

SCHEDULE 2

PART 17

DEVELOPMENT BY STATUTORY UNDERTAKERS

Class F

Gas Suppliers

Conditions

F.2 Development is permitted by Class F subject to the following conditions—

- (a) in the case of any Class F(a) development, not less than 8 weeks before the beginning of operations to lay a notifiable pipeline, the public gas supplier shall give notice in writing to the local planning authority of its intention to carry out that development, identifying the land under which the pipeline is to be laid,
- (b) in the case of any Class F(d) development, on completion of the laying or construction of the main or pipe, or at the expiry of a period of 9 months from the beginning of the development, whichever is the sooner, the pipe or apparatus shall be removed and the land restored as soon as reasonably practicable to its condition before the development took place (or to any other condition which may be agreed with the local planning authority),
- (c) in the case of any Class F(e) development, approval of the details of the design and external appearance of the building shall be obtained, before the development is begun, from—
 - (i) in Greater London or a metropolitan county, the local planning authority,
 - (ii) in a National Park, outside a metropolitan county, the county planning authority,
 - (iii) in any other case, the district planning authority.
