## EXPLANATORY NOTE

*(This Note is not part of the Order.)*

This Order amends, with effect from the 1st April 1984, provisions contained in the Document setting out the scales and other provisions for determining the remuneration of teachers employed in further education establishments who are paid by local education authorities and of further education teachers employed by such authorities. This Document, entitled "Scales of Salaries for Teachers in Further Education, England and Wales 1983", which was amended by the Remuneration of Teachers (Further Education) (Amendment) Orders 1984 and 1985, may be obtained from Government Bookshops or through booksellers.

The Order gives effect to recommendations made by the appropriate Burnham Committee under section 2 of the Remuneration of Teachers Act 1965. The amendments increase the London Area Allowances payable to teachers in the Fringe Area, as defined in section 11 of the Document, and add to the list of courses in Annex III to Appendix B to the Document which entitle certain lecturers to receive an increment on the appropriate salary scale.

The retrospective effect of the Order is authorised by section 7(3) of the Remuneration of Teachers Act 1965.
