## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

Regulation 2 of these Regulations amends the Central Rating Lists Regulations 1989 so that, with a view to the rating en bloc of non-domestic hereditaments occupied by Nuclear Electric plc for the purposes of generating electricity, that company and those hereditaments are shown on the central rating lists for England and for Wales.

Regulation 3 amends the Regulations so that hereditaments occupied for the purposes of generating electricity by means of tidal power are not included on the central rating lists.
