

SCHEDULE 13

RULES OF THE AIR AND AIR TRAFFIC CONTROL

SECTION IX

AIR TRAFFIC CONTROL

Provision of air traffic services

47.—(1) At every aerodrome (other than a Government aerodrome) which is an aerodrome in respect of which the Governor has given a direction to the proprietor or person in charge of the aerodrome requiring air traffic control service, aerodrome flight information service or means of two-way radio communication to be provided there, the person in charge of the aerodrome shall cause such a service or such means to be provided at all times when the Governor so directs.

(2) At every aerodrome (other than a Government aerodrome) which is provided with equipment for providing holding aid, let-down aid or approach aid by radio or radar, the person in charge of the aerodrome shall inform the Governor in advance of any period during which any of the said equipment will be in operation for the purpose of providing holding aid, letdown aid or approach aid and, without prejudice to paragraph (1) of this Rule, cause an air traffic control service to be provided at all times when the said equipment is notified as being in operation for any of those purposes.

Use of radio call signs at aerodromes

48. The person in charge of an aerodrome provided with means of two-way radio communication shall not cause or permit any call sign to be used for a purpose other than a purpose for which that call Sign has been notified.
