## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

Under the Central Rating Lists Regulations 1989 certain persons are designated, and descriptions of hereditaments are prescribed in relation to those persons, with a view to securing the central rating of those hereditaments, en bloc.

These Regulations amend Part 7 of the Schedule to the 1989 Regulations by correcting the name of one of the designated persons in relation to which cross-country pipe-lines situated in the area of more than one charging authority are prescribed. The Regulations have effect retrospectively to 1st April 1990, the authority for which is section 53(4) of the Local Government Finance Act 1988.
