## SCHEDULE 12

## **PENALTIES**

## PART A— PROVISIONS REFERRED TO IN ARTICLE 91(5)

Article of Order	Subject Matter
3	Aircraft flying unregistered
5	Aircraft flying with false or incorrect marking
9(1) <i>(a)</i>	Flight without appropriate maintenance
9(1) <i>(b)</i>	Flight without a certificate of maintenance review
10	Failure to keep a technical log
11	Flight without a certificate of release to service
13	Flight without required equipment
14	Flight without required radio equipment
15	Failure to keep log books
16	Requirement to weigh aircraft and keep weigh schedule
18	Crew requirement
19	Requirement for appropriate licence
20(4) and (4)	Requirement for appropriate certificates
20(6)	Prohibition of flight after failure of test
20(7) <i>(a)</i>	Flight without valid medical certificate
20(8)	Flight in unfit condition
23	Instruction in flying without appropriate licendard rating
25	Operations manual requirement
26	Training manual requirement
27	Operator's responsibilities in connection with crew
28	Requirements for loading aircraft
29	Operational restrictions on aircraft
30	Aerodrome operating minima—aircraft registered in the Territory
31	Aerodrome operating minima—foreign registered aircraft

1

32 Preflight action by commander of aircraft 33 Requirement for pilot to remain at controls 34 Duties of commander on flight for public transport of passengers 35 Requirements for radio station in aircraft to be licensed and for operation of same 36 Requirement for minimum navigation performance system 37 Use of flight recording systems and preservation of records 38 Towing of gliders 39 Towing of gliders 39 Towing, picking up and raising of persons and articles by aircraft 40 and 41 Dropping of articles and animals from aircraft teles are an animals from aircraft to designed for that purpose 44 Requirement for aerial application certificate 44 Carriage of persons in or on any part of an aircraft not designed for that purpose 46 Requirement for exits and break-in markings 50 Prohibition of smoking in aircraft 51 Requirement to obey lawful commands of aircraft commander 52 Prohibition of stowaways 54(3) Operator's obligation to obtain flight time records of flight crew 55(2) Flight crew member's obligation to inform operator of flight times 56 Flight time limitations 56 Flight time limitations 66 (except (4)) Requirement for licensing of air traffic controllers and aerodrome flight information service officers 67 Requirement for aerodrome information service manual 69 Flight in contravention of restriction of flying regulations 70 Flight by balloons, kites and airships 71 Requirement for licensed aerodrome	Article of Order	Subject Matter
Duties of commander on flight for public transport of passengers  Requirements for radio station in aircraft to be licensed and for operation of same  Requirement for minimum navigation performance system  Use of flight recording systems and preservation of records  Towing of gliders  Towing, picking up and raising of persons and articles by aircraft  Dropping of articles and animals from aircraft to experiment for aerial application certificate  Requirement for aerial application certificate  Carriage of persons in or on any part of an aircraft not designed for that purpose  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Operator's obligation to obtain flight time records of flight crew  Flight trew member's obligation to inform operator of flight times  Flight time limitations  Heading and Air Traffic Control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service officers  Requirement for aerodrome information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations	32	Preflight action by commander of aircraft
transport of passengers  Requirements for radio station in aircraft to be licensed and for operation of same  Requirement for minimum navigation performance system  Use of flight recording systems and preservation of records  Towing of gliders  Towing of gliders  Towing, picking up and raising of persons and articles by aircraft  Requirement for aerial application certificate  Requirement for aerial application certificate  Requirement for aerial application certificate  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Prohibition of stowaways  Flight crew member's obligation to inform operator of flight times  Requirement for licensing of air traffic controllers and aerodrome flight information service manual  Requirement for aerodrome information service manual  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	33	Requirement for pilot to remain at controls
licensed and for operation of same  Requirement for minimum navigation performance system  Use of flight recording systems and preservation of records  Towing of gliders  Towing of gliders  Towing, picking up and raising of persons and articles by aircraft  Dropping of articles and animals from aircraft equirement for aerial application certificate  Requirement for aerial application certificate  Carriage of persons in or on any part of an aircraft not designed for that purpose  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Hight crew member's obligation to inform operator's obligation to inform operator of flight times  Flight tree wember's obligation to inform operator of flight times  Requirement for licensing of air traffic control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Plight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	34	
performance system  Use of flight recording systems and preservation of records  Towing of gliders  Towing, picking up and raising of persons and articles by aircraft  Dropping of articles and animals from aircraft requirement for aerial application certificate  Requirement for aerial application certificate  Carriage of persons in or on any part of an aircraft not designed for that purpose  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Operator's obligation to obtain flight time records of flight crew  Flight crew member's obligation to inform operator of flight times  Flight time limitations  Flight time limitations  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	35	
preservation of records  Towing of gliders  Towing, picking up and raising of persons and articles by aircraft  Dropping of articles and animals from aircraft  Requirement for aerial application certificate  Requirement for aerial application certificate  Carriage of persons in or on any part of an aircraft not designed for that purpose  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Prohibition of stowaways  Prohibition of stowaways  Prohibition of stowaways  Flight crew member's obligation to inform operator of flight times  Flight time limitations  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	36	
