EXPLANATORY NOTE

(This note is not part of the Order)

Section 101(2) of the Water Act 1989 provides for the replacement of provisions relating to the constitution and regulation of a statutory water company contained in its local Acts and Orders by provisions contained in a memorandum and articles which have been approved by special resolution of the members of the company. The replacement provisions have effect only if they are approved by the Secretary of State and come into force on such date as he determines.

This Order approves a proposal by the East Anglian Water Company that a memorandum and articles of association should have effect in substitution for provisions contained in the company's local Acts and Orders (article 2). It also provides that the date on which those provisions cease to have effect is 11th January 1991 (article 3) and for the repeal of the superseded provisions and for consequential repeals (article 4).

This Order is associated with the company's proposal to convert to the status of a registered company under the Companies Act 1985.

- (b) The date in square brackets after the title of an instrument shows when it was first issued (i.e. printed and put on sale) by Her Majesty's Stationery Office (HMSO).
- (c) All instruments classified as general must be issued by HMSO. Those classified as local may, at the request of the responsible authority, be issued by HMSO.
- (d) An instrument that has been classified as local is distinguished by an entry (L) after its title or, in the case of one issued by HMSO, after its date of issue.
- (e) Local instruments are not printed in the edition, but they are listed again in the Classified List of Local Statutory instruments at p.6553 (see the Preface, paragraph 12, as to the availability of copies of local instruments).
- (f) An asterisk in the last column shows that the instrument is excluded from this edition for the reason explained in paragraph 4 of the Preface.
