**1986 No. 1992**

**The Control of Pollution (Anglers'  
Lead Weights) Regulations 1986**

**Prohibition of supply of lead in form of lead weights**

4.—(1) Subject to regulation 5, the supply of lead in the form of a lead weight for the purpose of weighting fishing lines is prohibited.

(2) A person supplying split shot shall unless the contrary is shown be presumed to supply it for the purpose of weighting fishing lines.
