goods, together with the vehicle or container in which they are carried if such vehicle or container has been secured or identified, and delivering a removal document to the proper officer at the approved place or, in the case of goods intended for export, at the place of exportation.

(2) The Commissioners may allow the removal of goods intended for export to be completed by the person in charge of the goods placing them, together with any container in which they are carried if such container has been secured or identified, under the control of the loader and delivering the removal document to him.
