EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These regulations amend the Dairy Produce Quotas Regulations 1984 by increasing the maximum number of members of the Dairy Produce Quota Tribunals for England and Wales and for Northern Ireland and of members of local panels. The maximum number for Tribunals changes from 12 to 30, and the maximum number for local panels changes from 7 to 15.

The Dairy Produce Quotas Regulations 1984 implement regulations of the European Community setting up a quota system for dairy produce. The Dairy Produce Quota Tribunals and local panels are bodies set up to consider applications from producers to be treated as special cases and awarded additional quota.
