29.—(1) ^{F12}... Earnings derived from employment as an employed earner and income which does not consist of earnings shall be taken into account over a period determined in accordance with the following paragraphs and at a weekly amount determined in accordance with regulation 32 (calculation of weekly amount of income).

Calculation of weekly amount of income

32.—(1) For the purposes of regulation 29 (calculation of earnings derived from employed earner's employment and income other than earnings), subject to [^{F29}paragraphs (2) to (7)]^{F30} ..., where the period in respect of which a payment is made—

Status: Point in time view as at 15/11/1999.

Changes to legislation: There are currently no known outstanding effects for the The Income Support (General) Regulations 1987, PART V. (See end of Document for details)

- (a) does not exceed a week, the weekly amount shall be the amount of that payment;
- (b) exceeds a week, the weekly amount shall be determined—
 - (i) in a case where that period is a month, by multiplying the amount of the payment by 12 and dividing the product by 52;
 - (ii) in a case where that period is three months, by multiplying the amount of the payment by 4 and dividing the product by 52;
 - (iii) in a case where that period is a year by dividing the amount of the payment by 52;
 - (iv) in any other case by multiplying the amount of the payment by 7 and dividing the product by the number equal to the number of days in the period in respect of which it is made.

(2) Where a payment for a period not exceeding a week is treated under regulation 31(1)(a) (date on which income is treated as paid) as paid before the first benefit week and a part is to be taken into account for some days only in that week (the relevant days), the amount to be taken into account for the relevant days shall be calculated by multiplying the amount of the payment by the number equal to the number of relevant days and dividing the product by the number of days in the period in respect of which it is made.

(3) Where a payment is in respect of a period equal to or in excess of a week and a part thereof is to be taken into account for some days only in a benefit week (the relevant days), the amount to be taken into account for the relevant days shall, except where paragraph (4) applies, be calculated by multiplying the amount of the payment by the number equal to the number of relevant days and dividing the product by the number of days in the period in respect of which it is made.

(4) In the case of a payment of—

- (a) ^{F31}..., [^{F32}maternity allowance,][^{F33}short-term or long-term incapacity benefit], or severe disablement allowance^{F33}..., the amount to be taken into account for the relevant days shall be the amount of benefit [^{F34}payable] in respect of those days;
- (b) income support [^{F35}or jobseeker's allowance], the amount to be taken into account for the relevant days shall be calculated by multiplying the weekly amount of the benefit by the number of relevant days and dividing the product by seven.

(5) Except in the case of a payment which it has not been practicable to treat under regulation 31(1)(b) as paid on the first day of the benefit week in which it is due to be paid, where a payment of income from a particular source is or has been paid regularly and that payment falls to be taken into account in the same benefit week as a payment of the same kind and from the same source, the amount of that income to be taken into account in any one benefit week shall not exceed the weekly amount determined under paragraph (1)(a) or (b), as the case may be, of the payment which under regulation 31(1)(b) (date on which income is treated as paid) is treated as paid first.

(6) Where the amount of the claimant's income fluctuates and has changed more than once, or a claimant's regular pattern of work is such that he does not work every week, the foregoing paragraphs may be modified so that the weekly amount of his income is determined by reference to his average weekly income—

- (a) if there is a recognisable cycle of work, over the period of one complete cycle (including, where the cycle involves periods in which the claimant does no work, those periods but disregarding any other absences);
- (b) in any other case, over a period of five weeks or such other period as may, in the particular case, enable the claimant's average weekly income to be determined more accurately.

[^{F36}(6A) Where income is taken into account under paragraph (2B) of regulation 29 over the period specified in that paragraph, the amount of that income to be taken into account in respect of any week in that period shall be an amount equal to the amount of that income which would

[^{F37}(7) Where any payment of earnings is taken into account under paragraph (4C) of regulation 29 (calculation of earnings derived from employed earner’s employment and income other than earnings), over the period specified in that paragraph, the amount to be taken into account shall be equal to the amount of the payment.]

PARTICIPANTS IN THE SELF-EMPLOYMENT ROUTE OF THE EMPLOYMENT OPTION OF THE NEW DEAL

Textual Amendments

Interpretation

39A. In this Chapter—

“self-employment route” means that part of the Employment Option of the New Deal which is specified in regulation 75(1)(a)(ii)(aa)(ii) of the Jobseeker’s Allowance Regulations 1996;

“special account” means, where a person was carrying on a commercial activity in respect of which assistance is received under the self-employment route, the account into which the gross

Changes to legislation: There are currently no known outstanding effects for the The Income Support (General) Regulations 1987, PART V. (See end of Document for details)

receipts from that activity were payable during the period in respect of which such assistance was received.

