**1992 No. 1811**

The Health and Safety (Miscellaneous Provisions) (Metrication etc.) Regulations 1992

PART I

[METRICATION AND REVOCATIONS OF MISCELLANEOUS PROVISIONS]

**Application to existing plant, buildings and other permanent structures**

4. Where the measurements relating to any plant, buildings or other permanent structure in existence or under construction immediately before the coming into force of these Regulations complied with the requirements of the principal instruments as then in force in so far as they related to the measurements of that plant, building or other permanent structure, then such compliance shall be deemed to be compliance with the principal instruments as amended by these Regulations.
