(2) An amount equal to the accumulated realised profits of the Authority at the transfer date shall be treated as accumulated realised profits of the Successor Company.

(3) Subject to sub-paragraphs (1) and (2) above, for the purposes of any statutory accounts of the Successor Company the amount to be included in respect of any item shall be determined as if anything done by the Authority (whether by way of acquiring, revaluing or disposing of any asset or incurring, revaluing or discharging any liability, or by carrying any amount to any provision or reserve, or otherwise) had been done by the Successor Company.

(4) For the purposes of sub-paragraph (1) above the pre-transfer value of an asset or (as the case may be) the pre-transfer amount of a liability is—

- (a) in the case of an asset or liability transferred under section 2 of the 1991 Act, the value or (as the case may be) the amount assigned to that asset or liability for the purposes of the last statement of accounts had ended immediately before the transfer date; and

Dividend by Successor Company before laying or delivery of accounts

7.—(1) Where it is proposed to declare a distribution during the accounting reference period of the Successor Company which includes the transfer date, or before any accounts are laid or delivered to the registrar of companies in respect of that period, sections 270 to 276 of the Companies Act 1985⁽⁵⁾ (relevant accounts for determining whether a distribution is lawful) shall apply in relation to the distribution as if—

- (a) such accounts as are mentioned in sub-paragraph (2) below were accounts relevant under section 270; and
- (b) references in section 273 to initial accounts included references to any such accounts.

(5) Section 271, 272, 273, and 276 were amended by the Companies Act 1989, Schedule 10, paragraphs 4, 5, 6 and 7.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(2) The accounts referred to in sub-paragraph (1)(a) and (b) above are such accounts as, on the assumptions stated in sub-paragraph (3) below, would have been prepared under Part VII of the Companies Act 1985⁽⁶⁾ in respect of the relevant year.

(3) Those assumptions are—

- (a) that the relevant year had been a financial year of the Successor Company;
- (b) that the transfer effected by section 2(2) of the 1991 Act had been a vesting of all the property, rights, liabilities and functions to which the Authority were entitled or subject immediately before the beginning of the relevant year and had been effected immediately after the beginning of that year;
- (c) that the value of any asset and the amount of any liability of the Authority transferred to the Successor Company by virtue of the said section 2(2) had been the value or (as the case may be) the amount assigned to that asset or liability for the purposes of the statement of accounts prepared by the Authority in respect of their financial year immediately preceding the relevant year;
- (d) that any securities of the Successor Company issued or allotted on any terms before the declaration of the distribution has been issued or allotted on those terms before the end of the relevant year; and
- (e) such other assumptions (if any) as may appear to the directors of the Successor Company to be necessary or expedient for the purposes of this paragraph.

(4) For the purposes of such accounts as are mentioned in sub-paragraph (2) above the amount to be included in respect of any item shall be determined as if anything done by the Authority (whether by way of acquiring, revaluing or discharging any liability, or by carrying any amount to any provision or reserve, or otherwise) had been done by the Successor Company.

Accordingly (but without prejudice to the generality of the preceding provision) the amount to be included in any reserves of the Successor Company as representing its accumulated realised profits shall be determined as if any profits realised and retained by the Authority has been realised and retained by the Successor Company.

(5) Any such accounts shall not be regarded as statutory accounts for the purposes of paragraph 4 or 6 above.

(6) In this paragraph—

- “the relevant year” means the last financial year of the Authority before the transfer date; and
- “financial year”, in relation to the Authority, has the meaning given by paragraph 4 above.

8.—(1) For the avoidance of doubt it is hereby declared that, notwithstanding section 2(2) of the 1991 Act and paragraphs 1 and 2 of Schedule 1 to that Act, the provisions of sections 5 and 8 of, and Schedule 3 to, the Tees and Hartlepoons Port Authority Act 1966⁽⁷⁾ and of the Tees and Hartlepool Port Authority (Constitution) Revision Order 1978⁽⁸⁾ (which make provision as respects the constitution of the Authority) shall have no effect in relation to the Successor Company.

(2) For the purposes of the provisions of that Order, a full-time employee of the Successor Company shall, at any time after the transfer date, be taken to be a full-time officer of the Authority; and, accordingly, any person who, immediately before the transfer date, is a full-time officer of the Authority and (in that capacity) a member of the Authority and who on that date becomes a full-time employee of the Successor Company shall not thereby cease to be a member of the Authority.

Provided that the number of persons appointed in pursuance of this sub-paragraph and in office for the time being shall not be more than four.

(5) A person appointed in pursuance of sub-paragraph (3) above shall come into office on such date and, subject to the provisions of section 8(2) and (3) of, and paragraph 6 of Schedule 3 to, the Tees and Hartlepool Port Authority Act 1966, shall continue in office for such period as the Secretary of State may specify when he makes the appointment.
