These Regulations prescribe the form in which budget and outturn statements are to be prepared (regulation 2); the particulars and information additional to that specified by section 42 which are to be contained in budget statements (regulations 4 to 7 and Schedules 1 to 3); the information to be contained in outturn statements (regulation 8); the manner in which budget and outturn statements are to be published (regulation 9) and the times by which such statements are to be so published (regulation 10).
