- (ii) in a case where that period is three months, by multiplying the amount of the payment by 4 and dividing the product by 52;
- (iii) in a case where that period is a year by dividing the amount of the payment by 52;
- (iv) in any other case by multiplying the amount of the payment by 7 and dividing the product by the number equal to the number of days in the period in respect of which it is made.

(2) Where a payment for a period not exceeding a week is treated under regulation 31(1)(a) (date on which income is treated as paid) as paid before the first benefit week and a part is to be taken into account for some days only in that week (the relevant days), the amount to be taken into account for the relevant days shall be calculated by multiplying the amount of the payment by the number equal to the number of relevant days and dividing the product by the number of days in the period in respect of which it is made.

(3) Where a payment is in respect of a period equal to or in excess of a week and a part thereof is to be taken into account for some days only in a benefit week (the relevant days), the amount to be taken into account for the relevant days shall, except where paragraph (4) applies, be calculated by multiplying the amount of the payment by the number equal to the number of relevant days and dividing the product by the number of days in the period in respect of which it is made.

(4) In the case of a payment of—

- (a) ^{F44}..., [^{F45}maternity allowance,]^{F46}[short-term or long-term incapacity benefit], or severe disablement allowance^{F46}..., the amount to be taken into account for the relevant days shall be the amount of benefit [^{F47}payable] in respect of those days;
- (b) income support [^{F48}or jobseeker's allowance], the amount to be taken into account for the relevant days shall be calculated by multiplying the weekly amount of the benefit by the number of relevant days and dividing the product by seven.

(5) Except in the case of a payment which it has not been practicable to treat under regulation 31(1)(b) as paid on the first day of the benefit week in which it is due to be paid, where a payment of income from a particular source is or has been paid regularly and that payment falls to be taken into account in the same benefit week as a payment of the same kind and from the same source, the amount of that income to be taken into account in any one benefit week shall not exceed the weekly amount determined under paragraph (1)(a) or (b), as the case may be, of the payment which under regulation 31(1)(b) (date on which income is treated as paid) is treated as paid first.

(6) Where the amount of the claimant's income fluctuates and has changed more than once, or a claimant's regular pattern of work is such that he does not work every week, the foregoing paragraphs may be modified so that the weekly amount of his income is determined by reference to his average weekly income—

- (a) if there is a recognisable cycle of work, over the period of one complete cycle (including, where the cycle involves periods in which the claimant does no work, those periods but disregarding any other absences);
- (b) in any other case, over a period of five weeks or such other period as may, in the particular case, enable the claimant's average weekly income to be determined more accurately.

^{F49}(6A) Where income is taken into account under paragraph (2B) of regulation 29 over the period specified in that paragraph, the amount of that income to be taken into account in respect of any week in that period shall be an amount equal to the amount of that income which would have been taken into account under regulation 62 had the person to whom that income was paid not ceased to be a [^{F50}full-time student].]

[^{F51}(7) Where any payment of earnings is taken into account under paragraph (4C) of regulation 29 (calculation of earnings derived from employed earner’s employment and income other than earnings), over the period specified in that paragraph, the amount to be taken into account shall be equal to the amount of the payment.]

40.—(1) For the purposes of regulation 29 (calculation of income other than earnings) the income of a claimant which does not consist of earnings to be taken into account shall, subject to [^{F101}paragraphs (2) to (3B)], be his gross income and any capital treated as income under [^{F102}regulations ^{F103}... 41 and 44 (^{F103}... capital treated as income and modifications in respect of children and young persons)] [^{F102}regulation 41 (capital treated as income)].

(2) There shall be disregarded from the calculation of a claimant's gross income under paragraph (1), any sum, where applicable, specified in Schedule 9.

(3) Where the payment of any benefit under the benefit Acts ^{F104} is subject to any deduction by way of recovery the amount to be taken into account under paragraph (1) shall be the gross amount payable.

