EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Plant Breeders' Rights Regulations 1978.

Schemes have been made to enable plant breeders' rights to be granted in respect of *Festulolium*, coriander, borage, sunflower, turnip rape, *Kalanchoe*, *Impatiens*, *Euphorbia milii* and *Scaevola aemula*. Parts III, IV and XII of Schedule 3 to the 1978 Regulations (which Schedule was inserted into the 1978 Regulations by the Plant Breeders' Rights (Amendment) Regulations 1982 and amended by S.I. 1985/1092) have been amended so as to specify the reproductive and other material which must be delivered to the Controller when an application is made for a grant of plant breeders' rights in respect of varieties of those kinds (regulation 2(a) and (b)(i)).

The amendment made to sub-paragraph 3(i) of Part IV of Schedule 3 to the 1978 Regulations reduces the maximum content by number of seeds of *Rumex* ssp in varieties of swede rape including oilseed rape, white mustard and brown and black mustard from 20 to 5.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the Police Regulations 1987. They have effect, as provided by regulation 2, for the purposes of regulation 3(5) and (6) as from 1st July 1989, for the purposes of regulation 3(7), (8) and (9) as from 1st April 1990 (retrospection is authorized by section 33(4) of the Police Act 1964) and for all other purposes as from 1st September 1990.

Regulation 3(2) and (3) amend the qualifications for appointment to a police force in relation to age and height.

Regulation 3(4) removes the requirement for a certificate of service to state the circumstances of an officer's leaving his force.

Regulation 3(5) increases London weighting and regulation 3(6) increases the supplementary pay of university scholars in the City and the metropolitan police district.

Regulation 3(7) provides that for the purpose of determining the date when a police officer in receipt of transitional rent allowance should transfer to housing allowance, account is to be taken of compensatory grant referable to financial years earlier than 1989/90.

Regulation 3(8) provides that where a police officer in receipt of transitional rent allowance is married to a woman police officer who takes unpaid maternity leave, he will receive an enhanced allowance during her period of leave, thus bringing the arrangements for transitional rent allowance into line with those for housing allowance.

Regulation 3(9) restores the eligibility for a provided accommodation allowance of a woman police officer following a period of unpaid maternity leave when it was not payable to her.
