EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Diseases of Animals (Approved Disinfectants) Order 1978 by substituting new schedules for Schedules 1 and 2 to that Order (Article 2(a) and (b)). Schedule 1, which lists approved disinfectants, includes newly approved disinfectants, and Schedule 2 lists disinfectants which are now omitted from Schedule 1 but which may nevertheless continue to be used as approved disinfectants until 30th June 1987 (Article 2(c)).
