

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 1

CONTENTS OF COMMUNITY CHARGE DEMAND NOTICES

PART V

INTERPRETATION, ETC.

2. In Part I and this Part “appropriate precepting authority” means a precepting authority which has power to issue a precept to the Common Council for the relevant year relating to all of the area of the Council or to a part of that area relevant to the notice concerned (whether it has in fact done so or not).
