EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Medicines (Exemptions from Licences) (Intermediate Medicated Feeding Stuff) Order 1989 by deleting some unnecessary words from article 2(1). The effect remains that no licence under section 7 of the Medicines Act 1968 is required in relation to an intermediate medicated feeding stuff so long as any medicinal product incorporated in it was incorporated in accordance with the provisions of a product licence or an animal test certificate.
