## APPENDIX

Statement of reasons for award (*Note 5*)

### Notes for the arbitrator

1. This form must be followed as closely as possible, with only such omissions or modifications as circumstances may require. Paragraphs 1 to 6 inclusive will not all be relevant in every case, and any which are not relevant should be omitted.

2. The arbitrator must state separately in the award the amounts awarded in respect of the several claims referred to him. If either party applies to him to specify the amount awarded in respect of any particular improvement or any particular matter, he must do so.

3. The day on which payment is to be made must not be later than one month after the delivery of the award. Paragraph 22 of Schedule 11 to the Act provides for interest to be payable on sums directed by the award to be paid.

4. The award must be endorsed with the date of delivery so that there is no doubt as to the date upon which payments are to be made under paragraphs 6 and 8, and upon the date from which interest runs.

5. The arbitrator must furnish a statement of his reasons for the award if the landlord or the tenant so requests "on or before the giving or notification of the decision" – see section 12 of the Tribunals and Inquiries Act 1971. The statement may deal with different matters under different headings as appropriate; for example–

- the facts he found to be admitted or proved;
- the submissions of the parties and his rulings on them;
- the method of valuation he applied to the facts found so as to arrive at his determination;
- the costs of, and incidental to, the arbitration and award.

## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order, which applies to England and Wales only, prescribes the form in which awards are to be made in proceedings on arbitrations under the Agricultural Holdings Act 1986 (article 3 and Schedule) and revokes the Agricultural Holdings (England and Wales) Rules 1948, as varied (“the 1948 Rules”) (article 4). The new form of award makes specific reference for the first time to rent cases, questions arising out of a notice to quit and the giving of reasons for the award, where appropriate. Arbitrators are required to omit or otherwise modify the items prescribed in the form only as far as circumstances require.

This Order does not prescribe forms of application for the appointment of arbitrators and for an extension of the time for making an award, which were prescribed in the 1948 Rules.

The prescribed forms in the 1948 Rules continue to apply where the arbitrator was appointed before 18th June 1986 (article 2).
