EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Seeds (Registration, Licensing and Enforcement) Regulations 1985 by providing that (1) seed testing stations licensed to test seeds for the purposes of seeds regulations shall not derive any private gain in carrying out such tests (other than any fees payable under seeds regulations) and (2) licensed crop inspectors and seed samplers shall not derive any private gain in carrying out their functions (other than any fees payable under seeds regulations) (regulation 2(a) and (b)).

The Regulations implement in part Council Directive [66/401/EEC](#) (as amended) (OJNo. 125, 11.7.66, p.2298/66) (OJ/SE 1965—66, p.132) on the marking of fodder plant seed, Council Directive [66/402/EEC](#) (as amended) (OJ No. 125, 11.7.66, p.2309/66) (OJ/SE 1965—66, p.143) on the marketing of cereal seed, Council Directive [69/208/EEC](#) (OJ No. L169, 10.7.69, p.3) (OJ/SE 1969 (ii), p.315) on the marketing of seeds of oil and fibre plants, Council Directive [70/458/EEC](#) (OJ No. L225, 12.10.70, p.7) on the marketing of vegetable seeds and Council Directive [66/400/EEC](#) (OJ No. L125, 11.7.66, p.2290/66) (OJ/SE 1965—66, p.143) on the marketing of beet seed, all of which Directives require that a person carrying out the testing, sampling and inspection of seeds for the purposes of those Directives shall not derive any private gain from such activities.

The Regulations also amend the form of certificate prescribed by the 1985 Regulations of the result of a test of a sample of seeds carried out for the enforcement of seeds regulations so as to include reference to the result of a test for pea bacterial blight infection (regulation 2(c)).