Treatment of gross receipts of participants in the self-employment route of the Employment Option of the New Deal

39B. The gross receipts of a commercial activity carried on by a person in respect of which assistance is received under the self-employment route, shall be taken into account in accordance with the following provisions of this Chapter.

Calculation of income of participants in the self-employment route of the Employment Option of the New Deal

39C.—(1) The income of a person who has received assistance under the self-employment route shall be calculated by taking into account the whole of the monies in the special account at the end of the last day upon which such assistance was received and deducting from those monies—

- (a) an amount in respect of income tax calculated in accordance with regulation 39D (deduction in respect of tax for participants in the self-employment route of the Employment Option of the New Deal); and
- (b) any sum to which paragraph (4) refers.

(2) Income calculated pursuant to paragraph (1) shall be apportioned equally over a period which starts on the date the income is treated as paid under paragraph (3) and is equal in length to the period beginning with the day upon which assistance was first received under the self-employment route and ending on the last day upon which such assistance was received.

(3) Income calculated pursuant to paragraph (1) shall be treated as paid—

- (a) in the case where it is due to be paid before the first benefit week in respect of which the participant or his partner first claims income support following the last day upon which assistance was received under the self-employment route, on the day in the week in which it is due to be paid which corresponds to the first day of the benefit week;
- (b) in any other case, on the first day of the benefit week in which it is due to be paid.

(4) This paragraph refers, where applicable in each benefit week in respect of which income calculated pursuant to paragraph (1) is taken into account pursuant to paragraphs (2) and (3), to the sums which would have been disregarded under paragraphs 4 to 6B and 9 of Schedule 8 had the income been earnings.

Deduction in respect of tax for participants in the self-employment route of the Employment Option of the New Deal

39D.—(1) The amount to be deducted in respect of income tax under regulation 39C(1)(a) (calculation of income of participants in the self-employment route of the Employment Option of the New Deal) in respect of the period determined under regulation 39C(2) shall be calculated as if—

- (a) the chargeable income is the only income chargeable to tax;
- (b) the personal reliefs which are applicable to the person receiving assistance under the self-employment route by virtue of sections 257(1), 257A(1) and 259 of the Income and Corporation Taxes Act 1988 (personal reliefs) are allowable against that income; and
- (c) the rate at which the chargeable income less the personal relief is assessable to income tax is the lower rate of tax or, as the case may be, the lower rate and the basic rate of tax.

(2) For the purpose of paragraph (1), the lower rate of tax to be applied and the amount of the personal relief deductible shall, where the period determined under regulation 39C(2) is less than a year, be calculated on a pro rata basis.

(3) In this regulation, "chargeable income" means the monies in the special account at the end of the last day upon which assistance was received under the self-employment route.]

CHAPTER V

other income

Calculation of income other than earnings

40.—(1) For the purposes of regulation 29 (calculation of income other than earnings) the income of a claimant which does not consist of earnings to be taken into account shall, subject to [F76 paragraphs (2) to (3B)], be his gross income and any capital treated as income under regulations F77... 41 and 44 (F77... capital treated as income and modifications in respect of children and young persons).

(2) There shall be disregarded from the calculation of a claimant's gross income under paragraph (1), any sum, where applicable, specified in Schedule 9.

(3) Where the payment of any benefit under the benefit Acts F78 is subject to any deduction by way of recovery the amount to be taken into account under paragraph (1) shall be the gross amount payable.

[F79(3A) Where a loan is made to a person pursuant to arrangements made under section 1 of the Education (Student Loans) Act 1990 [F80 or article 3 of the Education (Student Loans) (Northern Ireland) Order 1990] and that person ceases to be a student before the end of the academic year in respect of which the loan is payable or, as the case may be, before the end of his course, a sum equal to the weekly amount apportionable under paragraph (2) of regulation 66A shall be taken into account under paragraph (1) for each [F81 benefit week], in the period over which the loan fell to be apportioned, following the date on which that person ceases to be a student; but in determining the weekly amount apportionable under paragraph (2) of regulation 66A so much of that paragraph as provides for a disregard shall not have effect.]

