Sequelae or resulting conditions

3. Where a person—

- (a) is or was in employed earner's employment and a disease is or was prescribed under the Act and these regulations in relation to him in such employment; and
- (b) is suffering from a condition which, in his case, has resulted from that disease;

the provisions of Chapter V of Part II of the Act and of these regulations shall apply to him as if he were suffering from that disease, whether or not the condition from which he is suffering is itself a prescribed disease.

Presumption that a disease is due to the nature of employment

4.—(1) Where a person has developed a disease which is prescribed in relation to him in Part I of Schedule 1 hereto, other than the disease numbered A10, [^{F5}A12,] B5, [^{F6}C1, C2, C4, C5A, C5B, C6, C7, C12, C13, C16, C19, C20, C21, C22, C23, C25, C26, C27, C29, C30,] D1, D2, ^{F7}... [^{F8}D5 and D12] in that Schedule, that disease shall, unless the contrary is proved, be presumed to be due to the nature of his employed earner's employment if that employment was in any occupation set against that disease in the second column of the said Part and he was so employed on, or at any time within one month immediately preceding, the date on which, under the subsequent provisions of these regulations, he is treated as having developed the disease.

(2) Where a person in relation to whom tuberculosis is prescribed in paragraph B5 of Part I of Schedule 1 hereto develops that disease, the disease shall, unless the contrary is proved, be presumed to be due to the nature of his employed earner's employment if the date on which, under the subsequent provisions of these regulations, he is treated as having developed the disease is not less than 6 weeks after the date on which he was first employed in any occupation set against the disease in the second column of the said Part and not more than 2 years after the date on which he was last so employed in employed earner's employment.

(3) Where a person in relation to whom pneumoconiosis is prescribed in regulation 2(b)(i) develops pneumoconiosis, the disease shall, unless the contrary is proved, be presumed to be due to the nature of his employed earner's employment if he has been employed in one or other of the occupations set out in Part II of the said Schedule 1 for a period or periods amounting in the aggregate to not less than 2 years in employment which either—

- (a) was employed earner's employment; or
- (b) would have been employed earner's employment if it had taken place on or after 5th July 1948.

(4) Where a person in relation to whom byssinosis is prescribed in paragraph D2 of Part I of Schedule 1 hereto develops byssinosis, the disease shall, unless the contrary is proved, be presumed to be due to the nature of his employed earner's employment.

(5) Where a person in relation to whom occupational deafness is prescribed in regulation 2(c) develops occupational deafness the disease shall, unless the contrary is proved, be presumed to be due to the nature of his employed earner's employment.

[^{F9}(6) Where a person in relation to whom chronic bronchitis or emphysema is prescribed in paragraph D12 of Schedule 1 develops chronic bronchitis or emphysema, the disease shall, unless the contrary is proved, be presumed to be due to the nature of his employed earner's employment.]

[^{F10}(7) Where a person in relation to whom primary neoplasm of the epithelial lining of the urinary tract is prescribed in paragraph C23 of Part I of Schedule 1 in respect of the occupation set out in sub-paragraph (a), (b) or (e) in the second column of the entry relating to the disease numbered C23, develops that disease, it shall, unless the contrary is proved, be presumed to be due to the nature of his employed earner's employment if he was employed in one of those occupations on, or at any time within one month immediately preceding, the date on which, under the subsequent provisions of these Regulations, he is treated as having developed the disease.]
