1987 No. 200

The Offshore Installations (Safety Zones) (No. 16) Order 1987

1. This Order may be cited as the Offshore Installations (Safety Zones) (No. 16) Order 1987 and shall come into force on 14th February 1987.

2.—(1) A safety zone is hereby established around the installation specified in Column 1 of the Schedule hereto (being an installation maintained in waters to which section 21 of the Act (1) applies) having a radius of five hundred metres from the point as respects that installation which has the co-ordinates of latitude and longitude according to European Datum (1950) specified in Columns 2 and 3 of the Schedule.

(2) The prohibition under section 21(3) of the Act on vessel entering or remaining in a safety zone without the consent of the Secretary of State shall not apply to a vessel entering or remaining in the safety zone established under paragraph (1) above—

- (a) in connection with the laying, inspection, testing, repair, alteration, renewal or removal of any submarine cable or pipe-line in or near that safety zone;
- (b) to provide services for, to transport persons or goods to or from, or under the authority of a government department to inspect, any installation in that safety zone;
- (c) if it is a vessel belonging to a general lighthouse authority performing duties relating to the safety of navigation;
- (d) in connection with the saving or attempted saving of life or property;
- (e) owing to stress of weather; or
- (f) when in distress.