[F82(3B) In the case of income to which regulation 29(2B) applies (calculation of income of former students), the amount of income to be taken into account for the purposes of paragraph (1) shall be the amount of that income calculated in accordance with regulation 32(6A) and on the basis that none of that income has been repaid.]

(4) For the avoidance of doubt there shall be included as income to be taken into account under paragraph (1) any payment to which regulation 35(2) or 37(2) (payments not earnings) applies.

[^{F175} Diminishing notional capital rule

51A.—(1) Where a claimant is treated as possessing capital under regulation 51(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in paragraph (2) are satisfied, or

(ii) a week which follows that relevant week and which satisfies those conditions,

shall be reduced by an amount determined under paragraph (2);

Status: Point in time view as at 15/11/1999.

Changes to legislation: There are currently no known outstanding effects for the The Income Support (General) Regulations 1987, PART V. (See end of Document for details)

- (b) in the case of a week in respect of which paragraph (1)(a) does not apply but where—
- (i) that week is a week subsequent to the relevant week, and
 - (ii) that relevant week is a week in which the condition in paragraph (3) is satisfied,
- shall be reduced by the amount determined under paragraph (3).
- (2) This paragraph applies to a benefit week or part week where the claimant satisfies the conditions that—
- (a) he is in receipt of income support; and
 - (b) but for regulation 51(1), he would have received an additional amount of income support in that benefit week or, as the case may be, that part week;
- and in such a case, the amount of the reduction for the purposes of paragraph (1)(a) shall be equal to that additional amount.
- (3) Subject to paragraph (4), for the purposes of paragraph (1)(b) the condition is that the claimant would have been entitled to income support in the relevant week, but for regulation 51(1), and in such a case the amount of the reduction shall be equal to the aggregate of—
- (a) the amount of income support to which the claimant would have been entitled in the relevant week but for regulation 51(1); and for the purposes of this sub-paragraph if the relevant week is a part-week that amount shall be determined by dividing the amount of income support to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient by 7;
 - (b) the amount of housing benefit (if any) equal to the difference between his maximum housing benefit and the amount (if any) of housing benefit which he is awarded in respect of the benefit week, within the meaning of regulation 2(1) of the Housing Benefit (General) Regulations 1987 (interpretation), which includes the last day of the relevant week;
 - (c) the amount of community charge benefit (if any) equal to the difference between his maximum community charge benefit and the amount (if any) of community charge benefit which he is awarded in respect of the benefit week, within the meaning of regulation 2(1) of the Community Charge Benefits (General) Regulations 1989 (interpretation) which includes the last day of the relevant week.
- [the amount of council tax benefit (if any) equal to the difference between his maximum
- ^{F176}(d) council tax benefit and the amount (if any) of council tax benefit which he is awarded in respect of the benefit week which includes the last day of the relevant week, and for this purpose “benefit week” has the same meaning as in regulation 2(1) of the Council Tax Benefit (General) Regulations 1992 (interpretation).]
- (4) The amount determined under paragraph (3) shall be re-determined under that paragraph if the claimant makes a further claim for income support and the conditions in paragraph (5) are satisfied, and in such a case—
- (a) sub-paragraphs (a), (b) and (c) of paragraph (3) shall apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
 - (b) subject to paragraph (6), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.
- (5) The conditions are that—
- (a) a further claim is made 26 or more weeks after—
 - (i) the date on which the claimant made a claim for income support in respect of which he was first treated as possessing the capital in question under regulation 51(1); or

- (ii) in a case where there has been at least one re-determination in accordance with paragraph (4), the date on which he last made a claim for income support which resulted in the weekly amount being re-determined; or
 - (iii) the date on which he last ceased to be in receipt of income support; whichever last occurred; and
- (b) the claimant would have been entitled to income support but for regulation 51(1).
- (6) The amount as re-determined pursuant to paragraph (4) shall not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount shall continue to have effect.
- (7) For the purpose of this regulation—
- (a) “part-week” means a period to which sub-section (1A) of section 21 of the Act (amount etc. of income support) applies;
 - (b) “relevant week” means the benefit week or part-week in which the claimant has deprived himself within the meaning of regulation 51(1)—
 - (i) was first taken into account for the purpose of determining his entitlement to income support; or
 - (ii) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to income support on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, income support;and where more than one benefit week or part-week is identified by reference to heads (i) and (ii) of this sub-paragraph the later or latest such benefit week or, as the case may be, the later or latest such part-week;
 - (c) “relevant subsequent week” means the benefit week or part-week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.]
