EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations correct a defect in regulation 13(1) of the Personal Community Charge (Reductions) (England) Regulations 1991 (“the principal Regulations”).

The effect of the amendment made by regulation 2 of these Regulations is to secure that a person’s eligibility for a reduction under Part III (rates reductions: two or more resident chargepayers) of the principal Regulations depends on the same criteria as are applied in the case of an individual under Part II (rates related reductions: one resident chargepayer) of those Regulations.
