1991 No. 2712

The Library Charges (England and Wales) Regulations 1991

Display of charges

5. A relevant authority which makes a charge in accordance with regulation 3 shall display in a conspicuous place within each library premises occupied by the relevant authority a notice which is easily readable specifying the library facilities made available by the authority for which it makes a charge and, in the case of each such facility, the amount of the charge or the basis on which the charge will be calculated.
