

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE 2

### RESCUE BOATS

#### PART III

#### INFLATED RESCUE BOATS

##### **Inflated rescue boat propulsion**

**3.7** The boat engine and accessories shall be designed to limit electromagnetic emissions so that engine operation does not interfere with the operation of radio life-saving appliances used in the boat.