B = the number of benefit weeks from the benefit week immediately following that which includes the first day of that academic year to the benefit week immediately before that which includes the day on which the person abandoned, or was dismissed from, his course;

C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under regulation 66A(2) had the person not abandoned or been dismissed from, his course and, in the case of a person who was not entitled to income support immediately before he abandoned or was dismissed from his course, had that person, at that time, been entitled to income support;

D = the number of benefit weeks in the assessment period.

(3AB) In paragraphs (3A) and (3AA)—

“academic year” and “student loan” shall have the same meanings as for the purposes of Chapter VIII of this Part;

“assessment period” means the period beginning with the benefit week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the benefit week which includes the last day of the last quarter for which an instalment of the relevant payment was

- (ii) a week which follows that relevant week and which satisfies those conditions,

shall be reduced by an amount determined under paragraph (2);

- (b) in the case of a week in respect of which paragraph (1)(a) does not apply but where—
- (i) that week is a week subsequent to the relevant week, and
- (ii) that relevant week is a week in which the condition in paragraph (3) is satisfied,
- shall be reduced by the amount determined under paragraph (3).

(2) This paragraph applies to a benefit week or part week where the claimant satisfies the conditions that—

- (a) he is in receipt of income support; and
- (b) but for regulation 51(1), he would have received an additional amount of income support in that benefit week or, as the case may be, that part week;

Changes to legislation: There are currently no known outstanding effects for the The Income Support (General) Regulations 1987, PART V. (See end of Document for details)

and in such a case, the amount of the reduction for the purposes of paragraph (1)(a) shall be equal to that additional amount.

(3) Subject to paragraph (4), for the purposes of paragraph (1)(b) the condition is that the claimant would have been entitled to income support in the relevant week, but for regulation 51(1), and in such a case the amount of the reduction shall be equal to the aggregate of—

- (a) the amount of income support to which the claimant would have been entitled in the relevant week but for regulation 51(1); and for the purposes of this sub-paragraph if the relevant week is a part-week that amount shall be determined by dividing the amount of income support to which he would have been so entitled by the number equal to the number of days in the part-week and multiplying the quotient by 7;
- (b) the amount of housing benefit (if any) equal to the difference between his maximum housing benefit and the amount (if any) of housing benefit which he is awarded in respect of the benefit week, within the meaning of regulation 2(1) of [^{F272}the Housing Benefit Regulations 2006] (interpretation), which includes the last day of the relevant week;
- (c) the amount of community charge benefit (if any) equal to the difference between his maximum community charge benefit and the amount (if any) of community charge benefit which he is awarded in respect of the benefit week, within the meaning of regulation 2(1) of the Community Charge Benefits (General) Regulations 1989 (interpretation) which includes the last day of the relevant week.

[the amount of council tax benefit (if any) equal to the difference between his maximum
^{F273}(d) council tax benefit and the amount (if any) of council tax benefit which he is awarded in respect of the benefit week which includes the last day of the relevant week, and for this purpose “benefit week” has the same meaning as in [^{F274}regulation 2(1) of the Council Tax Benefit Regulations 2006] (interpretation).]

(4) The amount determined under paragraph (3) shall be re-determined under that paragraph if the claimant makes a further claim for income support and the conditions in paragraph (5) are satisfied, and in such a case—

- (a) sub-paragraphs [^{F275}(a) to (d)] of paragraph (3) shall apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
- (b) subject to paragraph (6), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.

(5) The conditions are that—

- (a) a further claim is made 26 or more weeks after—
 - (i) the date on which the claimant made a claim for income support in respect of which he was first treated as possessing the capital in question under regulation 51(1); or
 - (ii) in a case where there has been at least one re-determination in accordance with paragraph (4), the date on which he last made a claim for income support which resulted in the weekly amount being re-determined; or
 - (iii) the date on which he last ceased to be in receipt of income support; whichever last occurred; and
- (b) the claimant would have been entitled to income support but for regulation 51(1).

(6) The amount as re-determined pursuant to paragraph (4) shall not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount shall continue to have effect.

