#### EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations further amend the Dairy Produce Quotas Regulations 1989 (“the principal Regulations”). The Regulations clarify Schedule 8B to the principal Regulations (small producer supplementary development provision) – regulation 5, and Schedule 9 to the principal Regulations (exceptional hardship provision) – regulation 6. In particular they make clear that Schedule 8B applies only to producers in respect of holdings in Scotland and Northern Ireland and that Schedule 9 applies only to producers in respect of holdings in Northern Ireland. Errors in the definitions of “appropriate date” and “wholesale development quota” are corrected – regulation 4.
