EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations amend the Police Regulations 1979 with effect, as provided by Regulation 2, for the purposes of regulation 5, as from 1st July 1985, for the purposes of Regulation 6, as from 1st November 1985 and, for other purposes, as from 1st June 1986 (retrospection is authorised by section 33(4) of the Police Act 1964).

Regulation 4 corrects a drafting slip in Regulation 27 of the 1979 Regulations (as substituted by the Police (Amendment) (No. 2) Regulations 1985 (S.I. 1985/885)). Regulation 5 increases from £837 to £885 the London weighting payable to a member of the City of London or metropolitan police force and the corresponding supplement payable to a member of another police force who takes up residence as a university scholar within the City of London or the metropolitan police district. Regulation 6 supplements the provision for the payment of removal allowance to police officers by police authorities under Regulation 51 of the 1979 Regulations. It provides that where a police officer has been requested to move home by the chief constable, in the interests of the efficiency of the force, and the proposed move is cancelled as a result of a further decision of the chief constable, the police authority shall pay any expenses which the police officer has incurred in connection with the proposed removal and which would have qualified for payment by the police authority had he actually moved.

Regulation 7 provides for a police officer to be given additional compensatory annual leave where he has been recalled to duty in certain circumstances on a day of annual leave or a day taken off in lieu of overtime. The entitlement is 2 days compensatory leave for each of the first two days recalled, and 1½ days for every subsequent day. This provision does not apply to recalls prior to 1st April 1985.
