EXPLANATORY NOTE

(This note is not part of the Order)

This Order amends the Customs Duties (ECSC) (Quota and other Reliefs) Order 1991 following a Decision of the Representatives of the Governments of the Member States of the European Coal and Steel Community meeting within the Council, of 10th February 1992⁽³⁾. It admits the Republic of Korea to the list of countries who are granted reliefs from customs duty on certain iron and steel products under the Community's Generalised Tariff Preference Scheme for Developing Countries. The Order also corrects an omission from article 4 of the 1991 Order.
