1988 No. 1546

The Public Health (Infectious Diseases) Regulations 1988

Immunisation and vaccination

10. Where a case of any notifiable disease⁽¹⁾ or of any disease mentioned in Schedule 1 (other than tuberculosis) occurs in a district or port health district, the proper officer of that district or port health district and of any adjacent district or port health district may, if he considers it in the public interest, arrange for the vaccination or immunisation, without charge, of any person in his district or port health district who has come or may have come or may come in contact with the infection and is willing to be vaccinated or immunised.

(1) See the definition of “notifiable disease” in section 10 of the Act.
