EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations give effect to protocol 1 to the International Convention for the Prevention of Pollution from Ships 1973 as amended by amendments adopted on 5th December 1985 by the Marine Environment Protection Committee of the International Maritime Organization at its 22nd Session. The principal amendment effected by the 1985 amendments was to specify in detail the incidents required to be reported.

These Regulations replace regulation 31 of the Merchant Shipping (Prevention of Oil Pollution) Regulations 1983 (requirement to report discharges of oil). That regulation is repealed by the Merchant Shipping (Prevention and Control of Pollution) Order 1987.

Copies of the IMDG Code are obtainable from the International Maritime Organization, 4 Albert Embankment, London SE1 7SR.

Merchant Shipping Notices are obtainable from the Department of Transport Marine Directorate, Sunley House, 90 High Holborn, London WC1V 6LP and from any Department of Transport Marine Office. 80p net
