**The Wireless Telegraphy Apparatus
(Receivers) (Exemption) Regulations 1989**

Exceptions

5. The exemption provided for in regulation 3 shall not extend to the establishment or use of any station for wireless telegraphy, or the installation or use of any apparatus for wireless telegraphy –
- (a) for the primary purpose of receiving visual images (with or without sound) sent by television by authorised broadcasting stations for general reception; or
 - (b) used for receiving broadcasts from any broadcasting station (other than a space station) which has not been licensed to transmit those broadcasts by the government of any country or territory.