Towing, picking up and raising of persons and articles by aircraft  40 and 41  Dropping of articles and animals from aircraft  42  Requirement for aerial application certificate  44  Carriage of persons in or on any part of an aircraft not designed for that purpose  46  Requirement for exits and break-in markings  50  Prohibition of smoking in aircraft  51  Requirement to obey lawful commands of aircraft commander  52  Prohibition of stowaways  54(3)  Operator's obligation to obtain flight time records of flight crew  55(2)  Flight crew member's obligation to inform operator of flight times  66  Flight time limitations  64(2)  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  67  Requirement for aerodrome information service manual  69  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	37	
articles by aircraft  40 and 41  Dropping of articles and animals from aircraft  42  Requirement for aerial application certificate  44  Carriage of persons in or on any part of an aircraft not designed for that purpose  46  Requirement for exits and break-in markings  50  Prohibition of smoking in aircraft  51  Requirement to obey lawful commands of aircraft commander  52  Prohibition of stowaways  54(3)  Operator's obligation to obtain flight time records of flight crew  55(2)  Flight crew member's obligation to inform operator of flight times  56  Flight time limitations  64(2)  Breach of the Rules of the Air and Air Traffic Control  66 (except (4))  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  67  Requirement for aerodrome information service manual  69  Flight in contravention of restriction of flying regulations  70  Flight by balloons, kites and airships	38	Towing of gliders
Requirement for aerial application certificate  Carriage of persons in or on any part of an aircraft not designed for that purpose  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Flight crew member's obligation to inform operator of flight time records of flight times  Flight time limitations  Flight time limitations  Requirement for licensing of air traffic Control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	39	
Carriage of persons in or on any part of an aircraft not designed for that purpose  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Flight crew member's obligation to obtain flight time records of flight crew  Flight time limitations  Flight time limitations  Requirement for licensing of air traffic Control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	40 and 41	Dropping of articles and animals from aircraft
aircraft not designed for that purpose  Requirement for exits and break-in markings  Prohibition of smoking in aircraft  Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  Prohibition of stowaways  Operator's obligation to obtain flight time records of flight crew  Flight crew member's obligation to inform operator of flight times  Flight time limitations  Flight time limitations  Requirement for licensing of air traffic Control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	42	Requirement for aerial application certificate
Prohibition of smoking in aircraft Requirement to obey lawful commands of aircraft commander Prohibition of stowaways Prohibition of stowaways Operator's obligation to obtain flight time records of flight crew Flight crew member's obligation to inform operator of flight times Flight time limitations Flight time limitations Requirement for licensing of air traffic Control Requirement for licensing of air traffic controllers and aerodrome flight information service officers Requirement for aerodrome information service manual Flight in contravention of restriction of flying regulations Flight by balloons, kites and airships	44	• • • • • • • • • • • • • • • • • • • •
Requirement to obey lawful commands of aircraft commander  Prohibition of stowaways  54(3)  Operator's obligation to obtain flight time records of flight crew  Flight crew member's obligation to inform operator of flight times  Flight time limitations  Flight time limitations  64(2)  Breach of the Rules of the Air and Air Traffic Control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	46	Requirement for exits and break-in markings
aircraft commander  52 Prohibition of stowaways  54(3) Operator's obligation to obtain flight time records of flight crew  55(2) Flight crew member's obligation to inform operator of flight times  56 Flight time limitations  64(2) Breach of the Rules of the Air and Air Traffic Control  66 (except (4)) Requirement for licensing of air traffic controllers and aerodrome flight information service officers  67 Requirement for aerodrome information service manual  69 Flight in contravention of restriction of flying regulations  70 Flight by balloons, kites and airships	50	Prohibition of smoking in aircraft
54(3)  Operator's obligation to obtain flight time records of flight crew  Flight crew member's obligation to inform operator of flight times  Flight time limitations  Flight time limitations  64(2)  Breach of the Rules of the Air and Air Traffic Control  66 (except (4))  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	51	
records of flight crew  55(2)  Flight crew member's obligation to inform operator of flight times  Flight time limitations  Requirement for the Rules of the Air and Air Traffic Control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	52	Prohibition of stowaways
operator of flight times  56 Flight time limitations  64(2) Breach of the Rules of the Air and Air Traffic Control  66 (except (4)) Requirement for licensing of air traffic controllers and aerodrome flight information service officers  67 Requirement for aerodrome information service manual  69 Flight in contravention of restriction of flying regulations  70 Flight by balloons, kites and airships	54(3)	
Breach of the Rules of the Air and Air Traffic Control  66 (except (4))  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	55(2)	· · · · · · · · · · · · · · · · · · ·
Control  Requirement for licensing of air traffic controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	56	Flight time limitations
controllers and aerodrome flight information service officers  Requirement for aerodrome information service manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	64(2)	
manual  Flight in contravention of restriction of flying regulations  Flight by balloons, kites and airships	66 (except (4))	controllers and aerodrome flight information
regulations 70 Flight by balloons, kites and airships	67	
	69	
Requirement for licensed aerodrome	70	Flight by balloons, kites and airships
	71	Requirement for licensed aerodrome

Article of Order	Subject Matter
73(5)	Contravention of conditions of aerodrome licence
74	Use of radio equipment at aerodromes
75	Requirement to keep records at aerodromes
79	Use of aeronautical lights
80(1)	Prohibition of dangerous lights
80(2)	Failure to extinguish or screen dangerous lights
82(1) and (2)	Management of aviation fuel at aerodromes
86 (except (4))	Requirement to report occurrences
89	Obstruction of persons performing duties under the Order
