MODIFICATIONS OF THE ACT OF 1979

PART IV of the Act of 1979: Control of Importation

8. Section 50(2) (penalty for improper importation of goods) shall have effect as if—
 - (a) any person who unloads or assists or is otherwise concerned in the unloading of those goods mentioned in section 50(1) from any vehicle which has arrived from France through the tunnel were a person who unships such goods in a port; and
 - (b) any person who removes or assists or is otherwise concerned in the removal of such goods from any customs approved area were a person who removes such goods from an approved wharf.