(7) For the purpose of this regulation—

- (a) “part-week” means a period to which sub-section (1A) of section 21 of the Act (amount etc. of income support) applies;

- (b) “relevant week” means the benefit week or part-week in which the capital in question of which the claimant has deprived himself within the meaning of regulation 51(1)–
- (i) was first taken into account for the purpose of determining his entitlement to income support; or
 - (ii) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to income support on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, income support;
- and where more than one benefit week or part-week is identified by reference to heads (i) and (ii) of this sub-paragraph the later or latest such benefit week or, as the case may be, the later or latest such part-week;
- (c) “relevant subsequent week” means the benefit week or part-week which includes the day on which the further claim or, if more than one further claim has been made, the last such claim was made.]

CHAPTER VII

liable relatives

Interpretation

54. In this Chapter, unless the context otherwise requires—

“claimant” includes a young claimant;

“liable relative” means—

- (a) a spouse [^{F294}, former spouse, civil partner or former civil partner] of a claimant or of a member of the claimant's family;
- (b) a parent of a child or young person who is a member of the claimant's family or of a young claimant;
- (c) a person who has not been adjudged to be the father of a child or young person who is a member of the claimant's family or of a young claimant where that person is contributing towards the maintenance of that child, young person or young claimant and by reason of that contribution he may reasonably be treated as the father of that child, young person or young claimant;
- (d) a person liable to maintain another person by virtue of section 26(3)(c) of the Act (liability to maintain) where the latter is the claimant or a member of the claimant's family,

and, in this definition, a reference to a child's, young person's or young claimant's parent includes any person in relation to whom the child, young person or young claimant was treated as a child or a member of the family;

“payment” means a periodical payment or any other payment made by or derived from a liable relative including, except in the case of a discretionary trust, any payment which would be so made or derived upon application being made by the claimant but which has not been acquired by him but only from the date on which [^{F295}it could be expected to be acquired were an application made]; but it does not include any payment—

- (a) arising from a disposition of property made in contemplation of, or as a consequence of—
 - (i) an agreement to separate; or
 - (ii) any proceedings for judicial separation, divorce or nullity of marriage; [^{F296}or]
 - (iii) [^{F297}any proceedings for separation, dissolution or nullity in relation to a civil partnership;]
- (b) made after the death of the liable relative;
- (c) made by way of a gift but not in aggregate or otherwise exceeding £250 in the period of 52 weeks beginning with the date on which the payment, or if there is more than one such payment the first payment, is made; and, in the case of a claimant who continues to be in receipt of income support at the end of the period of 52 weeks, this provision shall continue to apply thereafter with the modification that any subsequent period of 52 weeks shall begin with the first day of the benefit week in which the first payment is made after the end of the previous period of 52 weeks;
- (d) [^{F298}to which regulation 44(2) applies (modifications in respect of children and young persons);]
- (e) made—
 - (i) to a third party in respect of the claimant or a member of the claimant's family; or
 - (ii) to the claimant or to a member of the claimant's family in respect of a third party,

where having regard to the purpose of the payment, the terms under which it is made and its amount it is unreasonable to take it into account;

- (f) in kind;
- (g) to, or in respect of, a child or young person who is to be treated as not being a member of the claimant's household under regulation 16 (circumstances in which a person is to be treated as being or not being a member of the same household);
- (h) which is not a periodical payment, to the extent that any amount of that payment—
 - (i) has already been taken into account under this Part by virtue of a previous claim or determination; or
 - (ii) has been recovered under section 27(1) of the Act (prevention of duplication of payments) or is currently being recovered; or
 - (iii) at the time the determination is made, has been used by the claimant except where he has deprived himself of that amount for the purpose of securing entitlement to income support or increasing the amount of that benefit;

“periodical payment” means—

- (a) a payment which is made or is due to be made at regular intervals in pursuance of a court order or agreement for maintenance;
- (b) in a case where the liable relative has established a pattern of making payments at regular intervals, any such payment;
- (c) any payment not exceeding the amount of income support payable had that payment not been made;
- (d) any payment representing a commutation of payments to which sub-paragraphs (a) or (b) of this definition applies whether made in arrears or in advance,

but does not include a payment due to be made before the first benefit week pursuant to the claim which is not so made;

“young claimant ” means a person aged 16 or over but under 19 who makes a claim for income support.
