
STATUTORY INSTRUMENTS

1989 No. 318

The Control of Industrial Air Pollution (Registration of Works) Regulations 1989

Notice of application

4. Not less than 14 days after the date on which the application has been received by the Secretary of State, the applicant shall publish, in at least one newspaper circulating in the locality of the work in each of two successive weeks a notice containing the following particulars—

- (a) the name of the owner of the work;
- (b) the name, if any, and the address of the premises where the work is or will be carried on;
- (c) a brief description of the nature of the work for which registration is sought;
- (d) the addresses of the places where, and a statement of the times when, the application may be inspected;
- (e) a statement to the effect that written representations concerning the application may be made to the Secretary of State, and that those received by him within 21 days of the first publication of the notice will be taken into consideration in deciding the application;
- (f) the address to which such representations should be made;
- (g) the date on which the notice was first published.
