- (a) in a case where it is payable in respect of a period, a period equal to the length of that period;
- (b) in any other case, a period equal to such number of weeks as is equal to the number obtained (and any fraction shall be treated as a corresponding fraction of a week) by dividing the net earnings, or in the case of income which does not consist of earnings, the amount of that income [<sup>F11</sup>less any amount paid by way of tax on that income which is disregarded under paragraph 1 of Schedule 9 (income other than earnings to be disregarded)] by the amount of income support which would be payable had the payment not been made plus an amount equal to the total of the sums which would fall to be disregarded from that payment under Schedule 8 [<sup>F12</sup>(earnings to be disregarded) or, as the case maybe, any paragraph of Schedule 9 other than paragraph 1 of that Schedule,] as is appropriate in the claimant's case,

and that period shall begin on the date on which the payment is treated as paid under regulation 31 (date on which income is treated as paid).

(3) Where earnings not of the same kind are derived from the same source and the periods in respect of which those earnings would, but for this paragraph, fall to be taken into account—

- (a) overlap, wholly or partly, those earnings shall be taken into account over a period equal to the aggregate length of those periods;
- (b) and that period shall begin with the earliest date on which any part of those earnings would otherwise be treated as paid under regulation 31 (date on which income is treated as paid).

- (a) a period equal to such number of weeks as is equal to the number (less any fraction of a whole number) obtained by dividing the net earnings by the maximum weekly amount which, on the date on which the payment of earnings is made, is specified in paragraph 8(1)(c) of Schedule 14 to the Employment Protection (Consolidation) Act 1978; or

### [<sup>F141</sup>Diminishing notional capital rule

**51A.**—(1) Where a claimant is treated as possessing capital under regulation 51(1) (notional capital), the amount which he is treated as possessing—

- (a) in the case of a week that is subsequent to—
- (i) the relevant week in respect of which the conditions set out in paragraph (2) are satisfied, or
  - (ii) a week which follows that relevant week and which satisfies those conditions,

shall be reduced by an amount determined under paragraph (2);

- (b) in the case of a week in respect of which paragraph (1)(a) does not apply but where—
- (i) that week is a week subsequent to the relevant week, and
  - (ii) that relevant week is a week in which the condition in paragraph (3) is satisfied,
- shall be reduced by the amount determined under paragraph (3).

(2) This paragraph applies to a benefit week or part week where the claimant satisfies the conditions that—

- (a) he is in receipt of income support; and

*Status: Point in time view as at 12/12/1995.*

*Changes to legislation: There are currently no known outstanding effects for the The Income Support (General) Regulations 1987, PART V. (See end of Document for details)*

(b) but for regulation 51(1), he would have received an additional amount of income support in that benefit week or, as the case may be, that part week;  
and in such a case, the amount of the reduction for the purposes of paragraph (1)(a) shall be equal to that additional amount.

(3) Subject to paragraph (4), for the purposes of paragraph (1)(b) the condition is that the claimant would have been entitled to income support in the relevant week, but for regulation 51(1), and in such a case the amount of the reduction shall be equal to the aggregate of—

- (a) the amount of income support to which the claimant would have been entitled in the relevant week but for regulation 51(1); and for the purposes of this sub-paragraph if the relevant week is a part-week that amount shall be determined by dividing the amount of income support to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient by 7;
- (b) the amount of housing benefit (if any) equal to the difference between his maximum housing benefit and the amount (if any) of housing benefit which he is awarded in respect of the benefit week, within the meaning of regulation 2(1) of the Housing Benefit (General) Regulations 1987 (interpretation), which includes the last day of the relevant week;
- (c) the amount of community charge benefit (if any) equal to the difference between his maximum community charge benefit and the amount (if any) of community charge benefit which he is awarded in respect of the benefit week, within the meaning of regulation 2(1) of the Community Charge Benefits (General) Regulations 1989 (interpretation) which includes the last day of the relevant week.

[ the amount of council tax benefit (if any) equal to the difference between his maximum  
F142(d) council tax benefit and the amount (if any) of council tax benefit which he is awarded in respect of the benefit week which includes the last day of the relevant week, and for this purpose “benefit week” has the same meaning as in regulation 2(1) of the Council Tax Benefit (General) Regulations 1992 (interpretation).]

(4) The amount determined under paragraph (3) shall be re-determined under that paragraph if the claimant makes a further claim for income support and the conditions in paragraph (5) are satisfied, and in such a case—

- (a) sub-paragraphs (a), (b) and (c) of paragraph (3) shall apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
- (b) subject to paragraph (6), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.

(5) The conditions are that—

- (a) a further claim is made 26 or more weeks after—
  - (i) the date on which the claimant made a claim for income support in respect of which he was first treated as possessing the capital in question under regulation 51(1); or
  - (ii) in a case where there has been at least one re-determination in accordance with paragraph (4), the date on which he last made a claim for income support which resulted in the weekly amount being re-determined; or
  - (iii) the date on which he last ceased to be in receipt of income support; whichever last occurred; and

(b) the claimant would have been entitled to income support but for regulation 51(1).

(6) The amount as re-determined pursuant to paragraph (4) shall not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount shall continue to have effect.

(7) For the purpose of this regulation—

- (a) “part-week” means a period to which sub-section (1A) of section 21 of the Act (amount etc. of income support) applies;
- (b) “relevant week” means the benefit week or part-week in which the capital in question of which the claimant has deprived himself within the meaning of regulation 51(1)—
  - (i) was first taken into account for the purpose of determining his entitlement to income support; or
  - (ii) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to income support on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, income support;and where more than one benefit week or part-week is identified by reference to heads (i) and (ii) of this sub-paragraph the later or latest such benefit week or, as the case may be, the later or latest such part-week;
- (c) “relevant subsequent week” means the benefit week or part-week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.]

## CHAPTER VII

### liable relatives

## Interpretation

**54.** In this Chapter, unless the context otherwise requires—

“claimant” includes a young claimant;

“liable relative” means—

- (a) a spouse or former spouse of a claimant or of a member of the claimant's family;
- (b) a parent of a child or young person who is a member of the claimant's family or of a young claimant;
- (c) a person who has not been adjudged to be the father of a child or young person who is a member of the claimant's family or of a young claimant where that person is contributing towards the maintenance of that child, young person or young claimant and by reason of that contribution he may reasonably be treated as the father of that child, young person or young claimant;
- (d) a person liable to maintain another person by virtue of section 26(3)(c) of the Act (liability to maintain) where the latter is the claimant or a member of the claimant's family,

and, in this definition, a reference to a child's, young person's or young claimant's parent includes any person in relation to whom the child, young person or young claimant was treated as a child or a member of the family;

“payment” means a periodical payment or any other payment made by or derived from a liable relative including, except in the case of a discretionary trust, any payment which would be so made or derived upon application being made by the claimant but which has not been

acquired by him but only from the date on which [<sup>F146</sup>it could be expected to be acquired were an application made]; but it does not include any payment—

- (a) arising from a disposition of property made in contemplation of, or as a consequence of—
  - (i) an agreement to separate; or
  - (ii) any proceedings for judicial separation, divorce or nullity of marriage;
- (b) made after the death of the liable relative;
