#### SCHEDULE 12

Article 91

#### PENALTIES

## PART A—

### PROVISIONS REFERRED TO IN ARTICLE 91(5)

Article of Order	Subject Matter
3	Aircraft flying unregistered
5	Aircraft flying with false or incorrect markings
9(1) <i>(a)</i>	Flight without appropriate maintenance
9(1)(b)	Flight without a certificate of maintenance review
10	Failure to keep a technical log
11	Flight without a certificate of release to service
13	Flight without required equipment
14	Flight without required radio equipment
15	Failure to keep log books
16	Requirement to weigh aircraft and keep weight schedule
18	Crew requirement
19	Requirement for appropriate licence
20(4) and (4)	Requirement for appropriate certificates
20(6)	Prohibition of flight after failure of test
20(7)(a)	Flight without valid medical certificate
20(8)	Flight in unfit condition
23	Instruction in flying without appropriate licence and rating
25	Operations manual requirement
26	Training manual requirement
27	Operator's responsibilities in connection with crew
28	Requirements for loading aircraft
29	Operational restrictions on aircraft
30	Aerodrome operating minima—aircraft registered in the Territory
31	Aerodrome operating minima—foreign registered aircraft

Document Generated: 2024-06-16 Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

32Preflight action by commander of aircraft33Requirement for pilot to remain at controls34Duties of commander on flight for public transport of passengers35Requirements for radio station in aircraft to be licensed and for operation of same36Requirement for minimum navigation performance system37Use of flight recording systems and preservation of records38Towing of gliders39Towing, picking up and raising of persons and articles by aircraft40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times66Equirement for licensing of air traffic control64(2)Breach of the Rules of the Air and Air Traffic Control65Flight crew member's obligation to inform operator of flight times56Flight crew member's onlight information service officers67Requirement for aerodrome flight information service officers67Requirement for aerodrome flight information service officers70Flight by balloons, kites and airships71Stollops, kites and airships	Article of Order	Subject Matter
34Duties of commander on flight for public transport of passengers35Requirements for radio station in aircraft to be licensed and for operation of same36Requirement for minimum navigation performance system37Use of flight recording systems and preservation of records38Towing of gliders39Towing of gliders39Requirement for arcial application certificate40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of subligation to obtain flight time records of flight crew54(3)Operator's obligation to obtain flight time operator of flight crew56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic eontrollers and aerodrome information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	32	Preflight action by commander of aircraft
135transport of passengers35Requirements for radio station in aircraft to be licensed and for operation of same36Requirement for minimum navigation performance system37Use of flight recording systems and preservation of records38Towing of gliders39Towing, picking up and raising of persons and articles by aircraft40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic ecord officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	33	Requirement for pilot to remain at controls
licensed and for operation of same36Requirement for minimum navigation performance system37Use of flight recording systems and preservation of records38Towing of gliders39Towing, picking up and raising of persons and articles by aircraft40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	34	• •
performance system37Use of flight recording systems and preservation of records38Towing of gliders39Towing, picking up and raising of persons and articles by aircraft40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for aerodrome information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	35	
preservation of records38Towing of gliders39Towing, picking up and raising of persons and articles by aircraft40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times66except (4))66Requirement for licensing of air traffic Control67Requirement for aerodrome flight information service officers67Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	36	1 6
39Towing, picking up and raising of persons and articles by aircraft40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times66(except (4))67Requirement for licensing of air traffic control69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	37	
articles by aircraft40 and 41Dropping of articles and animals from aircraft42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for aerodrome information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	38	Towing of gliders
42Requirement for aerial application certificate44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic controllers and aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	39	
44Carriage of persons in or on any part of an aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic controllers and aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	40 and 41	Dropping of articles and animals from aircraft
aircraft not designed for that purpose46Requirement for exits and break-in markings50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic controllers and aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	42	Requirement for aerial application certificate
50Prohibition of smoking in aircraft51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic controllers and aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	44	
51Requirement to obey lawful commands of aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic controllers and aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	46	Requirement for exits and break-in markings
aircraft commander52Prohibition of stowaways54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic controllers and aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	50	Prohibition of smoking in aircraft
54(3)Operator's obligation to obtain flight time records of flight crew55(2)Flight crew member's obligation to inform operator of flight times56Flight time limitations64(2)Breach of the Rules of the Air and Air Traffic Control66 (except (4))Requirement for licensing of air traffic controllers and aerodrome flight information service officers67Requirement for aerodrome information service manual69Flight in contravention of restriction of flying regulations70Flight by balloons, kites and airships	51

regulations70Flight by balloons, kites and airships	67	-
	69	
71 Requirement for licensed aerodrome	70	Flight by balloons, kites and airships
	71	Requirement for licensed aerodrome

Article of Order	Subject Matter
73(5)	Contravention of conditions of aerodrome licence
74	Use of radio equipment at aerodromes
75	Requirement to keep records at aerodromes
79	Use of aeronautical lights
80(1)	Prohibition of dangerous lights
80(2)	Failure to extinguish or screen dangerous lights
82(1) and (2)	Management of aviation fuel at aerodromes
86 (except (4))	Requirement to report occurrences
89	Obstruction of persons performing duties under the Order

## PART B—

# PROVISIONS REFERRED TO IN ARTICLE 91(6)

Article of Order	Subject Matter
6	Flight for the purpose of public transport without an air operator's certificate
7	Flight without a certificate of airworthiness
43	Prohibition of carriage of weapons and munitions of war
44	Prohibition of carriage of dangerous goods
47	Endangering safety of aircraft
48	Endangering safety of persons or property
49	Prohibition of drunkenness in aircraft
54(1)	Operator's obligation to regulate flight times of flight crew
54(2)	Operator's obligation not to allow flight by crew in dangerous state of fatigue
55(1)	Crew's obligation not to fly in dangerous state of fatigue
63 (except (3))	Use of false or unauthorised documents and records
82(3)	Use of aviation fuel which is unfit for use in aircraft
83	Restrictions with respect to carriage for hire or reward in aircraft registered outside the Territory

Document Generated: 2024-06-16 Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Article of Order	Subject Matter
84	Restrictions of flights for aerial photography and survey by aircraft registered outside the Territory
85	Operators' or commanders' obligations in respect of flights over any foreign country
86(4)	Making false reports
87	Flight in contravention of direction not to fly
